STEP ONE: Determine the sum of all state appropriations for expenditures, other than excluded expenditures, and reserve increases enacted for the state fiscal year beginning July 1, 2002, and ending June 30, 2003, before deducting any amount that was reverted at the end of the state fiscal year.

STEP TWO: Subtract all base budget reductions made by the governor to state appropriations for expenditures, other than excluded expenditures, and reserve increases enacted for the state fiscal year beginning July 1, 2002, and ending June 30, 2003.

Sec. 2. For purposes of this chapter, fiscal year spending is equal to the sum of all:

(2) Six percent (6%).

Sec. 5. Before January 1, 2003, and January 1 in each odd-numbered year thereafter, the department of state revenue shall estimate the maximum annual percentage change in fiscal year spending computed under section 4 of this chapter using the latest available actual and estimated data for the immediately preceding three (3) calendar years. The department of state revenue shall:

(1) certify to the governor, budget agency, and legislative council the maximum annual percentage change in fiscal year spending estimated under this section; and

(2) release the information certified under subdivision (1) to the general public.

Sec. 6. Before June 30, 2003, and June 30 in each odd-numbered year thereafter, the department of state revenue shall recalculate the maximum annual percentage change in fiscal year spending using the latest actual data for the immediately preceding three (3) calendar years. The department of state revenue shall:

(1) certify to the governor, budget agency, and legislative council the revised maximum annual percentage change in fiscal year spending recalculated under this section; and

STEP ONE: Determine:

(A) for the state fiscal year beginning July 1, 2003, and ending June 30, 2004, the amount of base year spending; and

(B) for each state fiscal year beginning after June 30, 2004, the maximum fiscal year spending permitted under this section for the immediately preceding state fiscal year.

STEP TWO: Multiply the STEP ONE amount by the maximum annual percentage change in fiscal year spending applicable to the state fiscal year.

STEP THREE: Add the amount resulting from STEP TWO to the STEP ONE amount.

Sec. 9. Payments for pensions, including accrued unfunded liability, and final court judgments that the state is obligated to pay may exceed the spending limit imposed by section 8 of this chapter.

Sec. 10. Expenditures from a reserve fund may exceed the spending limit imposed by section 8 of this chapter if the initial transfer of the money into the reserve fund was included in the fiscal year spending of a previous state fiscal year.

Sec. 11. If the general assembly considers it necessary to spend beyond the sum of the spending limit imposed by section 8 of this chapter and the expenditure is not allowed under section 9 or 10 of this chapter, the general assembly may do so by adopting a concurrent resolution approved by a majority of both houses of the general assembly. The resolution must state:

(1) that the general assembly desires to budget and spend more funds than permitted by this chapter; and

(2) the reasons necessitating the excess spending.

Upon passage of such a resolution, a cause of action may not be initiated under section 14 of this chapter if the excess spending results from passage of the resolution and the reasons for the excess spending stated in the resolution.

 15 (43,000) but less than forty-five thousand (45,000), the
 16 amount determined under subsection (e) shall be paid to
 17 the county in which the racetrack from which the tax

STEP THREE: Determine the remainder of the sum determined under STEP ONE minus the sum determined under STEP TWO.

STEP FOUR: Determine the ratio of the amount determined under STEP THREE to the sum determined under STEP ONE.

STEP FIVE: Multiply the sum determined under STEP ONE by thirty percent (30%).

STEP SIX: Multiply the STEP FIVE result by the ratio determined under STEP FOUR.

Each reassessment beginning after June 30, 2005, shall be completed on or before March 1, of the immediately following ~~even-numbered~~ odd-numbered year, and shall be the basis for taxes payable in the year following the year in which the general assessment is to be completed.

(b) In order to ensure that assessing officials and members of each county property tax assessment board of appeals are prepared for a general reassessment of real property, the department of local government finance shall give adequate advance notice of the general reassessment to the county and township taxing officials of each county.

SECTION 98. IC 6-1.1-4-4.5, AS ADDED BY P.L.198-2001, SECTION 8, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 4.5. (a) The department of local government finance shall adopt rules establishing a system for annually adjusting the assessed value of real property to account for changes in value in those years since a general reassessment of property last took effect.

(b) The system must be applied to adjust assessed values beginning with the ~~2006~~ 2007 assessment date and each year thereafter that is not a year in which a reassessment becomes effective.

(c) The system must have the following characteristics:

(1) Promote uniform and equal assessment of real property within and across classifications.

(2) Apply all objectively verifiable factors used in mass valuation techniques that are reasonably expected to affect the value of real property in Indiana.

(3) Prescribe as many adjustment percentages and whatever categories of percentages the department of local government finance finds necessary to achieve objectively verifiable updated just valuations of real property. An adjustment percentage for a particular classification may be positive or negative.

(4) Prescribe procedures, including computer software programs, that permit the application of the adjustment percentages in an efficient manner by assessing officials.

SECTION 8, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2002]: Sec. 32. (a) As used in this section, "contract" refers to a contract entered into under this section.

(b) As used in this section, "contractor" refers to a firm that enters into a contract with the department of local government finance under this section.

(c) As used in this section, "qualifying county" means a county having a population of more than four hundred thousand (400,000) but less than seven hundred thousand (700,000).

(d) Notwithstanding sections 15 and 17 of this chapter, a township assessor in a qualifying county may not appraise property, or have property appraised, for the general reassessment of real property to be completed for the March 1, ~~2002~~, **2003**, assessment date. Completion of that general reassessment in a qualifying county is instead governed by this section. The only duty of:

(1) a township assessor in a qualifying county; or

(2) a county assessor of a qualifying county;

with respect to that general reassessment is to provide to the department of local government finance or the department's contractor under subsection (e) any support and information requested by the department or the contractor. This subsection expires June 30, 2004.

(e) The department of local government finance shall select and contract with a certified public accounting firm with expertise in the appraisal of real property to appraise property for the general reassessment of real property in a qualifying county to be completed for the March 1, ~~2002~~, **2003**, assessment date. The department of local government finance may enter into additional contracts to provide software or other auxiliary services to be used for the appraisal of property for the general reassessment. The contract applies for the appraisal of land and improvements with respect to all classes of real property in the qualifying county. The contract must include:

(1) a provision requiring the appraisal firm to:

(A) prepare a detailed report of:

- (i) expenditures made after July 1, 1999, and before the date of the report from the qualifying county's reassessment fund under section 28 of this chapter (repealed); and
- (ii) the balance in the reassessment fund as of the date of the report; and

(B) file the report with:

- (i) the legislative body of the qualifying county;
- (ii) the prosecuting attorney of the qualifying county;
- (iii) the department of local government finance; and

Copy

- 1 (iv) the attorney general;
- 2 (2) a fixed date by which the appraisal firm must complete all
- 3 responsibilities under the contract;
- 4 (3) subject to subsection (t), a provision requiring the appraisal
- 5 firm to use the land values determined for the qualifying county
- 6 under section 13.6 of this chapter;
- 7 (4) a penalty clause under which the amount to be paid for
- 8 appraisal services is decreased for failure to complete specified
- 9 services within the specified time;
- 10 (5) a provision requiring the appraisal firm to make periodic
- 11 reports to the department of local government finance;
- 12 (6) a provision stipulating the manner in which, and the time
- 13 intervals at which, the periodic reports referred to in subdivision
- 14 (5) are to be made;
- 15 (7) a precise stipulation of what service or services are to be
- 16 provided;
- 17 (8) a provision requiring the appraisal firm to deliver a report of
- 18 the assessed value of each parcel in a township in the qualifying
- 19 county to the department of local government finance; and
- 20 (9) any other provisions required by the department of local
- 21 government finance.

22 After December 31, 2001, the department of local government finance
 23 has all the powers and duties of the state board of tax commissioners
 24 provided under a contract entered into under this subsection (as
 25 effective before January 1, 2002) before January 1, 2002. The contract
 26 is valid to the same extent as if it were entered into by the department
 27 of local government finance. However, a reference in the contract to
 28 the state board of tax commissioners shall be treated as a reference to
 29 the department of local government finance. The contract shall be
 30 treated for all purposes, including the application of IC 33-3-5-2.5, as
 31 the contract of the department of local government finance. If the
 32 department of local government finance terminates a contract before
 33 completion of the work described in this subsection, the department
 34 shall contract for completion of the work as promptly as possible under
 35 IC 5-22-6. This subsection expires June 30, 2004.

36 (f) At least one (1) time each month, the contractors that will make
 37 physical visits to the site of real property for reassessment purposes
 38 shall publish a notice under IC 5-3-1 describing the areas that are
 39 scheduled to be visited within the next thirty (30) days and explaining
 40 the purposes of the visit. The notice shall be published in a way to
 41 promote understanding of the purposes of the visit in the affected areas.
 42 After receiving the report of assessed values from the appraisal firm

C

1 acting under a contract described in subsection (e), the department of
 2 local government finance shall give notice to the taxpayer and the
 3 county assessor, by mail, of the amount of the reassessment. The notice
 4 of reassessment is subject to appeal by the taxpayer to the Indiana
 5 board. The procedures and time limitations that apply to an appeal to
 6 the Indiana board of a determination of the department of local
 7 government finance apply to an appeal under this subsection. A
 8 determination by the Indiana board of an appeal under this subsection
 9 is subject to appeal to the tax court under IC 6-1.1-15. This subsection
 10 expires on the later of June 30, 2004, or the date a final determination
 11 is entered in the last pending appeal filed under this subsection.

12 (g) In order to obtain a review by the Indiana board under
 13 subsection (f), the taxpayer must file a petition for review with the
 14 appropriate county assessor within forty-five (45) days after the notice
 15 of the department of local government finance is given to the taxpayer
 16 under subsection (f). This subsection expires June 30, 2004.

17 (h) The department of local government finance shall mail the
 18 notice required by subsection (f) within ninety (90) days after the
 19 department receives the report for a parcel from the professional
 20 appraisal firm. This subsection expires June 30, 2004.

21 (i) The qualifying county shall pay the cost of any contract under
 22 this section which shall be without appropriation from the county
 23 property reassessment fund. A contractor may periodically submit bills
 24 for partial payment of work performed under a contract. However, the
 25 maximum amount that the qualifying county is obligated to pay for all
 26 contracts entered into under subsection (e) for the general reassessment
 27 of real property in the qualifying county to be completed for the March
 28 1, ~~2002~~, **2003**, assessment date is twenty-five million five hundred
 29 thousand dollars (\$25,500,000). Notwithstanding any other law, a
 30 contractor is entitled to payment under this subsection for work
 31 performed under a contract if the contractor:

32 (1) submits, in the form required by IC 5-11-10-1, a fully
 33 itemized, certified bill for the costs under the contract of the work
 34 performed to the department of local government finance for
 35 review;

36 (2) obtains from the department of local government finance:

37 (A) approval of the form and amount of the bill; and

38 (B) a certification that the billed goods and services billed for
 39 payment have been received and comply with the contract; and

40 (3) files with the county auditor of the qualifying county:

41 (A) a duplicate copy of the bill submitted to the department of
 42 local government finance;

(B) the proof of approval provided by the department of local government finance of the form and amount of the bill that was approved; and

(C) the certification provided by the department of local government finance that indicates that the goods and services billed for payment have been received and comply with the contract.

An approval and a certification under subdivision (2) shall be treated as conclusively resolving the merits of the claim. Upon receipt of the documentation described in subdivision (3), the county auditor shall immediately certify that the bill is true and correct without further audit, publish the claim as required by IC 36-2-6-3, and submit the claim to the county executive of the qualifying county. The county executive shall allow the claim, in full, as approved by the department of local government finance without further examination of the merits of the claim in a regular or special session that is held not less than three (3) days and not more than seven (7) days after completion of the publication requirements under IC 36-2-6-3. Upon allowance of the claim by the county executive, the county auditor shall immediately issue a warrant or check for the full amount of the claim approved by the department of local government finance. Compliance with this subsection shall be treated as compliance with section 28.5 of this chapter, IC 5-11-6-1, IC 5-11-10, and IC 36-2-6. The determination and payment of a claim in compliance with this subsection is not subject to remonstrance and appeal. IC 36-2-6-4(f) and IC 36-2-6-9 do not apply to a claim under this subsection. IC 5-11-10-1.6(d) applies to a fiscal officer who pays a claim in compliance with this subsection. This subsection expires June 30, 2004.

(j) Notwithstanding IC 4-13-2, a period of seven (7) days is permitted for each of the following to review and act under IC 4-13-2 on a contract of the department of local government finance under this section:

- (1) The commissioner of the Indiana department of administration.
- (2) The director of the budget agency.
- (3) The attorney general.
- (4) The governor.

(k) With respect to a general reassessment of real property to be completed under section 4 of this chapter for an assessment date after the March 1, ~~2002~~, **2003**, assessment date, the department of local government finance shall initiate a review with respect to the real property in a qualifying county or a township in a qualifying county, or

a portion of the real property in a qualifying county or a township in a qualifying county. The department of local government finance may contract to have the review performed by an appraisal firm. The department of local government finance or its contractor shall determine for the real property under consideration and for the qualifying county or township the variance between:

(1) the total assessed valuation of the real property within the qualifying county or township; and

(2) the total assessed valuation that would result if the real property within the qualifying county or township were valued in the manner provided by law.

(l) If:

(1) the variance determined under subsection (k) exceeds ten percent (10%); and

(2) the department of local government finance determines after holding hearings on the matter that a special reassessment should be conducted;

the department shall contract for a special reassessment by an appraisal firm to correct the valuation of the property.

(m) If the variance determined under subsection (k) is ten percent (10%) or less, the department of local government finance shall determine whether to correct the valuation of the property under:

(1) sections 9 and 10 of this chapter; or

(2) IC 6-1.1-14-10 and IC 6-1.1-14-11.

(n) The department of local government finance shall give notice by mail to a taxpayer of a hearing concerning the department's intent to cause the taxpayer's property to be reassessed under this section. The time fixed for the hearing must be at least ten (10) days after the day the notice is mailed. The department of local government finance may conduct a single hearing under this section with respect to multiple properties. The notice must state:

(1) the time of the hearing;

(2) the location of the hearing; and

(3) that the purpose of the hearing is to hear taxpayers' comments and objections with respect to the department of local government finance's intent to reassess property under this chapter.

(o) If the department of local government finance determines after the hearing that property should be reassessed under this section, the department shall:

(1) cause the property to be reassessed under this section;

(2) mail a certified notice of its final determination to the county auditor of the qualifying county in which the property is located;

and

(3) notify the taxpayer by mail of its final determination.

(p) A reassessment may be made under this section only if the notice of the final determination under subsection (n) is given to the taxpayer within the same period prescribed in IC 6-1.1-9-3 or IC 6-1.1-9-4.

(q) If the department of local government finance contracts for a special reassessment of property under this section, the qualifying county shall pay the bill, without appropriation, from the county property reassessment fund. A contractor may periodically submit bills for partial payment of work performed under a contract. Notwithstanding any other law, a contractor is entitled to payment under this subsection for work performed under a contract if the contractor:

(1) submits, in the form required by IC 5-11-10-1, a fully itemized, certified bill for the costs under the contract of the work performed to the department of local government finance for review;

(2) obtains from the department of local government finance:

(A) approval of the form and amount of the bill; and

(B) a certification that the billed goods and services billed for payment have been received and comply with the contract; and

(3) files with the county auditor of the qualifying county:

(A) a duplicate copy of the bill submitted to the department of local government finance;

(B) the proof of approval provided by the department of local government finance of the form and amount of the bill that was approved; and

(C) the certification provided by the department of local government finance that indicates that the goods and services billed for payment have been received and comply with the contract.

An approval and a certification under subdivision (2) shall be treated as conclusively resolving the merits of the claim. Upon receipt of the documentation described in subdivision (3), the county auditor shall immediately certify that the bill is true and correct without further audit, publish the claim as required by IC 36-2-6-3, and submit the claim to the county executive of the qualifying county. The county executive shall allow the claim, in full, as approved by the department of local government finance without further examination of the merits of the claim in a regular or special session that is held not less than three (3) days and not more than seven (7) days after completion of the

publication requirements under IC 36-2-6-3. Upon allowance of the claim by the county executive, the county auditor shall immediately issue a warrant or check for the full amount of the claim approved by the department of local government finance. Compliance with this subsection shall be treated as compliance with section 28.5 of this chapter, IC 5-11-6-1, IC 5-11-10, and IC 36-2-6. The determination and payment of a claim in compliance with this subsection is not subject to remonstrance and appeal. IC 36-2-6-4(f) and IC 36-2-6-9 do not apply to a claim under this subsection. IC 5-11-10-1.6(d) applies to a fiscal officer who pays a claim in compliance with this subsection.

(r) A qualifying official (as defined in IC 33-3-5-2.5) shall provide information requested in writing by the department of local government finance or the department's contractor under this section not later than seven (7) days after receipt of the written request from the department or the contractor. If a qualifying official (as defined in IC 33-3-5-2.5) fails to provide the requested information within the time permitted in this subsection, the department of local government finance or the department's contractor may seek an order of the tax court under IC 33-3-5-2.5 for production of the information.

(s) The provisions of this section are severable in the manner provided in IC 1-1-1-8(b).

(t) A contract entered into under subsection (e) is subject to this subsection. A contractor shall use the land values determined for the qualifying county under section 13.6 of this chapter to the extent that the contractor finds that the land values reflect the true tax value of land, as determined under the statutes and the rules of the department of local government finance. If the contractor finds that the land values determined for the qualifying county under section 13.6 of this chapter do not reflect the true tax value of land, the contractor shall determine land values for the qualifying county that reflect the true tax value of land, as determined under the statutes and the rules of the department of local government finance. The land values determined by the contractor shall be used to the same extent as if the land values had been determined under section 13.6 of this chapter. The contractor shall notify the county assessor and the township assessors in the qualifying county of the land values as modified under this subsection. This subsection expires June 30, 2004.

 11 process under this section for payment of a bill submitted by a
 12 contractor under subsection (i).

13 This subsection expires June 30, 2004.

14 (v) The department of local government finance, upon receiving
 15 notice under subsection (u) from the contractor, shall:

- 16 (1) verify the accuracy of the contractor's assertion in the notice
 17 that:
 18 (A) a failure occurred as described in subsection (b)(1) or
 19 (b)(2); or
 20 (B) a person or entity acted or failed to act as described in
 21 subsection (b)(3); and
 22 (2) provide to the treasurer of state the department of local
 23 government finance's approval under subsection (i)(2)(A) of the

(y) Compliance with subsections (u) through (x) shall be treated as compliance with IC 5-11-10. This subsection expires June 30, 2004.

(z) IC 5-11-10-1.6(d) applies to the treasurer of state with respect to the payment made in compliance with subsections (u) through (x). This subsection and subsections (u) through (y) shall be interpreted liberally so that the state shall, to the extent legally valid, ensure that the contractual obligations of a county under this section are paid. SECTION 107. IC 6-1.1-18.5-9.7, AS AMENDED BY P.L.273-1999, SECTION 55, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2002]: Sec. 9.7. (a) The ad valorem property tax levy limits imposed by section 3 of this chapter do not apply to ad valorem property taxes imposed under any of the following:

(1) ~~IC 12-16, except IC 12-16-1.~~ IC 12-15.5.

(2) IC 12-19-5.

(3) IC 12-19-7.

(4) IC 12-20-24.

(b) For purposes of computing the ad valorem property tax levy limits imposed under section 3 of this chapter, a county's or township's ad valorem property tax levy for a particular calendar year does not include that part of the levy imposed under the citations listed in subsection (a).

(c) Section 8(b) of this chapter does not apply to bonded indebtedness that will be repaid through property taxes imposed under IC 12-19.

SECTION 108. IC 6-1.1-20.9-2, AS AMENDED BY P.L.291-2001, SECTION 125, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004]: Sec. 2. (a) Except as otherwise provided in section 5 of this chapter, an individual who on March 1 of a particular year either owns or is buying a homestead under a contract that provides the individual is to pay the property taxes on the

C
o
p

homestead is entitled each calendar year to a credit against the property taxes which the individual pays on the individual's homestead. However, only one (1) individual may receive a credit under this chapter for a particular homestead in a particular year.

(b) The amount of the credit to which the individual is entitled equals the product of:

- (1) the percentage prescribed in subsection (d); multiplied by
- (2) the amount of the individual's property tax liability, as that term is defined in IC 6-1.1-21-5, which is:

(A) attributable during the particular calendar year to the part of the assessed value of the homestead during the particular calendar year; that does not exceed one million dollars (\$1,000,000); and

(B) determined after the application of the property tax replacement credit under IC 6-1.1-21.

(c) For purposes of determining that part of an individual's property tax liability that is attributable to the individual's homestead, all deductions from assessed valuation which the individual claims under IC 6-1.1-12 or IC 6-1.1-12.1 for property on which the individual's homestead is located must be applied first against:

- (1) the assessed value of the individual's homestead before those deductions are applied against any other property; and**
- (2) the part of the assessed value of the homestead that exceeds one million dollars (\$1,000,000).**

(d) The percentage of the credit referred to in subsection (b)(1) is as follows:

YEAR	PERCENTAGE OF THE CREDIT
1996	8%
1997	6%
1998 through 2003	10%
2004 and thereafter	4% 30%

However, the property tax replacement fund board established under IC 6-1.1-21-10, in its sole discretion, may increase the percentage of the credit provided in the schedule for any year, if the board feels that the property tax replacement fund contains enough money for the resulting increased distribution. If the board increases the percentage of the credit provided in the schedule for any year, the percentage of the credit for the immediately following year is the percentage provided in the schedule for that particular year, unless as provided in this subsection the board in its discretion increases the percentage of the credit provided in the schedule for that particular year. However, the

percentage credit allowed in a particular county for a particular year shall be increased if on January 1 of a year an ordinance adopted by a county income tax council was in effect in the county which increased the homestead credit. The amount of the increase equals the amount designated in the ordinance.

(e) Before October 1 of each year, the assessor shall furnish to the county auditor the amount of the assessed valuation of each homestead for which a homestead credit has been properly filed under this chapter.

(f) The county auditor shall apply the credit equally to each installment of taxes that the individual pays for the property.

(g) Notwithstanding the provisions of this chapter, a taxpayer other than an individual is entitled to the credit provided by this chapter if:

(1) an individual uses the residence as the individual's principal place of residence;

(2) the residence is located in Indiana;

(3) the individual has a beneficial interest in the taxpayer;

(4) the taxpayer either owns the residence or is buying it under a contract, recorded in the county recorder's office, that provides that the individual is to pay the property taxes on the residence; and

(5) the residence consists of a single-family dwelling and the real estate, not exceeding one (1) acre, that immediately surrounds that dwelling.

SECTION 109. IC 6-1.1-20.9-7 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: **Sec. 7. The notice shall be distributed to the address of the individual provided in the credit statement filed under section 3 of this chapter or, if the address is incomplete on the credit statement, the tax duplicate or special assessment records. The notice must describe the homestead credit provided to an individual under this chapter in substantially the following form:**

"Your assessing officials are doing a general reassessment of all real property in the county. The reassessment is necessary to comply with Indiana law. The Indiana General Assembly has enacted changes to the property tax replacement credit and the homestead credit to substantially reduce the effects that this reassessment may have on your home. In the first year that the reassessment applies, the property tax replacement credit will reduce the tax that you pay on the

1 **value of your home by 20% and the homestead credit will**
 2 **reduce the tax by an additional 30%. Local services will not**
 3 **be affected by these credits. Local government units will**
 4 **receive a distribution of state tax revenues to replace the**
 5 **amount of these credits.**

6 SECTION 111. IC 6-1.1-21-3, AS AMENDED BY P.L.90-2002,
7 SECTION 200, IS AMENDED TO READ AS FOLLOWS
8 [EFFECTIVE JANUARY 1, 2004]: Sec. 3. (a) ~~On or before March 1~~
9 ~~of each year,~~ the department of local government finance shall certify
10 to the department on a form approved by the state board of accounts,
11 an estimate of the total county tax levy collectible in that calendar year
12 for each county in the state. The estimate shall be based on the tax
13 collections for the preceding calendar year, adjusted as necessary to
14 reflect the total county tax levy (as defined in section 2(g) of this
15 chapter) from the budgets, tax levies, and rates as finally determined
16 and acted upon by the department of local government finance. The
17 department, with the assistance of the auditor of state **and the**
18 **department of local government finance**, shall determine on the basis
19 of the report an amount equal to ~~twenty percent (20%) of the total~~
20 ~~county tax levy;~~ **eligible property tax replacement amount**, which is
21 the estimated property tax replacement.

22 (b) ~~In the same report containing the estimate of a county's total~~
23 ~~county tax levy;~~ The department of local government finance shall also
24 certify the amount of homestead credits provided under IC 6-1.1-20.9
25 which are allowed by the county for the particular calendar year.

26 (c) If there are one (1) or more taxing districts in the county that
27 contain all or part of an economic development district that meets the
28 requirements of section 5.5 of this chapter, the department of local
29 government finance shall estimate an additional distribution for the
30 county in the same report required under subsection (a). This additional
31 distribution equals the sum of the amounts determined under the
32 following STEPS for all taxing districts in the county that contain all
33 or part of an economic development district:

34 STEP ONE: Estimate that part of the sum of the amounts under
35 section 2(g)(1)(A) and 2(g)(2) of this chapter that is attributable
36 to the taxing district.

37 STEP TWO: Divide:

38 (A) that part of the estimated property tax replacement
39 determined under subsection (a) that is attributable to the
40 taxing district; by

41 (B) the STEP ONE sum.

42 STEP THREE: Multiply:

C
o
p
y

(A) the STEP TWO quotient; times

(B) the ~~property~~ taxes levied in the taxing district that are allocated to a special fund under IC 6-1.1-39-5.

(d) The sum of the amounts determined under subsections (a) through (c) is the particular county's estimated distribution for the calendar year.

SECTION 112. IC 6-1.1-21-4, AS AMENDED BY P.L.198-2001, SECTION 59, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004]: Sec. 4. (a) Each year the department shall allocate from the property tax replacement fund an amount equal to the sum of:

(1) ~~twenty percent (20%) of each county's total county tax levy payable eligible property tax replacement amount for that year; plus~~

(2) the total amount of homestead tax credits that are provided under IC 6-1.1-20.9 and allowed by each county for that year; plus

(3) an amount for each county that has one (1) or more taxing districts that contain all or part of an economic development district that meets the requirements of section 5.5 of this chapter. This amount is the sum of the amounts determined under the following STEPS for all taxing districts in the county that contain all or part of an economic development district:

STEP ONE: Determine that part of the sum of the amounts under section 2(g)(1)(A) and 2(g)(2) of this chapter that is attributable to the taxing district.

STEP TWO: Divide:

(A) that part of the subdivision (1) amount that is attributable to the taxing district; by

(B) the STEP ONE sum.

STEP THREE: Multiply:

(A) the STEP TWO quotient; times

(B) the ~~property~~ taxes levied in the taxing district that are allocated to a special fund under IC 6-1.1-39-5.

(b) Except as provided in subsection (e), between March 1 and August 31 of each year, the department shall distribute to each county treasurer from the property tax replacement fund one-half (1/2) of the estimated distribution for that year for the county. Between September 1 and December 15 of that year, the department shall distribute to each county treasurer from the property tax replacement fund the remaining one-half (1/2) of each estimated distribution for that year. The amount of the distribution for each of these periods shall be according to a

C
o
p
y

1 schedule determined by the property tax replacement fund board under
 2 section 10 of this chapter. The estimated distribution for each county
 3 may be adjusted from time to time by the department to reflect any
 4 changes in the total county tax levy upon which the estimated
 5 distribution is based.

6 (c) On or before December 31 of each year or as soon thereafter as
 7 possible, the department shall make a final determination of the amount
 8 which should be distributed from the property tax replacement fund to
 9 each county for that calendar year. This determination shall be known
 10 as the final determination of distribution. The department shall
 11 distribute to the county treasurer or receive back from the county
 12 treasurer any deficit or excess, as the case may be, between the sum of
 13 the distributions made for that calendar year based on the estimated
 14 distribution and the final determination of distribution. The final
 15 determination of distribution shall be based on the auditor's abstract
 16 filed with the auditor of state, adjusted for postabstract adjustments
 17 included in the December settlement sheet for the year, and such
 18 additional information as the department may require.

19 (d) All distributions provided for in this section shall be made on
 20 warrants issued by the auditor of state drawn on the treasurer of state.
 21 If the amounts allocated by the department from the property tax
 22 replacement fund exceed in the aggregate the balance of money in the
 23 fund, then the amount of the deficiency shall be transferred from the
 24 state general fund to the property tax replacement fund, and the auditor
 25 of state shall issue a warrant to the treasurer of state ordering the
 26 payment of that amount. However, any amount transferred under this
 27 section from the general fund to the property tax replacement fund
 28 shall, as soon as funds are available in the property tax replacement
 29 fund, be retransferred from the property tax replacement fund to the
 30 state general fund, and the auditor of state shall issue a warrant to the
 31 treasurer of state ordering the replacement of that amount.

32 (e) Except as provided in subsection (i), the department shall not
 33 distribute under subsection (b) and section 10 of this chapter the money
 34 attributable to the county's property reassessment fund if, by the date
 35 the distribution is scheduled to be made, the county auditor has not sent
 36 a certified statement required to be sent by that date under
 37 IC 6-1.1-17-1 to the department of local government finance.

38 (f) Except as provided in subsection (i), if the elected township
 39 assessors in the county, the elected township assessors and the county
 40 assessor, or the county assessor has not transmitted to the department
 41 of local government finance by October 1 of the year in which the
 42 distribution is scheduled to be made the data for all townships in the

C
o
p
y

1 county required to be transmitted under IC 6-1.1-4-25(b), the state
 2 board or the department shall not distribute under subsection (b) and
 3 section 10 of this chapter a part of the money attributable to the
 4 county's property reassessment fund. The portion not distributed is the
 5 amount that bears the same proportion to the total potential distribution
 6 as the number of townships in the county for which data was not
 7 transmitted by August 1 as described in this section bears to the total
 8 number of townships in the county.

9 (g) Money not distributed under subsection (e) shall be distributed
 10 to the county when the county auditor sends to the department of local
 11 government finance the certified statement required to be sent under
 12 IC 6-1.1-17-1 with respect to which the failure to send resulted in the
 13 withholding of the distribution under subsection (e).

14 (h) Money not distributed under subsection (f) shall be distributed
 15 to the county when the elected township assessors in the county, the
 16 elected township assessors and the county assessor, or the county
 17 assessor transmits to the department of local government finance the
 18 data required to be transmitted under IC 6-1.1-4-25(b) with respect to
 19 which the failure to transmit resulted in the withholding of the
 20 distribution under subsection (f).

21 (i) The restrictions on distributions under subsections (e) and (f) do
 22 not apply if the department of local government finance determines
 23 that:

24 (1) the failure of a county auditor to send a certified statement as
 25 described in subsection (e); or

26 (2) the failure of an official to transmit data as described in
 27 subsection (f);

28 is justified by unusual circumstances.

29 SECTION 113. IC 6-1.1-21-5 IS AMENDED TO READ AS
 30 FOLLOWS [EFFECTIVE JANUARY 1, 2004]: Sec. 5. (a) Each year
 31 the taxpayers of each county shall receive a credit for property tax
 32 replacement in the amount of ~~twenty percent (20%) of the tax liability~~
 33 ~~(as defined in this section) of each taxpayer~~ **taxpayer's property tax**
 34 **replacement credit amount** for taxes which under IC 6-1.1-22-9 are
 35 due and payable in May and November of that year. The credit shall be
 36 applied to each installment of taxes. The dollar amount of the credit for
 37 each taxpayer shall be determined by the county auditor, based on data
 38 furnished by the state board of tax commissioners.

39 (b) The tax liability of a taxpayer for the purpose of computing the
 40 credit for a particular year shall be based upon the taxpayer's tax
 41 liability as is evidenced by the tax duplicate for the taxes payable in
 42 that year, plus the amount by which the tax payable by the taxpayer had

C
o
p

1 been reduced due to the application of county adjusted gross income
 2 tax revenues to the extent the county adjusted gross income tax
 3 revenues were included in the determination of the total county tax levy
 4 for that year, as provided in sections 2(g) and 3 of this chapter,
 5 adjusted, however, for any change in assessed valuation which may
 6 have been made pursuant to a post-abstract adjustment if the change is
 7 set forth on the tax statement or on a corrected tax statement stating the
 8 taxpayer's tax liability, as prepared by the county treasurer in
 9 accordance with IC 6-1.1-22-8(a). However, **except when using the**
 10 **term under section 2(m)(1) or 2(m)(2) of this chapter,** the tax
 11 liability of a taxpayer does not include the amount of any property tax
 12 owed by the taxpayer that is attributable to that part of any property tax
 13 levy subtracted under section 2(g)(1)(B), 2(g)(1)(C), 2(g)(1)(D),
 14 2(g)(1)(E), 2(g)(1)(F), 2(g)(1)(G), 2(g)(1)(H), 2(g)(1)(I), ~~or~~
 15 2(g)(1)(J), **or 2(g)(1)(K)** of this chapter in computing the total county
 16 tax levy.

17 ~~(b)~~ **(c)** The credit for taxes payable in a particular year with respect
 18 to mobile homes which are assessed under IC 6-1.1-7 is ~~twenty percent~~
 19 ~~(20%)~~ **of the equivalent to the taxpayer's property tax replacement**
 20 **credit amount for the taxes payable with respect to the assessments**
 21 **plus the adjustments stated in this section.**

22 ~~(c)~~ **(d)** Each taxpayer in a taxing district that contains all or part of
 23 an economic development district that meets the requirements of
 24 section 5.5 of this chapter is entitled to an additional credit for property
 25 tax replacement. This credit is equal to the product of:

- 26 (1) the STEP TWO quotient determined under section 4(a)(3) of
- 27 this chapter for the taxing district; multiplied by
- 28 (2) the taxpayer's ~~property~~ taxes levied in the taxing district that
- 29 are allocated to a special fund under IC 6-1.1-39-5.

30 SECTION 114. IC 6-1.1-21-10, AS AMENDED BY P.L.176-2002,
 31 SECTION 2, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
 32 JANUARY 1, 2004]: Sec. 10. (a) There is established a property tax
 33 replacement fund board to consist of the commissioner of the
 34 department, the commissioner of the department of local government
 35 finance, the director of the budget agency, and two (2) ex officio
 36 nonvoting representatives of the general assembly of the state of
 37 Indiana. The speaker of the house of representatives shall appoint one
 38 (1) member of the house as one (1) of the ex officio nonvoting
 39 representatives, and the president pro tempore of the senate shall
 40 appoint one (1) senator as the other ex officio nonvoting representative,
 41 each to serve at the will of the appointing officer. The commissioner of
 42 the department shall be the chairman of the board, and the director of

C

the budget agency shall be the secretary of the board.

(b) The board may, upon a vote of a majority of the members of the board, increase the percentage of property tax replacement funds to be distributed from the property tax replacement fund to the several counties for credit to the taxpayers in the counties as provided in this chapter if in the judgment of the board there are surplus funds available in the fund for the increased distribution. The board shall make such a determination on or before March 1 of each year relative to the amounts to be distributed from the property tax replacement fund for that year. Upon such a determination the commissioner of the department of state revenue shall immediately notify the treasurers of the several counties of the increased distribution.

(c) Except as provided in section 10.5 of this chapter, the schedule to be used in making distributions to county treasurers during the periods set forth in section 4(b) of this chapter is as follows:

January	0.00%
February	0.00%
March	16.70%
April	16.70%
May	16.60% 0.00%
June	0.00%
July	0.00% 16.60%
August	0.00%
September	16.70%
October	16.70%
November	16.60%
December	0.00%

The board may authorize the department to distribute the estimated distributions to counties earlier than what is required under section 4(b) of this chapter.

(d) The board is also authorized to transfer funds from the property tax replacement fund for the purpose of providing financial aid to school corporations as provided in IC 21-3.

 41 assessed on taxable tangible property in the allocation area.

42 Sec. 9. (a) The governing body may impose a special tax in a

year to pay amounts due on obligations of the governing body in the immediately succeeding year. The governing body may levy the special tax on all property in the taxing district or taxing districts in which the allocation area is located. The special tax shall be certified before September 2 of each year to the fiscal officer of the taxing unit that designated the allocation area. The special tax shall be estimated and entered upon the tax duplicates by the county auditor and shall be collected and enforced by the county treasurer in the same manner as state and county taxes are estimated, entered, collected, and enforced.

(b) As the special tax is collected by the county treasurer, it shall be transferred to the governing body that imposed the special tax and shall be accumulated and kept in the special fund for the allocation area and applied only for the purposes of this chapter.

(c) The governing body shall determine the special tax levy for a year in the amount of the lesser of:

(1) the total payments due on the obligations of the governing body in the year minus the amounts the governing body estimates will be legally available to the governing body in the year to make the payments; and

(2) except as provided in subsection (d), the amount that will result from the imposition of a rate for the special tax levy that the county auditor estimates will cause the total tax rate in the taxing district in which the allocation area is located to be one hundred ten percent (110%) of the rate that would apply if the rate for the special tax levy were not imposed for the year.

(d) If the allocation area is located in more than one (1) taxing district, the special tax levy amount determined under subsection (c)(2) shall be based on the taxing district that will, without consideration of the rate for the special tax levy, have the highest tax rate in the year in which the special tax levy is payable.

(e) In estimating the amount legally available under subsection (c)(1), the governing body shall not consider the remedies referred to in section 10(b)(5) of this chapter.

Sec. 10. (a) Before October 2 in a year, a governing body that has:

(1) imposed a special tax levy under section 9 of this chapter payable in the immediately succeeding year to raise revenue to pay amounts due on obligations of the governing body in the immediately succeeding year; and

(2) investigated its ability to employ all remedies available

under the agreements establishing obligations of the governing body to provide sufficient funds to pay amounts due on the obligations in the immediately succeeding year, including guarantees by a unit to apply revenues received under IC 6-3.5 or other sources toward the payment of the obligations;

may appeal to the department for emergency relief under this chapter to provide sufficient additional funds to pay amounts due on the obligations in the immediately succeeding year.

(b) In the petition under this section, the governing body must state sufficient facts to demonstrate the following:

(1) The petitioner is a governing body.

(2) The petitioner established an allocation area before January 1, 2002.

(3) The holders of obligations payable from tax increment revenues from the allocation area received a pledge before January 1, 2003, of tax increment revenues to pay any part of the obligations due after December 31, 2002.

(4) A change in the determination of the assessed value of tangible personal property resulting from a change in the rules governing the assessment of tangible personal property in effect on January 1, 2001 (50 IAC 5.1; 50 IAC 4.2) causes the governing body to be unable to pay amounts due on the obligations of the governing body in the immediately succeeding year.

(5) The governing body has investigated its ability to employ all remedies available under the agreements establishing the obligations of the governing body to provide sufficient funds to pay amounts due on the obligations in the immediately succeeding year, including guarantees by a unit to apply revenues received under IC 6-3.5 or other sources toward the payment of the obligations.

(6) The governing body has investigated the availability of all funds legally available to the governing body for the payment of amounts due on the obligations of the governing body in the immediately succeeding year, including funds derived from the denial of all or a part of an additional credit to taxpayers in the allocation area.

(7) The governing body has reasonably determined that refinancing one (1) or more of the obligations of the governing body is not an economically feasible means of providing sufficient funds to pay amounts due on the obligations in the

C
o
p
y

1 immediately succeeding year.

2 (8) The governing body has made reasonable efforts to limit
3 its use of the special fund for the allocation area to
4 appropriations for payments of amounts due on obligations of
5 the governing body.

6 (9) The balance in the special fund for the allocation area in
7 the immediately succeeding year will be insufficient to pay
8 amounts due on the obligations of the governing body in that
9 year.

10 (10) A property taxpayer located in any part in the allocation
11 area was not the original purchaser and does not own any of
12 the obligations of the governing body or rights to payment of
13 any of the obligations.

14 (11) The governing body is unable to provide sufficient funds
15 to pay amounts due on the obligations of the governing body
16 in the immediately succeeding year.

17 (12) A copy of the petition has been served on the executive of
18 each taxing unit in which any part of the allocation area is
19 located.

20 (13) The governing body at the time of issuance of the
21 obligations:

22 (A) reasonably estimated that the revenue legally available
23 to pay the obligations would be adequate to pay the
24 obligations over the term of the obligations; and

25 (B) pledged as additional security for the payment of the
26 obligations a reasonable amount of coverage of revenue
27 legally available in excess of the amount necessary to pay
28 the obligations.

29 (14) The number of subsequent years the governing body
30 estimates it will appeal under this section.

31 Sec. 11. The department shall conduct a hearing on the petition
32 in the county where the allocation area is located. At the hearing,
33 the petitioner and any other person may submit any information
34 relevant to the determination of the issues raised in the petition.

35 Sec. 12. (a) If, after the hearing and upon consideration of all of
36 the factors referred to in section 10(b) of this chapter, the
37 department determines that the requirements of this chapter have
38 been met, the department may order any of the emergency relief
39 described in section 13 of this chapter for a period not to exceed the
40 immediately succeeding five (5) years. An award of relief shall not
41 preclude a governing body from petitioning the department for
42 additional relief under this chapter after the expiration of the

1 initial period for which relief was granted.

2 (b) A recipient of relief under this chapter shall provide
3 certification to the department on an annual basis that certifies the
4 continued existence of each of the factors listed in section 10(b) of
5 this chapter.

6 (c) The amount of emergency relief ordered under this section
7 may not exceed:

8 (1) the amount the governing body is obligated to pay on
9 obligations during the years for which relief is requested;
10 minus

11 (2) the sum of:

12 (A) the amount, if any, of the special tax levy under section
13 9 of this chapter payable in the years for which relief is
14 requested; and

15 (B) the amount of the remedies available to the governing
16 body under the agreements establishing obligations of the
17 governing body.

18 **Sec. 13. The department may adjust the base assessed value in**
19 **the allocation area.**

20 SECTION 116. IC 6-1.1-26-7 IS ADDED TO THE INDIANA
21 CODE AS A NEW SECTION TO READ AS FOLLOWS

34 (b) **The department of local government finance shall adopt**
35 **rules under subsection (a) to establish a program for the licensure**
36 **of tax representatives (as defined in 50 IAC 15-5-1). The rules**
37 **adopted under this subsection must require:**

38 (1) **an applicant for a license or a license holder to pay an**
39 **annual licensure fee of fifty dollars (\$50); and**

1 (c) Except as provided in subsection ~~(c)~~, (d), a rule adopted under
 2 subsection (a) may not:

3 (1) restrict the ability of a representative to practice before the
 4 property tax assessment board of appeals or the department of
 5 local government finance based on the fact that the representative
 6 is not an attorney admitted to the Indiana bar; or

7 (2) restrict the admissibility of written or oral testimony of a
 8 representative or other witness based upon the manner in which
 9 the representative or other witness is compensated.

10 ~~(c)~~ (d) A rule adopted under subsection (a) may require a
 11 representative in a proceeding before the property tax assessment board
 12 of appeals or the department of local government finance to be an
 13 attorney admitted to the Indiana bar if the matter under consideration
 14 in the proceeding is:

15 (1) an exemption for which an application is required under
 16 IC 6-1.1-11;

17 (2) a claim that taxes are illegal as a matter of law;

18 (3) a claim regarding the constitutionality of an assessment; or

19 (4) any other matter that requires representation that involves the
 20 practice of law.

 22 property tax assessment board of appeals or a matter under
 23 consideration by the department of local government finance before the
 24 adoption of a rule under subsection (a) that establishes new standards
 25 for:

26 (1) the presentation of evidence or testimony; or

27 (2) the practice of representatives.

28 The property tax assessment board of appeals or the department of
 29 local government finance may not dismiss a petition or reject
 30 consideration of a matter solely for failure to comply with the rule
 31 adopted under subsection (a) without providing the petitioner with an
 32 opportunity to present evidence, testimony, or representation in
 33 compliance with the rule.

34 SECTION 118. IC 6-1.1-35.2-3, AS AMENDED BY P.L.198-2001,
 35 SECTION 84, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
 36 JULY 1, 2002]: Sec. 3. (a) Each year the department of local

 40 the county property tax assessment board of appeals. These sessions
 41 must be conducted at the locations described in subsection (b).

42 (b) To ensure that all assessing officials, assessors, and members of

36 **(d)** Any assessing official, county assessor, or member of, and
 37 hearing officers for, the county property tax assessment board of
 38 appeals who attends required sessions is entitled to receive a mileage
 39 allowance and the per diem per session set by the department of local

SECTION 119. IC 6-1.1-39-6 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004]: Sec. 6. (a) An economic development district may be enlarged by the fiscal body by following the same procedure for the creation of an economic development district specified in this chapter. Property taxes that are attributable to the additional area and allocable to the economic development district are not eligible for the property tax replacement credit provided by IC 6-1.1-21-5. However, subject to subsection (c), each taxpayer in an additional area is entitled to an additional credit for ~~property taxes~~ **(as defined in IC 6-1.1-21-2)** that under IC 6-1.1-22-9 are due and payable in May and November of that year. One-half (1/2) of the credit shall be applied to each installment of ~~property taxes~~ **(as defined in IC 6-1.1-21-2)**. This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district in a county that contains all or part of the additional area:

STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A) and IC 6-1.1-21-2(g)(2) that is attributable to the taxing district.

STEP TWO: Divide:

(A) that part of ~~twenty percent (20%) of the county's total county tax levy payable~~ **eligible property tax replacement amount (as defined in IC 6-1.1-21-2)** for that year as determined under IC 6-1.1-21-4 that is attributable to the taxing district; by

(B) the STEP ONE sum.

STEP THREE: Multiply:

(A) the STEP TWO quotient; times

(B) the total amount of the taxpayer's ~~property taxes~~ **(as defined in IC 6-1.1-21-2)** levied in the taxing district that would have been allocated to a special fund under section 5 of this chapter had the additional credit described in this section not been given.

The additional credit reduces the amount of proceeds allocated to the economic development district and paid into a special fund under section 5(a) of this chapter.

(b) If the additional credit under subsection (a) is not reduced under subsection (c) or (d), the credit for property tax replacement under IC 6-1.1-21-5 and the additional credit under subsection (a) shall be computed on an aggregate basis for all taxpayers in a taxing district that contains all or part of an additional area. The credit for property tax replacement under IC 6-1.1-21-5 and the additional credit under

C
o
p
y

1 subsection (a) shall be combined on the tax statements sent to each
2 taxpayer.

3 (c) The county fiscal body may, by ordinance, provide that the
4 additional credit described in subsection (a):

5 (1) does not apply in a specified additional area; or

6 (2) is to be reduced by a uniform percentage for all taxpayers in
7 a specified additional area.

8 (d) Whenever the county fiscal body determines that granting the
9 full additional credit under subsection (a) would adversely affect the
10 interests of the holders of bonds or other contractual obligations that
11 are payable from allocated tax proceeds in that economic development
12 district in a way that would create a reasonable expectation that those
13 bonds or other contractual obligations would not be paid when due, the
14 county fiscal body must adopt an ordinance under subsection (c) to
15 deny the additional credit or reduce the additional credit to a level that
16 creates a reasonable expectation that the bonds or other obligations will
17 be paid when due. An ordinance adopted under subsection (c) denies
18 or reduces the additional credit for ~~property~~ taxes **(as defined in**
19 **IC 6-1.1-21-2)** first due and payable in any year following the year in
20 which the ordinance is adopted.

21 (e) An ordinance adopted under subsection (c) remains in effect
22 until the ordinance is rescinded by the body that originally adopted the
23 ordinance. However, an ordinance may not be rescinded if the
24 rescission would adversely affect the interests of the holders of bonds
25 or other obligations that are payable from allocated tax proceeds in that
26 economic development district in a way that would create a reasonable
27 expectation that the principal of or interest on the bonds or other
28 obligations would not be paid when due. If an ordinance is rescinded
29 and no other ordinance is adopted, the additional credit described in
30 subsection (a) applies to ~~property~~ taxes **(as defined in IC 6-1.1-21-2)**
31 first due and payable in each year following the year in which the
32 resolution is rescinded.

(5) mutual insurance company taxable income (as defined in Section 821(b) of the Internal Revenue Code); or

(6) taxable income (as defined in Section 832 of the Internal Revenue Code);

is also effective for that same taxable year for purposes of determining adjusted gross income under ~~IC 6-3-1-3.5~~ and net income under ~~IC 6-3-8-2(b)~~; **section 3.5 of this chapter.**

SECTION 136. IC 6-3-2-1 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 1. (a) Each taxable year, a tax at the rate of three and four-tenths percent (3.4%) of adjusted gross income is imposed upon the adjusted gross income of every resident person, and on that part of the adjusted gross income derived from sources within Indiana of every nonresident person.

(b) Each taxable year a tax at the rate of ~~three eight~~ and ~~four-tenths~~ **five-tenths** percent (~~3.4%~~) (**8.5%**) of adjusted gross income is imposed on that part of the adjusted gross income derived from sources within Indiana of every corporation.

SECTION 137. IC 6-3-2-2 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 2. (a) With regard to corporations and nonresident persons, "adjusted gross income derived from sources within Indiana", for the purposes of this article, shall mean and include:

(1) income from real or tangible personal property located in this state;

(2) income from doing business in this state;

(3) income from a trade or profession conducted in this state;

(4) compensation for labor or services rendered within this state; and

(5) income from stocks, bonds, notes, bank deposits, patents, copyrights, secret processes and formulas, good will, trademarks, trade brands, franchises, and other intangible personal property if the receipt from the intangible is attributable to Indiana under section 2.2 of this chapter.

In the case of nonbusiness income described in subsection (g), only so much of such income as is allocated to this state under the provisions of subsections (h) through (k) shall be deemed to be derived from sources within Indiana. In the case of business income, only so much of such income as is apportioned to this state under the provision of subsection (b) shall be deemed to be derived from sources within the state of Indiana. In the case of compensation of a team member (as defined in section 2.7 of this chapter) only the portion of income

determined to be Indiana income under section 2.7 of this chapter is considered derived from sources within Indiana. **In the case of a corporation that is a life insurance company (as defined in Section 816(a) of the Internal Revenue Code), or an insurance company that is subject to tax under Section 831 of the Internal Revenue Code, only so much of the income as is apportioned to Indiana under subsection (r) is considered derived from sources within Indiana.**

(b) Except as provided in subsection (l), if business income of a corporation or a nonresident person is derived from sources within the state of Indiana and from sources without the state of Indiana, then the business income derived from sources within this state shall be determined by multiplying the business income derived from sources both within and without the state of Indiana by a fraction, the numerator of which is the property factor plus the payroll factor plus the sales factor, and the denominator of which is three (3). However, after a period of two (2) consecutive quarters of income growth and one (1) additional quarter (regardless of any income growth), the fraction shall be computed as follows:

(1) For all taxable years that begin within the first calendar year immediately following the period, the numerator of the fraction is the sum of the property factor plus the payroll factor plus one hundred thirty-three percent (133%) of the sales factor, and the denominator of the fraction is three and thirty-three hundredths (3.33).

(2) For all taxable years that begin within the second calendar year following the period, the numerator of the fraction is the property factor plus the payroll factor plus one hundred sixty-seven percent (167%) of the sales factor, and the denominator of the fraction is three and sixty-seven hundredths (3.67).

(3) For all taxable years beginning on or after January 1 of the third calendar year following the period, the numerator of the fraction is the property factor plus the payroll factor plus two hundred percent (200%) of the sales factor, and the denominator of the fraction is four (4).

For purposes of this subsection, income growth occurs when the state's nonfarm personal income for a calendar quarter increases in comparison with the state's nonfarm personal income for the immediately preceding quarter at an annualized compound rate of five percent (5%) or more, as determined by the budget agency based on current dollar figures provided by the Bureau of Economic Analysis of the United States Department of Commerce or its successor agency.

C
o
p
y

The annualized compound rate shall be computed in accordance with the formula $(1+N)^4-1$, where N equals the percentage change in the state's current dollar nonfarm personal income from one (1) quarter to the next. As soon as possible after two (2) consecutive quarters of income growth, the budget agency shall advise the department of the growth.

(c) The property factor is a fraction, the numerator of which is the average value of the taxpayer's real and tangible personal property owned or rented and used in this state during the taxable year and the denominator of which is the average value of all the taxpayer's real and tangible personal property owned or rented and used during the taxable year. However, with respect to a foreign corporation, the denominator does not include the average value of real or tangible personal property owned or rented and used in a place that is outside the United States. Property owned by the taxpayer is valued at its original cost. Property rented by the taxpayer is valued at eight (8) times the net annual rental rate. Net annual rental rate is the annual rental rate paid by the taxpayer less any annual rental rate received by the taxpayer from subrentals. The average of property shall be determined by averaging the values at the beginning and ending of the taxable year but the department may require the averaging of monthly values during the taxable year if reasonably required to reflect properly the average value of the taxpayer's property.

(d) The payroll factor is a fraction, the numerator of which is the total amount paid in this state during the taxable year by the taxpayer for compensation, and the denominator of which is the total compensation paid everywhere during the taxable year. However, with respect to a foreign corporation, the denominator does not include compensation paid in a place that is outside the United States. Compensation is paid in this state if:

- (1) the individual's service is performed entirely within the state;
- (2) the individual's service is performed both within and without this state, but the service performed without this state is incidental to the individual's service within this state; or
- (3) some of the service is performed in this state and:
 - (A) the base of operations or, if there is no base of operations, the place from which the service is directed or controlled is in this state; or
 - (B) the base of operations or the place from which the service is directed or controlled is not in any state in which some part of the service is performed, but the individual is a resident of this state.

C
o
p
y

(e) The sales factor is a fraction, the numerator of which is the total sales of the taxpayer in this state during the taxable year, and the denominator of which is the total sales of the taxpayer everywhere during the taxable year. Sales include receipts from intangible property and receipts from the sale or exchange of intangible property. However, with respect to a foreign corporation, the denominator does not include sales made in a place that is outside the United States. Receipts from intangible personal property are derived from sources within Indiana if the receipts from the intangible personal property are attributable to Indiana under section 2.2 of this chapter. Sales of tangible personal property are in this state if:

(1) the property is delivered or shipped to a purchaser, other than the United States government, within this state, regardless of the f.o.b. point or other conditions of the sale; or

(2) the property is shipped from an office, a store, a warehouse, a factory, or other place of storage in this state and:

(A) the purchaser is the United States government; or

(B) the taxpayer is not taxable in the state of the purchaser.

Gross receipts derived from commercial printing as described in IC 6-2.1-2-4 shall be treated as sales of tangible personal property for purposes of this chapter.

(f) Sales, other than receipts from intangible property covered by subsection (e) and sales of tangible personal property, are in this state if:

(1) the income-producing activity is performed in this state; or

(2) the income-producing activity is performed both within and without this state and a greater proportion of the income-producing activity is performed in this state than in any other state, based on costs of performance.

(g) Rents and royalties from real or tangible personal property, capital gains, interest, dividends, or patent or copyright royalties, to the extent that they constitute nonbusiness income, shall be allocated as provided in subsections (h) through (k).

(h)(1) Net rents and royalties from real property located in this state are allocable to this state.

(2) Net rents and royalties from tangible personal property are allocated to this state:

(i) if and to the extent that the property is utilized in this state; or

(ii) in their entirety if the taxpayer's commercial domicile is in this state and the taxpayer is not organized under the laws of or taxable in the state in which the property is utilized.

(3) The extent of utilization of tangible personal property in a state

C
o
p
y

is determined by multiplying the rents and royalties by a fraction, the numerator of which is the number of days of physical location of the property in the state during the rental or royalty period in the taxable year, and the denominator of which is the number of days of physical location of the property everywhere during all rental or royalty periods in the taxable year. If the physical location of the property during the rental or royalty period is unknown or unascertainable by the taxpayer, tangible personal property is utilized in the state in which the property was located at the time the rental or royalty payer obtained possession.

(i)(1) Capital gains and losses from sales of real property located in this state are allocable to this state.

(2) Capital gains and losses from sales of tangible personal property are allocable to this state if:

(i) the property had a situs in this state at the time of the sale; or

(ii) the taxpayer's commercial domicile is in this state and the taxpayer is not taxable in the state in which the property had a situs.

(3) Capital gains and losses from sales of intangible personal property are allocable to this state if the taxpayer's commercial domicile is in this state.

(j) Interest and dividends are allocable to this state if the taxpayer's commercial domicile is in this state.

(k)(1) Patent and copyright royalties are allocable to this state:

(i) if and to the extent that the patent or copyright is utilized by the taxpayer in this state; or

(ii) if and to the extent that the patent or copyright is utilized by the taxpayer in a state in which the taxpayer is not taxable and the taxpayer's commercial domicile is in this state.

(2) A patent is utilized in a state to the extent that it is employed in production, fabrication, manufacturing, or other processing in the state or to the extent that a patented product is produced in the state. If the basis of receipts from patent royalties does not permit allocation to states or if the accounting procedures do not reflect states of utilization, the patent is utilized in the state in which the taxpayer's commercial domicile is located.

(3) A copyright is utilized in a state to the extent that printing or other publication originates in the state. If the basis of receipts from copyright royalties does not permit allocation to states or if the accounting procedures do not reflect states of utilization, the copyright is utilized in the state in which the taxpayer's commercial domicile is located.

(l) If the allocation and apportionment provisions of this article do

C

not fairly represent the taxpayer's income derived from sources within the state of Indiana, the taxpayer may petition for or the department may require, in respect to all or any part of the taxpayer's business activity, if reasonable:

- (1) separate accounting;
- (2) the exclusion of any one (1) or more of the factors;
- (3) the inclusion of one (1) or more additional factors which will fairly represent the taxpayer's income derived from sources within the state of Indiana; or
- (4) the employment of any other method to effectuate an equitable allocation and apportionment of the taxpayer's income.

(m) In the case of two (2) or more organizations, trades, or businesses owned or controlled directly or indirectly by the same interests, the department shall distribute, apportion, or allocate the income derived from sources within the state of Indiana between and among those organizations, trades, or businesses in order to fairly reflect and report the income derived from sources within the state of Indiana by various taxpayers.

(n) For purposes of allocation and apportionment of income under this article, a taxpayer is taxable in another state if:

- (1) in that state the taxpayer is subject to a net income tax, a franchise tax measured by net income, a franchise tax for the privilege of doing business, or a corporate stock tax; or
- (2) that state has jurisdiction to subject the taxpayer to a net income tax regardless of whether, in fact, the state does or does not.

(o) Notwithstanding subsections (l) and (m), the department may not, under any circumstances, require that income, deductions, and credits attributable to a taxpayer and another entity be reported in a combined income tax return for any taxable year, if the other entity is:

- (1) a foreign corporation; or
- (2) a corporation that is classified as a foreign operating corporation for the taxable year by section 2.4 of this chapter.

(p) Notwithstanding subsections (l) and (m), the department may not require that income, deductions, and credits attributable to a taxpayer and another entity not described in subsection (o)(1) or (o)(2) be reported in a combined income tax return for any taxable year, unless the department is unable to fairly reflect the taxpayer's adjusted gross income for the taxable year through use of other powers granted to the department by subsections (l) and (m).

(q) Notwithstanding subsections (o) and (p), one (1) or more taxpayers may petition the department under subsection (l) for

C
o
p

1 permission to file a combined income tax return for a taxable year. The
 2 petition to file a combined income tax return must be completed and
 3 filed with the department not more than thirty (30) days after the end
 4 of the taxpayer's taxable year.

5 **(r) This subsection applies to a corporation that is a life**
 6 **insurance company (as defined in Section 816(a) of the Internal**
 7 **Revenue Code) or an insurance company that is subject to tax**
 8 **under Section 831 of the Internal Revenue Code. The corporation's**
 9 **adjusted gross income that is derived from sources within Indiana**
 10 **is determined by multiplying the corporation's adjusted gross**
 11 **income by a fraction:**

12 (1) the numerator of which is the direct premiums and annuity
 13 considerations received during the taxable year for insurance
 14 upon property or risks in the state; and

15 (2) the denominator of which is the direct premiums and
 16 annuity considerations received during the taxable year for
 17 insurance upon property or risks everywhere.

18 The term "direct premiums and annuity considerations" means the
 19 gross premiums received from direct business as reported in the
 20 corporation's annual statement filed with the department of
 21 insurance.

 23 FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 2.3.
 24 Notwithstanding any other provision of this article, with respect to a
 25 person, corporation, or partnership that has contracted with a
 26 commercial printer for printing:

27 (1) the ownership or leasing by that entity of tangible or intangible
 28 property located at the Indiana premises of the commercial printer;

29 (2) the sale by that entity of property of any kind produced at and
 30 shipped or distributed from the Indiana premises of the commercial
 31 printer;

32 (3) the activities of any kind performed by or on behalf of that
 33 entity at the Indiana premises of the commercial printer; and

34 (4) the activities performed by the commercial printer in Indiana
 35 for or on behalf of that entity;

36 shall not cause that entity to have adjusted gross income derived from
 37 sources within Indiana for purposes of the taxes imposed by this
 38 chapter, ~~and IC 6-3-8~~, unless that entity engages in other activities in
 39 Indiana away from the premises of the commercial printer that exceed
 40 the protection of 15 U.S.C. 381.

section applies to a corporation or a nonresident person, for a particular taxable year, if the taxpayer's adjusted gross income for that taxable year is reduced because of a deduction allowed under Section 172 of the Internal Revenue Code for a net operating loss. For purposes of section 1 of this chapter, the taxpayer's adjusted gross income, for the particular taxable year, derived from sources within Indiana is the remainder determined under STEP FOUR of the following formula:

STEP ONE: Determine, in the manner prescribed in section 2 of this chapter, the taxpayer's adjusted gross income, for the taxable year, derived from sources within Indiana, as calculated without the deduction for net operating losses provided by Section 172 of the Internal Revenue Code.

STEP TWO: Determine, in the manner prescribed in subsection (b), the amount of the taxpayer's net operating losses that are deductible for the taxable year under Section 172 of the Internal Revenue Code, as adjusted to reflect the modifications required by IC 6-3-1-3.5, and that are derived from sources within Indiana.

STEP THREE: Enter the larger of zero (0) or the amount determined under STEP TWO.

STEP FOUR: Subtract the amount entered under STEP THREE from the amount determined under STEP ONE.

(b) For purposes of STEP TWO of subsection (a), the modifications that are to be applied are those modifications required under IC 6-3-1-3.5 for the same taxable year during which each net operating loss was incurred. In addition, for purposes of STEP TWO of subsection (a), the amount of a taxpayer's net operating losses that are derived from sources within Indiana shall be determined in the same manner that the amount of the taxpayer's income derived from sources within Indiana is determined, under section 2 of this chapter, for the same taxable year during which each loss was incurred. Also, for purposes of STEP TWO of subsection (a), the following procedures apply:

(1) The taxpayer's net operating loss for a particular taxable year shall be treated as a positive number.

(2) A modification that is to be added to federal adjusted gross income or federal taxable income under IC 6-3-1-3.5 shall be treated as a negative number.

(3) A modification that is to be subtracted from federal adjusted gross income or federal taxable income under IC 6-3-1-3.5 shall be treated as a positive number.

(4) A net operating loss under this section shall be considered even though in the year the taxpayer incurred the loss the

1 taxpayer was not subject to the tax imposed under section 1 of
2 this chapter because the taxpayer was:

3 (A) a life insurance company (as defined in Section 816(a) of
4 the Internal Revenue Code); or

5 (B) an insurance company subject to tax under Section 831
6 of the Internal Revenue Code.

7 SECTION 140. IC 6-3-2-2.8 IS AMENDED TO READ AS
8 FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 2.8.
9 Notwithstanding any provision of IC 6-3-1 through IC 6-3-7, there shall
10 be no tax on the adjusted gross income of the following:

11 (1) Any organization described in Section 501(a) of the Internal
12 Revenue Code, except that any income of such organization which
13 is subject to income tax under the Internal Revenue Code shall be
14 subject to the tax under IC 6-3-1 through IC 6-3-7.

15 (2) Any corporation which is exempt from income tax under
16 Section 1363 of the Internal Revenue Code and which complies

18 corporation described under this subdivision that is subject to
19 income tax under the Internal Revenue Code is subject to the tax
20 under IC 6-3-1 through IC 6-3-7. A corporation will not lose its
21 exemption under this section because it fails to comply with
22 IC 6-3-4-13 but it will be subject to the penalties provided by
23 IC 6-8.1-10.

24 (3) Banks and trust companies, national banking associations,
25 savings banks, building and loan associations, and savings and
26 loan associations.

35 otherwise provided in subsection (b), income is not exempt from the
36 adjusted gross income tax ~~or the supplemental net income tax~~, under
37 section 2.8(1) of this chapter if the income is derived by the exempt
38 organization from an unrelated trade or business, as defined in Section
39 513 of the Internal Revenue Code.

40 (b) This section does not apply to:

41 (1) the United States government;

SECTION 142. IC 6-3-2-6, AS AMENDED BY P.L.14-1999, SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004]: Sec. 6. (a) Each taxable year, an individual who rents a dwelling for use as ~~his~~ **the individual's** principal place of residence may deduct from ~~his~~ **the individual's** adjusted gross income (as defined in IC 6-3-1-3.5(a)), the lesser of:

(1) the amount of rent paid by ~~him~~ **the individual** with respect to the dwelling during the taxable year; or

(2) ~~two four~~ thousand dollars (~~\$2,000~~): **(\$4,000)**.

(b) Notwithstanding subsection (a), a husband and wife filing a joint adjusted gross income tax return for a particular taxable year may not claim a deduction under this section of more than ~~two four~~ thousand dollars (~~\$2,000~~): **(\$4,000)**.

(c) The deduction provided by this section does not apply to an individual who rents a dwelling that is exempt from Indiana property tax.

(d) For purposes of this section, a "dwelling" includes a single family dwelling and unit of a multi-family dwelling.

SECTION 143. IC 6-3-2-14 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2002]: Sec. 14. **(a) Except as provided in subsection (b),** prize money received from a winning lottery ticket purchased under IC 4-30 is exempt from the adjusted gross income tax ~~and supplemental net income tax~~ imposed by this article.

(b) Prize money that is received from a winning lottery ticket purchased under IC 4-30 is not exempt from the adjusted gross income tax imposed by this article if the total value of the prize is equal to or greater than one thousand two hundred dollars (\$1,200).

SECTION 144. IC 6-3-3-2 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 2. **(a) This section applies to a taxpayer other than a public utility (as defined in IC 6-2.1-1-9.5).**

1 SECTION 145. IC 6-3-4-4.1 IS AMENDED TO READ AS
 2 FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 4.1. (a) This
 3 section applies to taxable years beginning after December 31, 1993.

4 (b) Any individual required by the Internal Revenue Code to file
 5 estimated tax returns and to make payments on account of such
 6 estimated tax shall file estimated tax returns and make payments of the
 7 tax imposed by this article to the department at the time or times and
 8 in the installments as provided by Section 6654 of the Internal Revenue
 9 Code. However, in applying Section 6654 of the Internal Revenue Code
 10 for the purposes of this article, "estimated tax" means the amount
 11 which the individual estimates as the amount of the adjusted gross
 12 income tax imposed by this article for the taxable year, minus the
 13 amount which the individual estimates as the sum of any credits against
 14 the tax provided by IC 6-3-3.

15 (c) Every individual who has **adjusted** gross income subject to the
 16 tax imposed by this article and from which tax is not withheld under
 17 the requirements of section 8 of this chapter shall make a declaration
 18 of estimated tax for the taxable year. However, no such declaration
 19 shall be required if the estimated tax can reasonably be expected to be
 20 less than four hundred dollars (\$400). In the case of an underpayment
 21 of the estimated tax as provided in Section 6654 of the Internal
 22 Revenue Code, there shall be added to the tax a penalty in an amount
 23 prescribed by IC 6-8.1-10-2.1(b).

24 (d) Every corporation subject to the adjusted gross income tax
 25 liability imposed by IC 6-3 shall be required to report and pay an
 26 estimated tax equal to twenty-five percent (25%) of such corporation's
 27 estimated adjusted gross income tax liability for the taxable year less
 28 the credit allowed by IC 6-3-3-2 for the tax imposed on gross income.
 29 Such estimated payment shall be made at the same time and in
 30 conjunction with the reporting of gross income tax as provided for in
 31 ~~IC 6-2.1-5~~. **A taxpayer who uses a taxable year that ends on**
 32 **December 31 shall file the taxpayer's estimated adjusted gross**
 33 **income tax returns and pay the tax to the department on or before**
 34 **April 20, June 20, September 20, and December 20 of the taxable**
 35 **year. If a taxpayer uses a taxable year that does not end on**
 36 **December 31, the due dates for filing estimated adjusted gross**
 37 **income tax returns and paying the tax are on or before the**
 38 **twentieth day of the fourth, sixth, ninth, and twelfth months of the**
 39 **taxpayer's taxable year.** The department shall prescribe the manner
 40 and forms for such reporting and payment.

41 (e) The penalty prescribed by IC 6-8.1-10-2.1(b) shall be assessed by
 42 the department on corporations failing to make payments as required

C
o
p
y

in subsection (d) or (g). However, no penalty shall be assessed as to any estimated payments of adjusted gross income tax plus ~~supplemental net income tax~~ plus gross income tax which equal or exceed:

(1) twenty percent (20%) of the final tax liability for such taxable year; or

(2) twenty-five percent (25%) of the final tax liability for the taxpayer's previous taxable year.

In addition, the penalty as to any underpayment of tax on an estimated return shall only be assessed on the difference between the actual amount paid by the corporation on such estimated return and twenty-five percent (25%) of ~~the sum of the corporation's final adjusted gross income tax plus supplemental net income tax~~ liability for such taxable year.

(f) The provisions of subsection (d) requiring the reporting and estimated payment of adjusted gross income tax shall be applicable only to corporations having an adjusted gross income tax liability which, after application of the credit allowed by IC 6-3-3-2, shall exceed one thousand dollars (\$1,000) for its taxable year.

(g) If the department determines that a corporation's:

(1) estimated quarterly adjusted gross income tax liability for the current year; or

(2) average estimated quarterly adjusted gross income tax liability for the preceding year;

exceeds, before January 1, 1998, twenty thousand dollars (\$20,000), and, after December 31, 1997, ten thousand dollars (\$10,000), after the credit allowed by IC 6-3-3-2, the corporation shall pay the estimated adjusted gross income taxes due by electronic funds transfer (as defined in IC 4-8.1-2-7) or by delivering in person or overnight by courier a payment by cashier's check, certified check, or money order to the department. The transfer or payment shall be made on or before the date the tax is due.

(h) If a corporation's adjusted gross income tax payment is made by electronic funds transfer, the corporation is not required to file an estimated adjusted gross income tax return.

SECTION 146. IC 6-3-4-8 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 8. (a) Except as provided in subsection (d) **or (l)**, every employer making payments of wages subject to tax under ~~IC 6-3~~, **this article**, regardless of the place where such payment is made, who is required under the provisions of the Internal Revenue Code to withhold, collect, and pay over income tax on wages paid by such employer to such employee, shall, at the time of

C
o

1 payment of such wages, deduct and retain therefrom the amount
 2 prescribed in withholding instructions issued by the department. The
 3 department shall base its withholding instructions on the adjusted gross
 4 income tax rate for persons, on the total rates of any income taxes that
 5 the taxpayer is subject to under IC 6-3.5, and on the total amount of
 6 exclusions the taxpayer is entitled to under IC 6-3-1-3.5(a)(3) and
 7 IC 6-3-1-3.5(a)(4). Such employer making payments of any wages:

8 (1) shall be liable to the state of Indiana for the payment of the tax
 9 required to be deducted and withheld under this section and shall
 10 not be liable to any individual for the amount deducted from ~~his~~
 11 **the individual's** wages and paid over in compliance or intended
 12 compliance with this section; and

13 (2) shall make return of and payment to the department monthly of
 14 the amount of tax which under ~~IC 6-3~~ **this article** and IC 6-3.5 ~~he~~
 15 **the employer** is required to withhold.

16 (b) An employer shall pay taxes withheld under subsection (a) during
 17 a particular month to the department no later than thirty (30) days after
 18 the end of that month. However, in place of monthly reporting periods,
 19 the department may permit an employer to report and pay the tax for:

20 (1) a calendar year reporting period, if the average monthly amount
 21 of all tax required to be withheld by the employer in the previous
 22 calendar year does not exceed ten dollars (\$10);

1 **Sec. 3. As used in this chapter, "pass through entity" means:**

- 2 (1) a corporation that is exempt from the adjusted gross
3 income tax under IC 6-3-2-2.8(2);
4 (2) a partnership;
5 (3) a limited liability company; or
6 (4) a limited liability partnership.

7 **Sec. 4. As used in this chapter, "qualifying project" means the**
8 **relocation of the corporate headquarters of an eligible business**
9 **from a location outside Indiana to a location in Indiana.**

10 **Sec. 5. As used in this chapter, "relocation costs" means the**
11 **reasonable and necessary expenses incurred by an eligible business**
12 **for a qualifying project. The term includes:**

- 13 (1) moving costs and related expenses;
14 (2) the purchase of new or replacement equipment;
15 (3) capital investment costs; and
16 (4) property assembly and development costs, including:
17 (A) the purchase, lease, or construction of buildings and
18 land;
19 (B) infrastructure improvements; and
20 (C) site development costs.

21 **The term does not include any costs that do not directly result from**
22 **the relocation of the business to a location in Indiana.**

23 **Sec. 6. As used in this chapter, "state tax liability" means a**
24 **taxpayer's total tax liability that is incurred under:**

- 25 (1) IC 6-2.1 (the gross income tax);
26 (2) IC 6-2.5 (state gross retail and use tax);
27 (3) IC 6-3-1 through IC 6-3-7 (the adjusted gross income tax);

32 **chapter.**

33 **Sec. 7. As used in this chapter, "taxpayer" means an individual**

35 **Sec. 8. A taxpayer that:**

39 **is entitled to a credit against the person's state tax liability for the**
40 **taxable year in which the relocation costs are incurred. The credit**
41 **allowed under this section is equal to the amount determined under**
42 **section 9 of this chapter.**

C
O
P
Y

1 **Sec. 9. (a)** Subject to subsection (b), the amount of the credit to
2 which a taxpayer is entitled under section 8 of this chapter equals
3 the product of:

4 (1) fifty percent (50%); multiplied by

5 (2) the amount of the taxpayer's relocation costs in the taxable
6 year.

7 **(b)** The credit to which a taxpayer is entitled under section 8 of
8 this chapter may not reduce the taxpayer's state tax liability below
9 the amount of the taxpayer's state tax liability in the taxable year
10 immediately preceding the taxable year in which the taxpayer first
11 incurred relocation costs.

12 **Sec. 10.** If a pass through entity is entitled to a credit under
13 section 8 of this chapter but does not have state tax liability against
14 which the tax credit may be applied, a shareholder, partner, or
15 member of the pass through entity is entitled to a tax credit equal
16 to:

17 (1) the tax credit determined for the pass through entity for the
18 taxable year; multiplied by

19 (2) the percentage of the pass through entity's distributive
20 income to which the shareholder, partner, or member is
21 entitled.

22 **Sec. 11.** The total value of a tax credit under this chapter shall be
23 divided equally over ten (10) years, beginning with the year in
24 which the credit is granted. If the amount of credit provided under
25 this chapter for a taxpayer in a taxable year exceeds the taxpayer's
26 state tax liability for that taxable year, the taxpayer may carry the
27 excess over to subsequent taxable years. The amount of the credit
28 carryover from a taxable year shall be reduced to the extent that
29 the carryover is used by the taxpayer to obtain a credit under this
30 chapter for any subsequent taxable year.

31 **Sec. 12.** To receive the credit provided by this chapter, a taxpayer
32 must claim the credit on the taxpayer's state tax return or returns
33 in the manner prescribed by the department. The taxpayer shall
34 submit to the department proof of the taxpayer's relocation costs
35 and all information that the department determines is necessary
36 for the calculation of the credit provided by this chapter.

37 **Sec. 13.** In determining whether an expense of the eligible
38 business directly resulted from the relocation of the business, the
39 department shall consider whether the expense would likely have
40 been incurred by the eligible business if the business had not
41 relocated from its original location.

42 SECTION 189. IC 6-3.5-1.1-15, AS AMENDED BY P.L.120-2002,

SECTION 2, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2002]: Sec. 15. (a) As used in this section, "attributed levy" of a civil taxing unit means the sum of:

(1) the ad valorem property tax levy of the civil taxing unit that is currently being collected at the time the allocation is made; plus

(2) the current ad valorem property tax levy of any special taxing district, authority, board, or other entity formed to discharge governmental services or functions on behalf of or ordinarily attributable to the civil taxing unit; plus

(3) the amount of federal revenue sharing funds and certified shares that were used by the civil taxing unit (or any special taxing district, authority, board, or other entity formed to discharge governmental services or functions on behalf of or ordinarily attributable to the civil taxing unit) to reduce its ad valorem property tax levies below the limits imposed by IC 6-1.1-18.5; plus

(4) in the case of a county, an amount equal to

~~(A) the property taxes imposed by the county in 1999 for the county's welfare fund and welfare administration fund. plus~~

~~(B) after December 31, 2004, the greater of zero (0) or the difference between:~~

~~(i) the county hospital care for the indigent property tax levy imposed by the county in 2004, adjusted each year after 2004 by the statewide average assessed value growth quotient described in IC 12-16-14-3; minus~~

~~(ii) the current uninsured parents program property tax levy imposed by the county.~~

(b) The part of a county's certified distribution that is to be used as certified shares shall be allocated only among the county's civil taxing units. Each civil taxing unit of a county is entitled to receive a percentage of the certified shares to be distributed in the county equal to the ratio of its attributed levy to the total attributed levies of all civil taxing units of the county.

(c) The local government tax control board established by IC 6-1.1-18.5-11 shall determine the attributed levies of civil taxing units that are entitled to receive certified shares during a calendar year. If the ad valorem property tax levy of any special taxing district, authority, board, or other entity is attributed to another civil taxing unit under subsection (b)(2), then the special taxing district, authority, board, or other entity shall not be treated as having an attributed levy of its own. The local government tax control board shall certify the attributed levy amounts to the appropriate county auditor. The county auditor shall then allocate the certified shares among the civil taxing

units of the auditor's county.

(d) Certified shares received by a civil taxing unit shall be treated as additional revenue for the purpose of fixing its budget for the calendar year during which the certified shares will be received. The certified shares may be allocated to or appropriated for any purpose, including property tax relief or a transfer of funds to another civil taxing unit whose levy was attributed to the civil taxing unit in the determination of its attributed levy.

SECTION 190. IC 6-3.5-6-17.6, AS AMENDED BY P.L.120-2002, SECTION 3, AND AS AMENDED BY P.L.178-2002, SECTION 66, IS CORRECTED AND IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2002]: Sec. 17.6. (a) This section applies to a county containing a consolidated city.

(b) On or before July ~~15~~ 2 of each year, the budget agency shall make the following calculation:

STEP ONE: Determine the cumulative balance in a county's account established under section 16 of this chapter as of the end of the current calendar year.

STEP TWO: Divide the amount estimated under section 17(b) of this chapter before any adjustments are made under section 17(c) or 17(d) of this chapter by twelve (12).

STEP THREE: Multiply the STEP TWO amount by three (3).

STEP FOUR: Subtract the amount determined in STEP THREE from the amount determined in STEP ONE.

(c) For 1995, the budget agency shall certify the STEP FOUR amount to the county auditor on or before July 15, 1994. Not later than January 31, 1995, the auditor of state shall distribute the STEP FOUR amount to the county auditor to be used to retire outstanding obligations for a qualified economic development tax project (as defined in IC 36-7-27-9).

(d) After 1995, the STEP FOUR amount shall be distributed to the county auditor in January of the ensuing calendar year. The STEP FOUR amount shall be distributed by the county auditor to the civil taxing units within thirty (30) days after the county auditor receives the distribution. Each civil taxing unit's share equals the STEP FOUR amount multiplied by the quotient of:

(1) the maximum permissible property tax levy under IC 6-1.1-18.5 for the civil taxing unit, plus, for a county, an amount equal to

~~(A) the property taxes imposed by the county in 1999 for the county's welfare administration fund; plus~~

(ii) the current uninsured parents program property tax levy imposed by the county; divided by

(2) the sum of the maximum permissible property tax levies under IC 6-1.1-18.5 for all civil taxing units of the county, plus an amount equal to

(A) the property taxes imposed by the county in 1999 for the county's welfare administration fund. plus

(B) after December 31, 2002; 2004; the greater of zero (0) or the difference between:

(ii) the current uninsured parents program property tax levy imposed by the county.

SECTION 191. IC 6-3.5-6-18, AS AMENDED BY P.L.120-2002, SECTION 4, AND AS AMENDED BY P.L.90-2002, SECTION 296, IS CORRECTED AND IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2002]: Sec. 18. (a) The revenue a county auditor receives under this chapter shall be used to:

- (1) replace the amount, if any, of property tax revenue lost due to the allowance of an increased homestead credit within the county;
- (2) fund the operation of a public communications system and computer facilities district as provided in an election, if any, made by the county fiscal body under IC 36-8-15-19(b);
- (3) fund the operation of a public transportation corporation as provided in an election, if any, made by the county fiscal body under IC 36-9-4-42;
- (4) make payments permitted under IC 36-7-15.1-17.5;
- (5) make payments permitted under subsection (i); and
- (6) make distributions of distributive shares to the civil taxing units of a county.

(b) The county auditor shall retain from the payments of the county's certified distribution, an amount equal to the revenue lost, if any, due to the increase of the homestead credit within the county. This money shall be distributed to the civil taxing units and school corporations of the county as though they were property tax collections and in such a manner that no civil taxing unit or school corporation shall suffer a net

revenue loss due to the allowance of an increased homestead credit.

(c) The county auditor shall retain the amount, if any, specified by the county fiscal body for a particular calendar year under subsection (i), IC 36-7-15.1-17.5, IC 36-8-15-19(b), and IC 36-9-4-42 from the county's certified distribution for that same calendar year. The county auditor shall distribute amounts retained under this subsection to the county.

(d) All certified distribution revenues that are not retained and distributed under subsections (b) and (c) shall be distributed to the civil taxing units of the county as distributive shares.

(e) The amount of distributive shares that each civil taxing unit in a county is entitled to receive during a month equals the product of the following:

(1) The amount of revenue that is to be distributed as distributive shares during that month; multiplied by

(2) A fraction. The numerator of the fraction equals the total property taxes that are first due and payable to the civil taxing unit during the calendar year in which the month falls, plus, for a county, an amount equal to the property taxes imposed by the county in 1999 for the county's welfare fund and welfare administration fund. ~~and after December 31, 2002, 2004, the greater of zero (0) or the difference between the county hospital care for the indigent property tax levy imposed by the county in 2002, 2004, adjusted each year after 2002 2004 by the statewide average assessed value growth quotient described in IC 12-16-14-3, minus the current uninsured parents program property tax levy imposed by the county.~~ The denominator of the fraction equals the sum of the total property taxes that are first due and payable to all civil taxing units of the county during the calendar year in which the month falls, plus an amount equal to the property taxes imposed by the county in 1999 for the county's welfare fund and welfare administration fund. ~~and after December 31, 2002, 2004, the greater of zero (0) or the difference between the county hospital care for the indigent property tax levy imposed by the county in 2002, 2004, adjusted each year after 2002 2004 by the statewide average assessed value growth quotient described in IC 12-16-14-3, minus the current uninsured parents program property tax levy imposed by the county.~~

(f) The *state board of tax commissioners department of local government finance* shall provide each county auditor with the fractional amount of distributive shares that each civil taxing unit in the auditor's county is entitled to receive monthly under this section.

C

(g) Notwithstanding subsection (e), if a civil taxing unit of an adopting county does not impose a property tax levy that is first due and payable in a calendar year in which distributive shares are being distributed under this section, that civil taxing unit is entitled to receive a part of the revenue to be distributed as distributive shares under this section within the county. The fractional amount such a civil taxing unit is entitled to receive each month during that calendar year equals the product of the following:

(1) The amount to be distributed as distributive shares during that month; multiplied by

(2) A fraction. The numerator of the fraction equals the budget of that civil taxing unit for that calendar year. The denominator of the fraction equals the aggregate budgets of all civil taxing units of that county for that calendar year.

(h) If for a calendar year a civil taxing unit is allocated a part of a county's distributive shares by subsection (g), then the formula used in subsection (e) to determine all other civil taxing units' distributive shares shall be changed each month for that same year by reducing the amount to be distributed as distributive shares under subsection (e) by the amount of distributive shares allocated under subsection (g) for that same month. The ~~state board of tax commissioners~~ department of local government finance shall make any adjustments required by this subsection and provide them to the appropriate county auditors.

(i) Notwithstanding any other law, a county fiscal body may pledge revenues received under this chapter to the payment of bonds or lease rentals to finance a qualified economic development tax project under IC 36-7-27 in that county or in any other county if the county fiscal body determines that the project will promote significant opportunities for the gainful employment or retention of employment of the county's residents.

(b) Notwithstanding section 18(e) of this chapter, the distributive shares that each civil taxing unit in a county containing a consolidated city is entitled to receive during a month equals the following:

(c) This subsection applies to a county council or county income tax council that imposes a tax under this chapter after June 1, 1992. The body imposing the tax may adopt an ordinance before July 1 of a year to provide for the distribution of certified distributions under this subsection instead of a distribution under subsection (b). The following apply if an ordinance is adopted under this subsection:

(1) The ordinance is effective January 1 of the following year.

(2) The amount of the certified distribution that the county and each city and town in the county is entitled to receive during May and November of each year equals the product of:

(A) the amount of the certified distribution for the month; multiplied by

(B) a fraction. For a city or town, the numerator of the fraction equals the population of the city or the town. - 1 of all cities and towns located in the county and the population
 2 of the part of the county that is not located in a city or town.
- 3 (3) The ordinance may be made irrevocable for the duration of
 4 specified lease rental or debt service payments.
- 5 (d) The body imposing the tax may not adopt an ordinance under
 6 subsection (c) if, before the adoption of the proposed ordinance, any of
 7 the following have pledged the county economic development income
 8 tax for any purpose permitted by IC 5-1-14 or any other statute:
- 9 (1) The county.
 10 (2) A city or town in the county.
 11 (3) A commission, a board, a department, or an authority that is

- 14 (e) The *state board of tax commissioners department of local*
 15 *government finance* shall provide each county auditor with the
 16 fractional amount of the certified distribution that the county and each
 17 city or town in the county is entitled to receive under this section.
- 18 (f) Money received by a county, city, or town under this section
 19 shall be deposited in the unit's economic development income tax fund.
- 20 (g) Except as provided in subsection (b)(2)(B), in determining the
 21 fractional amount of the certified distribution the county and its cities
 22 and towns are entitled to receive under subsection (b) during a calendar
 23 year, the *state board of tax commissioners department of local*
 24 *government finance* shall consider only property taxes imposed on
 25 tangible property subject to assessment in that county.
- 26 (h) In a county having a consolidated city, only the consolidated city
 27 is entitled to the certified distribution, subject to the requirements of
 28 section 15 of this chapter.

 33 than sixty-five thousand (65,000).
- 34 (b) The county council may by ordinance determine that, in order to
 35 promote the development of libraries in the county and thereby
 36 encourage economic development, it is necessary to use economic
 37 development income tax revenue to replace library property taxes in
 38 the county. However, a county council may adopt an ordinance under

development income tax revenue generated by the tax rate adopted under section 5 of this chapter, or revenue generated by a portion of the tax rate, as revenue that will be used to replace public library property taxes imposed by public libraries in the county. The county council may not designate for library property tax replacement purposes any county economic development income tax revenue that is generated by a tax rate of more than fifteen-hundredths percent (0.15%).

(d) The county treasurer shall establish a library property tax replacement fund to be used only for the purposes described in this section. County economic development income tax revenues derived from the portion of the tax rate designated for property tax replacement credits under subsection (c) shall be deposited in the library property tax replacement fund before certified distributions are made under section 12 of this chapter. Any interest earned on money in the library property tax replacement fund shall be credited to the library property tax replacement fund.

(e) The amount of county economic development income tax revenue dedicated to providing library property tax replacement credits shall, in the manner prescribed in this section, be allocated to public libraries operating in the county and shall be used by those public libraries as property tax replacement credits. The amount of property tax replacement credits that each public library in the county is entitled to receive during a calendar year under this section equals the lesser of:

(1) the product of:

(A) the amount of revenue deposited by the county auditor in the library property tax replacement fund; multiplied by

(B) a fraction described as follows:

(i) The numerator of the fraction equals the sum of the total property taxes that would have been collected by the public library during the previous calendar year from taxpayers located within the library district if the property tax replacement under this section had not been in effect.

(ii) The denominator of the fraction equals the sum of the total property taxes that would have been collected during the previous year from taxpayers located within the county by all public libraries that are eligible to receive property tax replacement credits under this section if the property tax replacement under this section had not been in effect; or

(2) the total property taxes that would otherwise be collected by the public library for the calendar year if the property tax replacement credit under this section were not in effect.

The department of local government finance shall make any

C

p

adjustments necessary to account for the expansion of a library district. However, a public library is eligible to receive property tax replacement credits under this section only if it has entered into reciprocal borrowing agreements with all other public libraries in the county. If the total amount of county economic development income tax revenue deposited by the county auditor in the library property tax replacement fund for a calendar year exceeds the total property tax liability that would otherwise be imposed for public libraries in the county for the year, the excess shall remain in the library property tax replacement fund and shall be used for library property tax replacement purposes in the following calendar year.

(f) Notwithstanding subsection (e), if a public library did not impose a property tax levy during the previous calendar year, that public library is entitled to receive a part of the property tax replacement credits to be distributed for the calendar year. The amount of property tax replacement credits the public library is entitled to receive during the calendar year equals the product of:

- (1) the amount of revenue deposited in the library property tax replacement fund; multiplied by
- (2) a fraction. The numerator of the fraction equals the budget of the public library for that calendar year. The denominator of the fraction equals the aggregate budgets of public libraries in the county for that calendar year.

If for a calendar year a public library is allocated a part of the property tax replacement credits under this subsection, then the amount of property tax credits distributed to other public libraries in the county for the calendar year shall be reduced by the amount to be distributed as property tax replacement credits under this subsection. The department of local government finance shall make any adjustments required by this subsection and provide the adjustments to the county auditor.

(g) The department of local government finance shall inform the county auditor of the amount of property tax replacement credits that each public library in the county is entitled to receive under this section. The county auditor shall certify to each public library the amount of property tax replacement credits that the public library is entitled to receive during that calendar year. The county auditor shall also certify these amounts to the county treasurer.

(h) A public library receiving property tax replacement credits under this section shall allocate the credits among each fund for which a distinct property tax levy is imposed. The amount that must be allocated to each fund equals:

C
o
p
y

1 (1) the amount of property tax replacement credits provided to the
2 public library under this section; multiplied by

3 (2) the amount determined in STEP THREE of the following
4 formula:

5 STEP ONE: Determine the property taxes that would have
6 been collected for each fund by the public library during the
7 previous calendar year if the property tax replacement under
8 this section had not been in effect.

9 STEP TWO: Determine the sum of the total property taxes that
10 would have been collected for all funds by the public library
11 during the previous calendar year if the property tax
12 replacement under this section had not been in effect.

13 STEP THREE: Divide the STEP ONE amount by the STEP
14 TWO amount.

15 However, if a public library did not impose a property tax levy during
16 the previous calendar year or did not impose a property tax levy for a
17 particular fund during the previous calendar year, but the public library
18 is imposing a property tax levy in the current calendar year or is
19 imposing a property tax levy for the particular fund in the current
20 calendar year, the department of local government finance shall adjust
21 the amount of property tax replacement credits allocated among the
22 various funds of the public library and shall provide the adjustment to
23 the county auditor. If a public library receiving property tax
24 replacement credits under this section does not impose a property tax
25 levy for a particular fund that is first due and payable in a calendar year
26 in which the property tax replacement credits are being distributed, the
27 public library is not required to allocate to that fund a part of the
28 property tax replacement credits to be distributed to the public library.
29 Notwithstanding IC 6-1.1-20-1.1(1), a public library that receives
30 property tax replacement credits under this section is subject to the
31 procedures for the issuance of bonds set forth in IC 6-1.1-20.

32 (i) For each public library that receives property tax credits under
33 this section, the department of local government finance shall certify
34 to the county auditor the property tax rate applicable to each fund after
35 the property tax replacement credits are allocated.

36 (j) A public library shall treat property tax replacement credits
37 received during a particular calendar year under this section as a part
38 of the public library's property tax levy for each fund for that same
39 calendar year for purposes of fixing the public library's budget and for
40 purposes of the property tax levy limits imposed by IC 6-1.1-18.5.

41 (k) The property tax replacement credits that are received under this
42 section do not reduce the total county tax levy that is used to compute

C
o
p

the state property tax replacement credit under IC 6-1.1-21. For the purpose of computing and distributing certified distributions under IC 6-3.5-1.1 and tax revenue under ~~IC 6-5-10~~, ~~IC 6-5-11~~, ~~IC 6-5-12~~, IC 6-5.5 or IC 6-6-5, the property tax replacement credits that are received under this section shall be treated as though they were property taxes that were due and payable during that same calendar year.

SECTION 195. IC 6-5.5-1-2 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2002 (RETROACTIVE)]:
Sec. 2. (a) Except as provided in subsections (b) through (d), "adjusted gross income" means taxable income as defined in Section 63 of the Internal Revenue Code, adjusted as follows:

(B) An amount equal to a deduction allowed or allowable under Section 170 of the Internal Revenue Code.

(C) An amount equal to a deduction or deductions allowed or allowable under Section 63 of the Internal Revenue Code for taxes based on or measured by income and levied at the state level by a state of the United States or levied at the local level by any subdivision of a state of the United States.

(D) The amount of interest excluded under Section 103 of the Internal Revenue Code or under any other federal law, minus the associated expenses disallowed in the computation of taxable income under Section 265 of the Internal Revenue Code.

(F) For a taxpayer that is not a large bank (as defined in Section 585(c)(2) of the Internal Revenue Code), an amount equal to the recovery of a debt, or part of a debt, that becomes worthless to the extent a deduction was allowed from gross income in a prior taxable year under Section 166(a) of the Internal Revenue Code.

(G) For taxable years beginning after December 31, 2001, and before January 1, 2005, add an amount equal to a deduction or deductions allowed or allowable under Section 63 of the Internal Revenue Code for taxes on property levied by a state or subdivision of a state of the

United States.

(2) Subtract the following amounts:

(A) Income that the United States Constitution or any statute of the United States prohibits from being used to measure the tax imposed by this chapter.

(B) Income that is derived from sources outside the United States, as defined by the Internal Revenue Code.

(C) An amount equal to a debt or part of a debt that becomes worthless, as permitted under Section 166(a) of the Internal Revenue Code.

(D) An amount equal to any bad debt reserves that are included in federal income because of accounting method changes required by Section 585(c)(3)(A) or Section 593 of the Internal Revenue Code.

(b) In the case of a credit union, "adjusted gross income" for a taxable year means the total transfers to undivided earnings minus dividends for that taxable year after statutory reserves are set aside under IC 28-7-1-24.

(c) In the case of an investment company, "adjusted gross income" means the company's federal taxable income multiplied by the quotient of:

(1) the aggregate of the gross payments collected by the company during the taxable year from old and new business upon investment contracts issued by the company and held by residents of Indiana; divided by

(2) the total amount of gross payments collected during the taxable year by the company from the business upon investment contracts issued by the company and held by persons residing within Indiana and elsewhere.

(d) As used in subsection (c), "investment company" means a person, copartnership, association, limited liability company, or corporation, whether domestic or foreign, that:

(1) is registered under the Investment Company Act of 1940 (15 U.S.C. 80a-1 et seq.); and

(2) solicits or receives a payment to be made to itself and issues in exchange for the payment:

(A) a so-called bond;

(B) a share;

(C) a coupon;

(D) a certificate of membership;

(E) an agreement;

(F) a pretended agreement; or

C

(G) other evidences of obligation;
 entitling the holder to anything of value at some future date, if the
 gross payments received by the company during the taxable year
 on outstanding investment contracts, plus interest and dividends
 earned on those contracts (by prorating the interest and dividends
 earned on investment contracts by the same proportion that
 certificate reserves (as defined by the Investment Company Act
 of 1940) is to the company's total assets) is at least fifty percent
 (50%) of the company's gross payments upon investment
 contracts plus gross income from all other sources except
 dividends from subsidiaries for the taxable year. The term
 "investment contract" means an instrument listed in clauses (A)
 through (G).

SECTION 196. IC 6-5.5-1-18, AS AMENDED BY P.L.129-2001,
 SECTION 8, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
 JANUARY 1, 2002 (RETROACTIVE)]: Sec. 18. (a) "Unitary
 business" means business activities or operations that are of mutual
 benefit, dependent upon, or contributory to one another, individually
 or as a group, in transacting the business of a financial institution. The
 term may be applied within a single legal entity or between multiple
 entities and without regard to whether each entity is a corporation, a
 partnership, a limited liability company, or a trust, provided that each
 member is either a holding company, a regulated financial corporation,
 a subsidiary of either, a corporation that conducts the business of a
 financial institution under IC 6-5.5-1-17(d)(2), or any other entity,
 regardless of its form, that conducts activities that would constitute the
 business of a financial institution under IC 6-5.5-1-17(d)(2) if the
 activities were conducted by a corporation. The term "unitary group"
 includes those entities that are engaged in a unitary business transacted
 wholly or partially within Indiana, ~~However, the term does not include~~
including an entity that does not transact business in Indiana.

(b) Unity is presumed whenever there is unity of ownership,
 operation, and use evidenced by centralized management or executive
 force, centralized purchasing, advertising, accounting, or other
 controlled interaction among entities that are members of the unitary
 group, as described in subsection (a). However, the absence of these
 centralized activities does not necessarily evidence a nonunitary
 business.

(c) Unity of ownership, when a corporation is involved, does not
 exist unless that corporation is a member of a group of two (2) or more
 business entities and more than fifty percent (50%) of the voting stock
 of each member of the group is directly or indirectly owned by:

C

(1) a common owner or common owners, either corporate or noncorporate; or

(2) one (1) or more of the member corporations of the group.

SECTION 197. IC 6-5.5-8-2, AS AMENDED BY P.L.90-2002, SECTION 303, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 2. (a) On or before February 1, May 1, August 1, and December 1 of each year the auditor of state shall transfer to each county auditor for distribution to the taxing units (as defined in IC 6-1.1-1-21) in the county, an amount equal to one-fourth (1/4) of the sum of the guaranteed amounts for all the taxing units of the county. On or before August 1 of each year the auditor of state shall transfer to each county auditor the supplemental distribution for the county for the year.

(b) For purposes of determining distributions under subsection (b), (c), the department of local government finance shall determine a state welfare allocation for each county calculated as follows:

(1) For 2000 and each year thereafter, the state welfare allocation for each county equals the greater of zero (0) or the amount determined under the following formula:

STEP ONE: For 1997, 1998, and 1999, determine the result of:

(A) the amounts appropriated by the county in the year for the county's county welfare fund and county welfare administration fund; divided by

(B) the amounts appropriated by all the taxing units in the county in the year.

STEP TWO: Determine the sum of the results determined in STEP ONE.

STEP THREE: Divide the STEP TWO result by three (3).

STEP FOUR: Determine the amount that would otherwise be distributed to all the taxing units in the county under subsection (b) without regard to this subdivision.

STEP FIVE: Determine the result of:

(A) the STEP FOUR amount; multiplied by

(B) the STEP THREE result.

(2) The state welfare allocation shall be deducted from the distributions otherwise payable under subsection (b) (c) to the taxing unit that is a county and shall be deposited in a special account within the state general fund.

(b) (c) A taxing unit's guaranteed distribution for a year is the greater of zero (0) or an amount equal to:

(1) the amount received by the taxing unit under IC 6-5-10

C
o
p
y

(**repealed**) and IC 6-5-11 (**repealed**) in 1989; minus

(2) the amount to be received by the taxing unit in the year of the distribution, as determined by the department of local government finance, from property taxes attributable to the personal property of banks, exclusive of the property taxes attributable to personal property leased by banks as the lessor where the possession of the personal property is transferred to the lessee; minus

(3) in the case of a taxing unit that is a county, the amount that would have been received by the taxing unit in the year of the distribution, as determined by the department of local government finance from property taxes that:

(A) were calculated for the county's county welfare fund and county welfare administration fund for 2000 but were not imposed because of the repeal of IC 12-19-3 and IC 12-19-4; and

(B) would have been attributable to the personal property of banks, exclusive of the property taxes attributable to personal property leased by banks as the lessor where the possession of the personal property is transferred to the lessee.

(~~c~~) (d) The amount of the supplemental distribution for a county for a year shall be determined using the following formula:

STEP ONE: Determine the greater of zero (0) or the difference between:

(A) one-half (1/2) of the taxes that the department estimates will be paid under this article during the year; minus

(B) the sum of all the guaranteed distributions, before the subtraction of all state welfare allocations under subsection (a), for all taxing units in all counties plus the bank personal property taxes to be received by all taxing units in all counties, as determined under subsection ~~(b)(2)~~ (c)(2) for the year.

STEP TWO: Determine the quotient of:

(A) the amount received under IC 6-5-10 (**repealed**) and IC 6-5-11 (**repealed**) in 1989 by all taxing units in the county; divided by

(B) the sum of the amounts received under IC 6-5-10 (**repealed**) and IC 6-5-11 (**repealed**) in 1989 by all taxing units in all counties.

STEP THREE: Determine the product of:

(A) the amount determined in STEP ONE; multiplied by

(B) the amount determined in STEP TWO.

STEP FOUR: Determine the greater of zero (0) or the difference between:

C
O
P
Y

(A) the amount of supplemental distribution determined in STEP THREE for the county; minus

(B) the amount of refunds granted under IC 6-5-10-7 **(repealed)** that have yet to be reimbursed to the state by the county treasurer under IC 6-5-10-13 **(repealed)**.

For the supplemental distribution made on or before August 1 of each year, the department shall adjust the amount of each county's supplemental distribution to reflect the actual taxes paid under this article for the preceding year.

~~(d)~~ (e) Except as provided in subsection ~~(f)~~, (g), the amount of the supplemental distribution for each taxing unit shall be determined using the following formula:

STEP ONE: Determine the quotient of:

(A) the amount received by the taxing unit under IC 6-5-10 **(repealed)** and IC 6-5-11 **(repealed)** in 1989; divided by

(B) the sum of the amounts used in STEP ONE (A) for all taxing units located in the county.

STEP TWO: Determine the product of:

(A) the amount determined in STEP ONE; multiplied by

(B) the supplemental distribution for the county, as determined in subsection ~~(e)~~, (d), STEP FOUR.

~~(e)~~ (f) The county auditor shall distribute the guaranteed and supplemental distributions received under subsection (a) to the taxing units in the county at the same time that the county auditor makes the semiannual distribution of real property taxes to the taxing units.

~~(f)~~ (g) The amount of a supplemental distribution paid to a taxing unit that is a county shall be reduced by an amount equal to:

(1) the amount the county would receive under subsection ~~(d)~~ (e) without regard to this subsection; minus

(2) an amount equal to:

(A) the amount under subdivision (1); multiplied by

(B) the result of the following:

(i) Determine the amounts appropriated by the county in 1997, 1998, and 1999, from the county's county welfare fund and county welfare administration fund, divided by the total amounts appropriated by all the taxing units in the county in the year.

(ii) Divide the amount determined in item (i) by three (3).

SECTION 198. IC 6-5.5-9-3 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 3. If the tax imposed by this article is held inapplicable or invalid with respect to a taxpayer, then notwithstanding the statute of limitations set forth in

IC 6-8.1-5-2(a), the taxpayer is liable for the taxes imposed by IC 6-2.1 and IC 6-3 and ~~IC 6-5~~ for the taxable periods with respect to which the tax under this article is held inapplicable or invalid. ~~In addition, personal property is exempt from assessment and property taxation under IC 6-1.1 if:~~

- ~~(1) the personal property is owned by a financial institution;~~
- ~~(2) the financial institution is subject to the bank tax imposed under IC 6-5-10; and~~
- ~~(3) the property is not leased by the financial institution to a lessee under circumstances in which possession is transferred to the lessee.~~

SECTION 199. IC 6-5.5-9-4 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 4. (a) A taxpayer who is subject to taxation under this article for a taxable year or part of a taxable year is not, for that taxable year or part of a taxable year, subject to

- (1) the gross income tax imposed by IC 6-2.1; **and**
- (2) the income taxes imposed by IC 6-3. **and**
- ~~(3) the bank, savings and loan, or production credit association tax imposed by IC 6-5.~~

(b) The ~~exemptions~~ **exemption** provided for the taxes listed in subsection ~~(a)(1) through (a)(2)~~ **do (a) does** not apply to a taxpayer to the extent the taxpayer is acting in a fiduciary capacity.

SECTION 200. IC 6-6-1.1-201 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 201. A license tax of ~~fifteen~~ **eighteen** cents ~~(\$0.15)~~ **(\$0.18)** per gallon is imposed on the use of all gasoline used in Indiana, except as otherwise provided by this chapter. The distributor shall initially pay the tax on the billed gallonage of all gasoline the distributor receives in this state, less any deductions authorized by this chapter. The distributor shall then add the per gallon amount of tax to the selling price of each gallon of gasoline sold in this state and collected from the purchaser so that the ultimate consumer bears the burden of the tax.

SECTION 201. IC 6-6-1.1-801.5 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 801.5. (a) The administrator shall transfer ~~one-fifteenth (1/15)~~ **one cent (\$0.01)** of the taxes that are collected **on each gallon of gasoline** under this chapter to the state highway road construction and improvement fund.

and received after December 31, 2002, and before July 1, 2003; and

(2) the next five million dollars (\$5,000,000) of the taxes that are collected under this chapter and received during the period beginning July 1 in 2003 and each year thereafter and ending June 30 of the immediately succeeding year;

to the public mass transportation fund established by IC 8-23-3-8.

(c) After the ~~transfer~~ transfers required by ~~subsection~~ subsections (a) and (b), the administrator shall transfer the next twenty-five million dollars (\$25,000,000) of the taxes that are collected under this chapter and received during a period beginning July 1 of a year and ending June 30 of the immediately succeeding year to the auditor of state for distribution in the following manner:

(1) thirty percent (30%) to each of the counties, cities, and towns eligible to receive a distribution from the local road and street account under IC 8-14-2 and in the same proportion among the counties, cities, and towns as funds are distributed under IC 8-14-2-4;

(2) thirty percent (30%) to each of the counties, cities, and towns eligible to receive a distribution from the motor vehicle highway account under IC 8-14-1 and in the same proportion among the counties, cities, and towns as funds are distributed from the motor vehicle highway account under IC 8-14-1; and

(3) forty percent (40%) to the Indiana department of transportation.

~~(c)~~ (d) The auditor of state shall hold all amounts of collections received under subsection ~~(b)~~ (c) from the administrator that are made during a particular month and shall distribute all of those amounts pursuant to subsection ~~(b)~~ (c) on the fifth day of the immediately succeeding month.

~~(d)~~ (e) All amounts distributed under subsection ~~(b)~~ (c) may only be used for purposes that money distributed from the motor vehicle highway account may be expended under IC 8-14-1.

SECTION 202. IC 6-6-1.1-1204 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 1204. (a) No city, town, county, township, or other subdivision or municipal corporation of the state may levy or collect:

(1) an excise tax on or measured by the sale, receipt, distribution, or use of gasoline; or

(2) an excise, privilege, or occupational tax on the business of manufacturing, selling, or distributing gasoline.

(b) The provisions of subsection (a) may not be construed as to

2 tax or state store license.

3 SECTION 203. IC 6-6-5-10, AS AMENDED BY P.L.120-2002,
4 SECTION 7, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
5 JULY 1, 2002]: Sec. 10. (a) The bureau shall establish procedures
6 necessary for the collection of the tax imposed by this chapter and for
7 the proper accounting for the same. The necessary forms and records
8 shall be subject to approval by the state board of accounts.

9 (b) The county treasurer, upon receiving the excise tax collections,
10 shall receipt such collections into a separate account for settlement
11 thereof at the same time as property taxes are accounted for and settled
12 in June and December of each year, with the right and duty of the
13 treasurer and auditor to make advances prior to the time of final
14 settlement of such property taxes in the same manner as provided in
15 IC 5-13-6-3.

16 (c) The county auditor shall determine the total amount of excise
17 taxes collected for each taxing unit in the county and the amount so
18 collected (and the distributions received under section 9.5 of this
19 chapter) shall be apportioned and distributed among the respective
20 funds of each taxing unit in the same manner and at the same time as
21 property taxes are apportioned and distributed. ~~However, after~~
22 ~~December 31, 2004, an amount equal to the greater of zero (0) or the~~
23 ~~difference between the county hospital care for the indigent property~~

26 ~~IC 12-16-14-3, minus the current uninsured parents program property~~
27 ~~tax levy imposed by the county, shall be treated as property taxes~~
28 ~~apportioned to the county unit.~~ However, for purposes of determining
29 distributions under this section for 2000 and each year thereafter, the
30 state welfare allocation for each county equals the greater of zero (0)
31 or the amount determined under STEP FIVE of the following STEPS:

32 STEP ONE: For 1997, 1998, and 1999, determine the result of:

- 33 (i) the amounts appropriated by the county in the year from the
34 county's county welfare fund and county welfare
35 administration fund; divided by
36 (ii) the total amounts appropriated by all the taxing units in the
37 county in the year.

38 STEP TWO: Determine the sum of the results determined in
39 STEP ONE.

40 STEP THREE: Divide the STEP TWO result by three (3).

41 STEP FOUR: Determine the amount that would otherwise be
42 distributed to all the taxing units in the county under this

subsection without regard to this subdivision.

STEP FIVE: Determine the result of:

- (i) the STEP FOUR amount; multiplied by
- (ii) the STEP THREE result.

The state welfare allocation shall be deducted from the total amount available for apportionment and distribution to taxing units under this section before any apportionment and distribution is made. The county auditor shall remit the state welfare allocation to the treasurer of state for deposit in a special account within the state general fund.

(d) Such determination shall be made from copies of vehicle registration forms furnished by the bureau of motor vehicles. Prior to such determination, the county assessor of each county shall, from copies of registration forms, cause information pertaining to legal residence of persons owning taxable vehicles to be verified from the assessor's records, to the extent such verification can be so made. The assessor shall further identify and verify from the assessor's records the several taxing units within which such persons reside.

(e) Such verifications shall be done by not later than thirty (30) days after receipt of vehicle registration forms by the county assessor, and the assessor shall certify such information to the county auditor for the auditor's use as soon as it is checked and completed.

SECTION 204. IC 6-7-1-12 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2002]: Sec. 12. (a) The following taxes are imposed, and shall be collected and paid as provided in this chapter, upon the sale, exchange, bartering, furnishing, giving away, or otherwise disposing of cigarettes within the state of Indiana:

(1) On cigarettes weighing not more than three (3) pounds per thousand (1,000), a tax at the rate of ~~seven hundred seventy-five thousandths of a cent (\$0.00775)~~ **two and seventy-five hundredths of a cent (\$0.0275)** per individual cigarette.

(2) On cigarettes weighing more than three (3) pounds per thousand (1,000), a tax at the rate of ~~one and three-hundredths of a cent (\$0.0103)~~ **three and six thousand five hundred forty-eight ten-thousandths of a cent (\$0.036548)** per individual cigarette, except that if any cigarettes weighing more than three (3) pounds per thousand (1,000) shall be more than six and one-half (6 1/2) inches in length, they shall be taxable at the rate provided in subdivision (1), counting each two and three-fourths (2 3/4) inches (or fraction thereof) as a separate cigarette.

(b) Upon all cigarette papers, wrappers, or tubes, made or prepared for the purpose of making cigarettes, which are sold, exchanged,

C

bartered, given away, or otherwise disposed of within the state of Indiana (other than to a manufacturer of cigarettes for use by him in the manufacture of cigarettes), the following taxes are imposed, and shall be collected and paid as provided in this chapter:

(1) On fifty (50) papers or less, a tax of one-half cent (\$0.005).

(2) On more than fifty (50) papers but not more than one hundred (100) papers, a tax of one cent (\$0.01).

(3) On more than one hundred (100) papers, one-half cent (\$0.005) for each fifty (50) papers or fractional part thereof.

 28 **(b) As used in this section, "qualified increased tax costs" means**
 29 **the greater of:**

30 **(1) the difference between the:**

31 **(A) total taxes due and payable by a public utility under**
 32 **IC 6-2.1 for a particular taxable year for providing retail**
 33 **public utility service; minus**

34 **(B) total taxes due and payable by a public utility under**
 35 **IC 6-2.1 for the taxable year immediately preceding the**

11 mechanism qualified increased tax costs if the public utility
12 provides substantial documentation of the qualified increased tax
13 costs in a form prescribed by the commission.

14 (f) Recovery of qualified increased tax costs under this section
15 does not preclude inclusion of the qualified increased tax costs in
16 a public utility's basic rates and charges in subsequent rate
17 proceedings. Any qualified increased tax costs subsequently
18 recovered in the public utility's basic rates and charges may not
19 also be recovered through the retail rate adjustment mechanism
20 under this section.

21 (g) A retail rate adjustment mechanism proposed by a public
22 utility under this section may be based on actual or forecasted
23 taxes due and payable under IC 6-2.1 for a particular taxable year.
24 If forecasted taxes are used, the retail rate adjustment mechanism
25 must contain a reconciliation mechanism to correct any variance
26 between the public utility's forecasted qualified increased tax costs
27 and the public utility's actual increased tax costs in providing retail
28 public utility service. A public utility may not petition the
29 commission for a change in the retail rate adjustment mechanism
30 more than once during any twelve (12) month period.

31 (h) A retail rate adjustment resulting from a retail rate
32 adjustment mechanism approved by the commission under this
33 section:

37 charges of the public utility.

38 (i) When applicable, the commission shall make any
39 adjustments to a public utility's expense tests and return tests
40 during the twelve (12) month test period considered by the
41 commission in an application under section 42(d) or 42(g) of this
42 chapter or under IC 8-1-13-30(d), whichever applies, necessary to

23 SECTION 218. IC 8-22-3.5-10 IS AMENDED TO READ AS
 24 FOLLOWS [EFFECTIVE JANUARY 1, 2004]: Sec. 10. (a) Except in
 25 a county described in section 1(5) of this chapter, if the commission

 28 taxes **(as defined in IC 6-1.1-21-2)** that, under IC 6-1.1-22-9, are due
 29 and payable in May and November of that year. One-half (1/2) of the
 30 credit shall be applied to each installment of ~~property~~ taxes **(as defined**
 31 **in IC 6-1.1-21-2)**. This credit equals the amount determined under the
 32 following STEPS for each taxpayer in a taxing district that contains all
 33 or part of the airport development zone:

34 STEP ONE: Determine that part of the sum of the amounts under
 35 IC 6-1.1-21-2(g)(1)(A) and IC 6-1.1-21-2(g)(2) through
 36 IC 6-1.1-21-2(g)(5) that is attributable to the taxing district.

STEP THREE: Multiply:

(A) the STEP TWO quotient; by

(B) the total amount of the taxpayer's ~~property~~ taxes (**as defined in IC 6-1.1-21-2**) levied in the taxing district that would have been allocated to the special funds under section 9 of this chapter had the additional credit described in this section not been given.

The additional credit reduces the amount of proceeds allocated and paid into the special funds under section 9 of this chapter.

(b) The additional credit under subsection (a) shall be:

(1) computed on an aggregate basis of all taxpayers in a taxing district that contains all or part of an airport development zone; and

(2) combined on the tax statement sent to each taxpayer.

(c) Concurrently with the mailing or other delivery of the tax statement or any corrected tax statement to each taxpayer, as required by IC 6-1.1-22-8(a), each county treasurer shall for each tax statement also deliver to each taxpayer in an airport development zone who is entitled to the additional credit under subsection (a) a notice of additional credit. The actual dollar amount of the credit, the taxpayer's name and address, and the tax statement to which the credit applies shall be stated on the notice.

 4 chapter for each calendar year following the year the assessment was
 5 paid until the aggregate of all assessments paid to the guaranty

 7 or refunds from the association. The provisions herein are applicable
 8 to all assessments levied after the passage of this article.

9 (b) To the extent a member insurer elects not to utilize the tax

 13 this chapter applies shall include amounts sufficient to recoup a sum
 14 equal to the amounts paid to the association by the member insurer less
 15 any amounts returned to the member insurer by the association and the

 17 reasonably calculated to recoup assessments paid by the member
 18 insurer.

19 SECTION 288. IC 27-8-8-16 IS AMENDED TO READ AS
 20 FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 16. Member

 26 income of member insurers that may be imposed by Indiana up to
 27 twenty percent (20%) of an assessment described in section 6 of
 28 this chapter for each calendar year following the year in which
 29 those assessments were paid until the aggregate of those
 30 assessments have been offset by either credits against those taxes
 31 or refunds from the association; or

32 (2) include in the rates and premiums charged for insurance
 33 policies to which this chapter applies amounts sufficient to recoup
 34 a sum equal to the amounts paid to the association by the member
 35 less any amounts returned to the member insurer by the
 36 association and the rates are not excessive by virtue of including
 37 an amount reasonably calculated to recoup assessments paid by
 38 the member.

39 SECTION 289. IC 27-8-10-2.1 IS AMENDED TO READ AS
 40 FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 2.1. (a) There is
 41 established a nonprofit legal entity to be referred to as the Indiana
 42 comprehensive health insurance association, which must assure that

1 health insurance is made available throughout the year to each eligible
 2 Indiana resident applying to the association for coverage. All carriers,
 3 health maintenance organizations, limited service health maintenance
 4 organizations, and self-insurers providing health insurance or health
 5 care services in Indiana must be members of the association. The
 6 association shall operate under a plan of operation established and
 7 approved under subsection (c) and shall exercise its powers through a
 8 board of directors established under this section.

9 (b) The board of directors of the association consists of seven (7)
 10 members whose principal residence is in Indiana selected as follows:

11 (1) Three (3) members to be appointed by the commissioner from
 12 the members of the association, one (1) of which must be a
 13 representative of a health maintenance organization.

14 (2) Two (2) members to be appointed by the commissioner shall
 15 be consumers representing policyholders.

16 (3) Two (2) members shall be the state budget director or
 17 designee and the commissioner of the department of insurance or
 18 designee.

19 The commissioner shall appoint the chairman of the board, and the
 20 board shall elect a secretary from its membership. The term of office
 21 of each appointed member is three (3) years, subject to eligibility for
 22 reappointment. Members of the board who are not state employees may
 23 be reimbursed from the association's funds for expenses incurred in
 24 attending meetings. The board shall meet at least semiannually, with
 25 the first meeting to be held not later than May 15 of each year.

26 (c) The association shall submit to the commissioner a plan of
 27 operation for the association and any amendments to the plan necessary
 28 or suitable to assure the fair, reasonable, and equitable administration
 29 of the association. The plan of operation becomes effective upon
 30 approval in writing by the commissioner consistent with the date on
 31 which the coverage under this chapter must be made available. The
 32 commissioner shall, after notice and hearing, approve the plan of
 33 operation if the plan is determined to be suitable to assure the fair,
 34 reasonable, and equitable administration of the association and
 35 provides for the sharing of association losses on an equitable,
 36 proportionate basis among the member carriers, health maintenance
 37 organizations, limited service health maintenance organizations, and
 38 self-insurers. If the association fails to submit a suitable plan of
 39 operation within one hundred eighty (180) days after the appointment
 40 of the board of directors, or at any time thereafter the association fails
 41 to submit suitable amendments to the plan, the commissioner shall
 42 adopt rules under IC 4-22-2 necessary or advisable to implement this

C

1 section. These rules are effective until modified by the commissioner
 2 or superseded by a plan submitted by the association and approved by
 3 the commissioner. The plan of operation must:

- 4 (1) establish procedures for the handling and accounting of assets
 5 and money of the association;
- 6 (2) establish the amount and method of reimbursing members of
 7 the board;
- 8 (3) establish regular times and places for meetings of the board of
 9 directors;
- 10 (4) establish procedures for records to be kept of all financial
 11 transactions, and for the annual fiscal reporting to the
 12 commissioner;
- 13 (5) establish procedures whereby selections for the board of
 14 directors will be made and submitted to the commissioner for
 15 approval;
- 16 (6) contain additional provisions necessary or proper for the
 17 execution of the powers and duties of the association; and
- 18 (7) establish procedures for the periodic advertising of the general
 19 availability of the health insurance coverages from the
 20 association.

21 (d) The plan of operation may provide that any of the powers and
 22 duties of the association be delegated to a person who will perform
 23 functions similar to those of this association. A delegation under this
 24 section takes effect only with the approval of both the board of
 25 directors and the commissioner. The commissioner may not approve a
 26 delegation unless the protections afforded to the insured are
 27 substantially equivalent to or greater than those provided under this
 28 chapter.

29 (e) The association has the general powers and authority enumerated
 30 by this subsection in accordance with the plan of operation approved
 31 by the commissioner under subsection (c). The association has the
 32 general powers and authority granted under the laws of Indiana to
 33 carriers licensed to transact the kinds of health care services or health
 34 insurance described in section 1 of this chapter and also has the
 35 specific authority to do the following:

- 36 (1) Enter into contracts as are necessary or proper to carry out this
 37 chapter, subject to the approval of the commissioner.
- 38 (2) Sue or be sued, including taking any legal actions necessary
 39 or proper for recovery of any assessments for, on behalf of, or
 40 against participating carriers.
- 41 (3) Take legal action necessary to avoid the payment of improper
 42 claims against the association or the coverage provided by or

through the association.

(4) Establish a medical review committee to determine the reasonably appropriate level and extent of health care services in each instance.

(5) Establish appropriate rates, scales of rates, rate classifications and rating adjustments, such rates not to be unreasonable in relation to the coverage provided and the reasonable operational expenses of the association.

(6) Pool risks among members.

(7) Issue policies of insurance on an indemnity or provision of service basis providing the coverage required by this chapter.

(8) Administer separate pools, separate accounts, or other plans or arrangements considered appropriate for separate members or groups of members.

(9) Operate and administer any combination of plans, pools, or other mechanisms considered appropriate to best accomplish the fair and equitable operation of the association.

(10) Appoint from among members appropriate legal, actuarial, and other committees as necessary to provide technical assistance in the operation of the association, policy and other contract design, and any other function within the authority of the association.

(11) Hire an independent consultant.

(12) Develop a method of advising applicants of the availability of other coverages outside the association and may promulgate a list of health conditions the existence of which would deem an applicant eligible without demonstrating a rejection of coverage by one (1) carrier.

(13) Provide for the use of managed care plans for insureds, including the use of:

(A) health maintenance organizations; and

(B) preferred provider plans.

(14) Solicit bids directly from providers for coverage under this chapter.

(f) Rates for coverages issued by the association may not be unreasonable in relation to the benefits provided, the risk experience, and the reasonable expenses of providing the coverage. Separate scales of premium rates based on age apply for individual risks. Premium rates must take into consideration the extra morbidity and administration expenses, if any, for risks insured in the association. The rates for a given classification may not be more than one hundred fifty percent (150%) of the average premium rate for that class charged by

C
o
p

the five (5) carriers with the largest premium volume in the state during the preceding calendar year. In determining the average rate of the five (5) largest carriers, the rates charged by the carriers shall be actuarially adjusted to determine the rate that would have been charged for benefits identical to those issued by the association. All rates adopted by the association must be submitted to the commissioner for approval.

(g) Following the close of the association's fiscal year, the association shall determine the net premiums, the expenses of administration, and the incurred losses for the year. Any net loss shall be assessed by the association to all members in proportion to their respective shares of total health insurance premiums, excluding premiums for Medicaid contracts with the state of Indiana, received in Indiana during the calendar year (or with paid losses in the year) coinciding with or ending during the fiscal year of the association or any other equitable basis as may be provided in the plan of operation. For self-insurers, health maintenance organizations, and limited service health maintenance organizations that are members of the association, the proportionate share of losses must be determined through the application of an equitable formula based upon claims paid, excluding claims for Medicaid contracts with the state of Indiana, or the value of services provided. In sharing losses, the association may abate or defer in any part the assessment of a member, if, in the opinion of the board, payment of the assessment would endanger the ability of the member to fulfill its contractual obligations. The association may also provide for interim assessments against members of the association if necessary to assure the financial capability of the association to meet the incurred or estimated claims expenses or operating expenses of the association until the association's next fiscal year is completed. Net gains, if any, must be held at interest to offset future losses or allocated to reduce future premiums. Assessments must be determined by the board members specified in subsection (b)(1), subject to final approval by the commissioner.

(h) The association shall conduct periodic audits to assure the general accuracy of the financial data submitted to the association, and the association shall have an annual audit of its operations by an independent certified public accountant.

(i) The association is subject to examination by the department of insurance under IC 27-1-3.1. The board of directors shall submit, not later than March 30 of each year, a financial report for the preceding calendar year in a form approved by the commissioner.

(j) All policy forms issued by the association must conform in substance to prototype forms developed by the association, must in all

C
o
p
y

1 other respects conform to the requirements of this chapter, and must be
2 filed with and approved by the commissioner before their use.

3 (k) The association may not issue an association policy to any
4 individual who, on the effective date of the coverage applied for, does
5 not meet the eligibility requirements of section 5.1 of this chapter.

6 (l) The association shall pay an agent's referral fee of twenty-five
7 dollars (\$25) to each insurance agent who refers an applicant to the
8 association if that applicant is accepted.

9 (m) The association and the premium collected by the association
10 shall be exempt from the premium tax, the gross income tax, the
11 adjusted gross income tax, ~~supplemental corporate net income~~, or any
12 combination of these ~~or similar taxes~~ upon revenues or income that
13 may be imposed by the state.

14 (n) Members who after July 1, 1983, during any calendar year, have
15 paid one (1) or more assessments levied under this chapter may either:

16 (1) take a credit against premium taxes, gross income taxes,
17 adjusted gross income taxes, ~~supplemental corporate net income~~
18 ~~taxes~~, or any combination of these, or similar taxes upon revenues
19 or income of member insurers that may be imposed by the state,
20 up to the amount of the taxes due for each calendar year in which
21 the assessments were paid and for succeeding years until the
22 aggregate of those assessments have been offset by either credits
23 against those taxes or refunds from the association; or

24 (2) any member insurer may include in the rates for premiums
25 charged for insurance policies to which this chapter applies
26 amounts sufficient to recoup a sum equal to the amounts paid to
27 the association by the member less any amounts returned to the
28 member insurer by the association, and the rates shall not be
29 deemed excessive by virtue of including an amount reasonably
30 calculated to recoup assessments paid by the member.

31 (o) The association shall provide for the option of monthly
32 collection of premiums.

33 SECTION 290. IC 27-13-18-2 IS AMENDED TO READ AS
34 FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 2. (a) If for any
35 reason the plan of the health maintenance organization under
36 IC 27-13-16 does not provide for continuation of benefits as required
37 by IC 27-13-16-1, the liquidator shall assess, or cause to be assessed,
38 each licensed health maintenance organization doing business in
39 Indiana. The amount that each licensed health maintenance
40 organization is assessed must be based on the ratio of the amount of all
41 subscriber premiums received by the health maintenance organization
42 for contracts issued in Indiana for the previous calendar year to the

C

amount of the total subscriber premiums received by all licensed health maintenance organizations for contracts issued in Indiana for the previous calendar year.

(b) The total assessments of health maintenance organizations under subsection (a) must equal an amount sufficient to provide for continuation of benefits as required by IC 27-13-16-1 to enrollees covered under contracts issued by the health maintenance organization to subscribers located in Indiana, and to pay administrative expenses.

(c) The total amount of all assessments to be paid by a health maintenance organization in any one (1) calendar year may not exceed one percent (1%) of the premiums received by the health maintenance organization from business in Indiana during the calendar year preceding the assessment.

(d) If the total amount of all assessments in any one (1) calendar year does not provide an amount sufficient to meet the requirements of subsection (a), additional funds must be assessed in succeeding calendar years.

(e) Health maintenance organizations that, during any preceding calendar year, have paid one (1) or more assessments levied under this section may either:

(1) take as a credit against gross income taxes, adjusted gross income taxes, ~~supplemental corporate net income taxes~~, or any combination of these, or similar taxes upon revenue or income of health maintenance organizations that may be imposed by Indiana up to twenty percent (20%) of any assessment described in this section for each calendar year following the year in which those assessments were paid until the aggregate of those assessments have been offset; or

(2) include in the premiums charged for coverage to which this article applies amounts sufficient to recoup a sum equal to the amounts paid in assessments as long as the premiums are not excessive by virtue of including an amount reasonably calculated to recoup assessments paid by the health maintenance organization.

[EFFECTIVE JANUARY 1, 2004]: Sec. 39. (a) As used in this section:

"Allocation area" means that part of a blighted area to which an allocation provision of a declaratory resolution adopted under section 15 of this chapter refers for purposes of distribution and allocation of property taxes.

"Base assessed value" means the following:

(1) If an allocation provision is adopted after June 30, 1995, in a declaratory resolution or an amendment to a declaratory resolution establishing an economic development area:

(A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus

(B) to the extent that it is not included in clause (A), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, as finally determined for any assessment date after the effective date of the allocation provision.

(2) If an allocation provision is adopted after June 30, 1997, in a declaratory resolution or an amendment to a declaratory resolution establishing a blighted area:

(A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus

(B) to the extent that it is not included in clause (A), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, as finally determined for any assessment date after the effective date of the allocation provision.

(3) If:

(A) an allocation provision adopted before June 30, 1995, in a declaratory resolution or an amendment to a declaratory resolution establishing a blighted area expires after June 30, 1997; and

(B) after June 30, 1997, a new allocation provision is included in an amendment to the declaratory resolution;

the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision adopted after June 30, 1997, as adjusted under subsection (h).

(4) Except as provided in subdivision (5), for all other allocation

C
o
p
y

1 areas, the net assessed value of all the property as finally
 2 determined for the assessment date immediately preceding the
 3 effective date of the allocation provision of the declaratory
 4 resolution, as adjusted under subsection (h).

5 (5) If an allocation area established in an economic development
 6 area before July 1, 1995, is expanded after June 30, 1995, the
 7 definition in subdivision (1) applies to the expanded portion of the
 8 area added after June 30, 1995.

9 (6) If an allocation area established in a blighted area before July
 10 1, 1997, is expanded after June 30, 1997, the definition in
 11 subdivision (2) applies to the expanded portion of the area added
 12 after June 30, 1997.

13 Except as provided in section 39.3 of this chapter, "property taxes"
 14 means taxes imposed under IC 6-1.1 on real property. However, upon
 15 approval by a resolution of the redevelopment commission adopted
 16 before June 1, 1987, "property taxes" also includes taxes imposed
 17 under IC 6-1.1 on depreciable personal property. If a redevelopment
 18 commission adopted before June 1, 1987, a resolution to include within
 19 the definition of property taxes taxes imposed under IC 6-1.1 on
 20 depreciable personal property that has a useful life in excess of eight
 21 (8) years, the commission may by resolution determine the percentage
 22 of taxes imposed under IC 6-1.1 on all depreciable personal property
 23 that will be included within the definition of property taxes. However,
 24 the percentage included must not exceed twenty-five percent (25%) of
 25 the taxes imposed under IC 6-1.1 on all depreciable personal property.

26 (b) A declaratory resolution adopted under section 15 of this chapter
 27 before January 1, 2006, may include a provision with respect to the
 28 allocation and distribution of property taxes for the purposes and in the
 29 manner provided in this section. A declaratory resolution previously
 30 adopted may include an allocation provision by the amendment of that
 31 declaratory resolution before January 1, 2006, in accordance with the
 32 procedures required for its original adoption. A declaratory resolution
 33 or an amendment that establishes an allocation provision after June 30,
 34 1995, must specify an expiration date for the allocation provision that
 35 may not be more than thirty (30) years after the date on which the
 36 allocation provision is established. However, if bonds or other
 37 obligations that were scheduled when issued to mature before the
 38 specified expiration date and that are payable only from allocated tax
 39 proceeds with respect to the allocation area remain outstanding as of
 40 the expiration date, the allocation provision does not expire until all of
 41 the bonds or other obligations are no longer outstanding. The allocation
 42 provision may apply to all or part of the blighted area. The allocation

C

1 provision must require that any property taxes subsequently levied by
 2 or for the benefit of any public body entitled to a distribution of
 3 property taxes on taxable property in the allocation area be allocated
 4 and distributed as follows:

5 (1) Except as otherwise provided in this section, the proceeds of
 6 the taxes attributable to the lesser of:

7 (A) the assessed value of the property for the assessment date
 8 with respect to which the allocation and distribution is made;

9 or

10 (B) the base assessed value;

11 shall be allocated to and, when collected, paid into the funds of
 12 the respective taxing units.

13 (2) Except as otherwise provided in this section, property tax
 14 proceeds in excess of those described in subdivision (1) shall be
 15 allocated to the redevelopment district and, when collected, paid
 16 into an allocation fund for that allocation area that may be used by
 17 the redevelopment district only to do one (1) or more of the
 18 following:

19 (A) Pay the principal of and interest on any obligations
 20 payable solely from allocated tax proceeds which are incurred
 21 by the redevelopment district for the purpose of financing or
 22 refinancing the redevelopment of that allocation area.

23 (B) Establish, augment, or restore the debt service reserve for
 24 bonds payable solely or in part from allocated tax proceeds in
 25 that allocation area.

26 (C) Pay the principal of and interest on bonds payable from
 27 allocated tax proceeds in that allocation area and from the
 28 special tax levied under section 27 of this chapter.

29 (D) Pay the principal of and interest on bonds issued by the
 30 unit to pay for local public improvements in or serving that
 31 allocation area.

32 (E) Pay premiums on the redemption before maturity of bonds
 33 payable solely or in part from allocated tax proceeds in that
 34 allocation area.

35 (F) Make payments on leases payable from allocated tax
 36 proceeds in that allocation area under section 25.2 of this
 37 chapter.

38 (G) Reimburse the unit for expenditures made by it for local
 39 public improvements (which include buildings, parking
 40 facilities, and other items described in section 25.1(a) of this
 41 chapter) in or serving that allocation area.

42 (H) Reimburse the unit for rentals paid by it for a building or

parking facility in or serving that allocation area under any lease entered into under IC 36-1-10.

(I) Pay all or a portion of a property tax replacement credit to taxpayers in an allocation area as determined by the redevelopment commission. This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district (as defined in IC 6-1.1-1-20) that contains all or part of the allocation area:

STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) that is attributable to the taxing district.

STEP TWO: Divide:

(A) that part of ~~twenty percent (20%)~~ of each county's ~~total county tax levy payable~~ **eligible property tax replacement amount (as defined in IC 6-1.1-21-2)** for that year as determined under IC 6-1.1-21-4 that is attributable to the taxing district; by

(B) the STEP ONE sum.

STEP THREE: Multiply:

(A) the STEP TWO quotient; times

(B) the total amount of the taxpayer's ~~property taxes~~ **(as defined in IC 6-1.1-21-2)** levied in the taxing district that have been allocated during that year to an allocation fund under this section.

If not all the taxpayers in an allocation area receive the credit in full, each taxpayer in the allocation area is entitled to receive the same proportion of the credit. A taxpayer may not receive a credit under this section and a credit under section 39.5 of this chapter in the same year.

(J) Pay expenses incurred by the redevelopment commission for local public improvements that are in the allocation area or serving the allocation area. Public improvements include buildings, parking facilities, and other items described in section 25.1(a) of this chapter.

(K) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

(i) in the allocation area; and

(ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

C
o
p
y

1 However, the total amount of money spent for this purpose in
 2 any year may not exceed the total amount of money in the
 3 allocation fund that is attributable to property taxes paid by the
 4 industrial facilities described in this clause. The
 5 reimbursements under this clause must be made within three
 6 (3) years after the date on which the investments that are the
 7 basis for the increment financing are made.

8 The allocation fund may not be used for operating expenses of the
 9 commission.

10 (3) Except as provided in subsection (g), before July 15 of each
 11 year the commission shall do the following:

12 (A) Determine the amount, if any, by which the base assessed
 13 value when multiplied by the estimated tax rate of the
 14 allocation area will exceed the amount of assessed value
 15 needed to produce the property taxes necessary to make, when
 16 due, principal and interest payments on bonds described in
 17 subdivision (2) plus the amount necessary for other purposes
 18 described in subdivision (2).

19 (B) Notify the county auditor of the amount, if any, of the
 20 amount of excess assessed value that the commission has
 21 determined may be allocated to the respective taxing units in
 22 the manner prescribed in subdivision (1). The commission
 23 may not authorize an allocation of assessed value to the
 24 respective taxing units under this subdivision if to do so would
 25 endanger the interests of the holders of bonds described in
 26 subdivision (2) or lessors under section 25.3 of this chapter.

27 (c) For the purpose of allocating taxes levied by or for any taxing
 28 unit or units, the assessed value of taxable property in a territory in the
 29 allocation area that is annexed by any taxing unit after the effective
 30 date of the allocation provision of the declaratory resolution is the
 31 lesser of:

32 (1) the assessed value of the property for the assessment date with
 33 respect to which the allocation and distribution is made; or

34 (2) the base assessed value.

35 (d) Property tax proceeds allocable to the redevelopment district
 36 under subsection (b)(2) may, subject to subsection (b)(3), be
 37 irrevocably pledged by the redevelopment district for payment as set
 38 forth in subsection (b)(2).

39 (e) Notwithstanding any other law, each assessor shall, upon
 40 petition of the redevelopment commission, reassess the taxable
 41 property situated upon or in, or added to, the allocation area, effective
 42 on the next assessment date after the petition.

C
o
p
y

(f) Notwithstanding any other law, the assessed value of all taxable property in the allocation area, for purposes of tax limitation, property tax replacement, and formulation of the budget, tax rate, and tax levy for each political subdivision in which the property is located is the lesser of:

- (1) the assessed value of the property as valued without regard to this section; or
- (2) the base assessed value.

(g) If any part of the allocation area is located in an enterprise zone created under IC 4-4-6.1, the unit that designated the allocation area shall create funds as specified in this subsection. A unit that has obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(2) shall establish an allocation fund for the purposes specified in subsection (b)(2) and a special zone fund. Such a unit shall, until the end of the enterprise zone phase out period, deposit each year in the special zone fund any amount in the allocation fund derived from property tax proceeds in excess of those described in subsection (b)(1) from property located in the enterprise zone that exceeds the amount sufficient for the purposes specified in subsection (b)(2) for the year. The amount sufficient for purposes specified in subsection (b)(2) for the year shall be determined based on the pro rata portion of such current property tax proceeds from the portion of the enterprise zone that is within the allocation area as compared to all such current property tax proceeds derived from the allocation area. A unit that has no obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(2) shall establish a special zone fund and deposit all the property tax proceeds in excess of those described in subsection (b)(1) in the fund derived from property tax proceeds in excess of those described in subsection (b)(1) from property located in the enterprise zone. The unit that creates the special zone fund shall use the fund (based on the recommendations of the urban enterprise association) for programs in job training, job enrichment, and basic skill development that are designed to benefit residents and employers in the enterprise zone or other purposes specified in subsection (b)(2), except that where reference is made in subsection (b)(2) to allocation area it shall refer for purposes of payments from the special zone fund only to that portion of the allocation area that is also located in the enterprise zone. Those programs shall reserve at least one-half (1/2) of their enrollment in any session for residents of the enterprise zone.

(h) The state board of accounts and department of local government finance shall make the rules and prescribe the forms and procedures that they consider expedient for the implementation of this chapter.

C
o
p
y

After each general reassessment under IC 6-1.1-4, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the general reassessment on the property tax proceeds allocated to the redevelopment district under this section. However, the adjustment may not include the effect of property tax abatements under IC 6-1.1-12.1, and the adjustment may not produce less property tax proceeds allocable to the redevelopment district under subsection (b)(2) than would otherwise have been received if the general reassessment had not occurred. The department of local government finance may prescribe procedures for county and township officials to follow to assist the department in making the adjustments.

SECTION 309. IC 36-7-14-39.5 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004]: Sec. 39.5. (a) As used in this section, "allocation area" has the meaning set forth in section 39 of this chapter.

(b) As used in this section, "taxing district" has the meaning set forth in IC 6-1.1-1-20.

(c) Subject to subsection (e), each taxpayer in an allocation area is entitled to an additional credit for ~~property~~ taxes **(as defined in IC 6-1.1-21-2)** that under IC 6-1.1-22-9 are due and payable in May and November of that year. One-half (1/2) of the credit shall be applied to each installment of ~~property~~ taxes **(as defined in IC 6-1.1-21-2)**. This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district that contains all or part of the allocation area:

STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) that is attributable to the taxing district.

STEP TWO: Divide:

(A) that part of ~~twenty percent (20%)~~ of each county's ~~total county tax levy payable~~ **eligible property tax replacement amount (as defined in IC 6-1.1-21-2)** for that year as determined under IC 6-1.1-21-4 that is attributable to the taxing district; by

(B) the STEP ONE sum.

STEP THREE: Multiply:

(A) the STEP TWO quotient; times

(B) the total amount of the taxpayer's ~~property~~ taxes **(as defined in IC 6-1.1-21-2)** levied in the taxing district that would have been allocated to an allocation fund under section

C
o
p

1 39 of this chapter had the additional credit described in this
2 section not been given.

3 The additional credit reduces the amount of proceeds allocated to the
4 redevelopment district and paid into an allocation fund under section
5 39(b)(2) of this chapter.

6 (d) If the additional credit under subsection (c) is not reduced under
7 subsection (e) or (f), the credit for property tax replacement under
8 IC 6-1.1-21-5 and the additional credit under subsection (c) shall be
9 computed on an aggregate basis for all taxpayers in a taxing district
10 that contains all or part of an allocation area. The credit for property tax
11 replacement under IC 6-1.1-21-5 and the additional credit under
12 subsection (c) shall be combined on the tax statements sent to each
13 taxpayer.

14 (e) Upon the recommendation of the redevelopment commission,
15 the municipal legislative body (in the case of a redevelopment
16 commission established by a municipality) or the county executive (in
17 the case of a redevelopment commission established by a county) may,
18 by resolution, provide that the additional credit described in subsection
19 (c):

20 (1) does not apply in a specified allocation area; or
21 (2) is to be reduced by a uniform percentage for all taxpayers in
22 a specified allocation area.

23 (f) Whenever the municipal legislative body or county executive
24 determines that granting the full additional credit under subsection (c)
25 would adversely affect the interests of the holders of bonds or other
26 contractual obligations that are payable from allocated tax proceeds in
27 that allocation area in a way that would create a reasonable expectation
28 that those bonds or other contractual obligations would not be paid
29 when due, the municipal legislative body or county executive must
30 adopt a resolution under subsection (e) to deny the additional credit or
31 reduce it to a level that creates a reasonable expectation that the bonds
32 or other obligations will be paid when due. A resolution adopted under
33 subsection (e) denies or reduces the additional credit for property taxes
34 first due and payable in the allocation area in any year following the
35 year in which the resolution is adopted.

36 (g) A resolution adopted under subsection (e) remains in effect until
37 it is rescinded by the body that originally adopted it. However, a
38 resolution may not be rescinded if the rescission would adversely affect
39 the interests of the holders of bonds or other obligations that are
40 payable from allocated tax proceeds in that allocation area in a way that
41 would create a reasonable expectation that the principal of or interest
42 on the bonds or other obligations would not be paid when due. If a

1 resolution is rescinded and no other resolution is adopted, the
 2 additional credit described in subsection (c) applies to property taxes
 3 first due and payable in the allocation area in each year following the
 4 year in which the resolution is rescinded.

5 SECTION 310. IC 36-7-14.5-12.5, AS AMENDED BY
 6 P.L.90-2002, SECTION 477, IS AMENDED TO READ AS
 7 FOLLOWS [EFFECTIVE JANUARY 1, 2004]: Sec. 12.5. (a) This
 8 section applies only to an authority in a county having a United States
 9 government military base that is scheduled for closing or is completely
 10 or partially inactive or closed.

11 (b) In order to accomplish the purposes set forth in section 11(b) of
 12 this chapter, an authority may create an economic development area:

- 13 (1) by following the procedures set forth in IC 36-7-14-41 for the
- 14 establishment of an economic development area by a
- 15 redevelopment commission; and
- 16 (2) with the same effect as if the economic development area was
- 17 created by a redevelopment commission.

18 However, an authority may not include in an economic development
 19 area created under this section any area that was declared a blighted
 20 area, an urban renewal area, or an economic development area under
 21 IC 36-7-14.

22 (c) In order to accomplish the purposes set forth in section 11(b) of
 23 this chapter, an authority may do the following in a manner that serves
 24 an economic development area created under this section:

- 25 (1) Acquire by purchase, exchange, gift, grant, condemnation, or
- 26 lease, or any combination of methods, any personal property or
- 27 interest in real property needed for the redevelopment of
- 28 economic development areas located within the corporate
- 29 boundaries of the unit.
- 30 (2) Hold, use, sell (by conveyance by deed, land sale contract, or
- 31 other instrument), exchange, lease, rent, or otherwise dispose of
- 32 property acquired for use in the redevelopment of economic
- 33 development areas on the terms and conditions that the authority
- 34 considers best for the unit and the unit's inhabitants.
- 35 (3) Sell, lease, or grant interests in all or part of the real property
- 36 acquired for redevelopment purposes to any other department of
- 37 the unit or to any other governmental agency for public ways,
- 38 levees, sewerage, parks, playgrounds, schools, and other public
- 39 purposes on any terms that may be agreed on.
- 40 (4) Clear real property acquired for redevelopment purposes.
- 41 (5) Repair and maintain structures acquired for redevelopment
- 42 purposes.

C
o
p
y

- 1 (6) Remodel, rebuild, enlarge, or make major structural
- 2 improvements on structures acquired for redevelopment purposes.
- 3 (7) Survey or examine any land to determine whether the land
- 4 should be included within an economic development area to be
- 5 acquired for redevelopment purposes and to determine the value
- 6 of that land.
- 7 (8) Appear before any other department or agency of the unit, or
- 8 before any other governmental agency in respect to any matter
- 9 affecting:
- 10 (A) real property acquired or being acquired for
- 11 redevelopment purposes; or
- 12 (B) any economic development area within the jurisdiction of
- 13 the authority.
- 14 (9) Institute or defend in the name of the unit any civil action, but
- 15 all actions against the authority must be brought in the circuit or
- 16 superior court of the county where the authority is located.
- 17 (10) Use any legal or equitable remedy that is necessary or
- 18 considered proper to protect and enforce the rights of and perform
- 19 the duties of the authority.
- 20 (11) Exercise the power of eminent domain in the name of and
- 21 within the corporate boundaries of the unit subject to the same
- 22 conditions and procedures that apply to the exercise of the power
- 23 of eminent domain by a redevelopment commission under
- 24 IC 36-7-14.
- 25 (12) Appoint an executive director, appraisers, real estate experts,
- 26 engineers, architects, surveyors, and attorneys.
- 27 (13) Appoint clerks, guards, laborers, and other employees the
- 28 authority considers advisable, except that those appointments
- 29 must be made in accordance with the merit system of the unit if
- 30 such a system exists.
- 31 (14) Prescribe the duties and regulate the compensation of
- 32 employees of the authority.
- 33 (15) Provide a pension and retirement system for employees of
- 34 the authority by using the public employees' retirement fund or a
- 35 retirement plan approved by the United States Department of
- 36 Housing and Urban Development.
- 37 (16) Discharge and appoint successors to employees of the
- 38 authority subject to subdivision (13).
- 39 (17) Rent offices for use of the department or authority, or accept
- 40 the use of offices furnished by the unit.
- 41 (18) Equip the offices of the authority with the necessary
- 42 furniture, furnishings, equipment, records, and supplies.

C

p

(19) Design, order, contract for, and construct, reconstruct, improve, or renovate the following:

(A) Any local public improvement or structure that is necessary for redevelopment purposes or economic development within the corporate boundaries of the unit.

(B) Any structure that enhances development or economic development.

(20) Contract for the construction, extension, or improvement of pedestrian skyways (as defined in IC 36-7-14-12.2(c)).

(21) Accept loans, grants, and other forms of financial assistance from, or contract with, the federal government, the state government, a municipal corporation, a special taxing district, a foundation, or any other source.

(22) Make and enter into all contracts and agreements necessary or incidental to the performance of the duties of the authority and the execution of the powers of the authority under this chapter.

(23) Take any action necessary to implement the purpose of the authority.

(24) Provide financial assistance, in the manner that best serves the purposes set forth in section 11(b) of this chapter, including grants and loans, to enable private enterprise to develop, redevelop, and reuse military base property or otherwise enable private enterprise to provide social and economic benefits to the citizens of the unit.

(d) An authority may designate all or a portion of an economic development area created under this section as an allocation area by following the procedures set forth in IC 36-7-14-39 for the establishment of an allocation area by a redevelopment commission. The allocation provision may modify the definition of "property taxes" under IC 36-7-14-39(a) to include taxes imposed under IC 6-1.1 on the depreciable personal property located and taxable on the site of operations of designated taxpayers in accordance with the procedures applicable to a commission under IC 36-7-14-39.3. IC 36-7-14-39.3 applies to such a modification. An allocation area established by an authority under this section is a special taxing district authorized by the general assembly to enable the unit to provide special benefits to taxpayers in the allocation area by promoting economic development that is of public use and benefit. For allocation areas established for an economic development area created under this section after June 30, 1997, and to the expanded portion of an allocation area for an economic development area that was established before June 30, 1997, and that is expanded under this section after June 30, 1997, the net

assessed value of property that is assessed as residential property under the rules of the department of local government finance, as finally determined for any assessment date, must be allocated. All of the provisions of IC 36-7-14-39, IC 36-7-14-39.1, and IC 36-7-14-39.5 apply to an allocation area created under this section, except that the authority shall be vested with the rights and duties of a commission as referenced in those sections, and except that, notwithstanding IC 36-7-14-39(b)(2), property tax proceeds paid into the allocation fund may be used by the authority only to do one (1) or more of the following:

(1) Pay the principal of and interest and redemption premium on any obligations incurred by the special taxing district or any other entity for the purpose of financing or refinancing military base reuse activities in or serving or benefitting that allocation area.

(2) Establish, augment, or restore the debt service reserve for obligations payable solely or in part from allocated tax proceeds in that allocation area or from other revenues of the authority (including lease rental revenues).

(3) Make payments on leases payable solely or in part from allocated tax proceeds in that allocation area.

(4) Reimburse any other governmental body for expenditures made by it for local public improvements or structures in or serving or benefitting that allocation area.

(5) Pay all or a portion of a property tax replacement credit to taxpayers in an allocation area as determined by the authority. This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district (as defined in IC 6-1.1-1-20) that contains all or part of the allocation area:

STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) that is attributable to the taxing district.

STEP TWO: Divide:

(A) that part of the ~~twenty percent (20%)~~ of each county's ~~total county tax levy payable~~ **eligible property tax replacement amount (as defined in IC 6-1.1-21-2)** for that year as determined under IC 6-1.1-21-4 that is attributable to the taxing district; by

(B) the STEP ONE sum.

STEP THREE: Multiply:

(A) the STEP TWO quotient; by

(B) the total amount of the taxpayer's ~~property~~ taxes (as

C
o
p
y

defined in IC 6-1.1-21-2) levied in the taxing district that have been allocated during that year to an allocation fund under this section.

If not all the taxpayers in an allocation area receive the credit in full, each taxpayer in the allocation area is entitled to receive the same proportion of the credit. A taxpayer may not receive a credit under this section and a credit under IC 36-7-14-39.5 in the same year.

(6) Pay expenses incurred by the authority for local public improvements or structures that are in the allocation area or serving or benefiting the allocation area.

(7) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

(A) in the allocation area; and

(B) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in clause (B). The reimbursements under this subdivision must be made within three (3) years after the date on which the investments that are the basis for the increment financing are made. The allocation fund may not be used for operating expenses of the authority.

(e) In addition to other methods of raising money for property acquisition, redevelopment, or economic development activities in or directly serving or benefitting an economic development area created by an authority under this section, and in anticipation of the taxes allocated under subsection (d), other revenues of the authority, or any combination of these sources, the authority may, by resolution, issue the bonds of the special taxing district in the name of the unit. Bonds issued under this section may be issued in any amount without limitation. The following apply if such a resolution is adopted:

(1) The authority shall certify a copy of the resolution authorizing the bonds to the municipal or county fiscal officer, who shall then prepare the bonds. The seal of the unit must be impressed on the bonds, or a facsimile of the seal must be printed on the bonds.

(2) The bonds must be executed by the appropriate officer of the unit and attested by the unit's fiscal officer.

(3) The bonds are exempt from taxation for all purposes.

(4) Bonds issued under this section may be sold at public sale in

C
o
p
y

1 accordance with IC 5-1-11 or at a negotiated sale.

2 (5) The bonds are not a corporate obligation of the unit but are an
3 indebtedness of the taxing district. The bonds and interest are
4 payable, as set forth in the bond resolution of the authority:

5 (A) from the tax proceeds allocated under subsection (d);

6 (B) from other revenues available to the authority; or

7 (C) from a combination of the methods stated in clauses (A)
8 and (B).

9 (6) Proceeds from the sale of bonds may be used to pay the cost
10 of interest on the bonds for a period not to exceed five (5) years
11 from the date of issuance.

12 (7) Laws relating to the filing of petitions requesting the issuance
13 of bonds and the right of taxpayers to remonstrate against the
14 issuance of bonds do not apply to bonds issued under this section.

15 (8) If a debt service reserve is created from the proceeds of bonds,
16 the debt service reserve may be used to pay principal and interest
17 on the bonds as provided in the bond resolution.

18 (9) If bonds are issued under this chapter that are payable solely
19 or in part from revenues to the authority from a project or
20 projects, the authority may adopt a resolution or trust indenture or
21 enter into covenants as is customary in the issuance of revenue
22 bonds. The resolution or trust indenture may pledge or assign the
23 revenues from the project or projects. The resolution or trust
24 indenture may also contain any provisions for protecting and
25 enforcing the rights and remedies of the bond owners as may be
26 reasonable and proper and not in violation of law, including
27 covenants setting forth the duties of the authority. The authority
28 may establish fees and charges for the use of any project and
29 covenant with the owners of any bonds to set those fees and
30 charges at a rate sufficient to protect the interest of the owners of
31 the bonds. Any revenue bonds issued by the authority that are
32 payable solely from revenues of the authority shall contain a
33 statement to that effect in the form of bond.

34 (f) Notwithstanding section 8(a) of this chapter, an ordinance
35 adopted under section 11(b) of this chapter may provide, or be
36 amended to provide, that the board of directors of the authority shall be
37 composed of not fewer than three (3) nor more than seven (7)
38 members, who must be residents of the unit appointed by the executive
39 of the unit.

40 (g) The acquisition of real and personal property by an authority
41 under this section is not subject to the provisions of IC 5-22,
42 IC 36-1-10.5, IC 36-7-14-19, or any other statutes governing the

C
o
p

1 purchase of property by public bodies or their agencies.

2 (h) An authority may negotiate for the sale, lease, or other
3 disposition of real and personal property without complying with the
4 provisions of IC 5-22-22, IC 36-1-11, IC 36-7-14-22, or any other
5 statute governing the disposition of public property.

6 (i) Notwithstanding any other law, utility services provided within
7 an economic development area established under this section are
8 subject to regulation by the appropriate regulatory agencies unless the
9 utility service is provided by a utility that provides utility service solely
10 within the geographic boundaries of an existing or a closed military
11 installation, in which case the utility service is not subject to regulation
12 for purposes of rate making, regulation, service delivery, or issuance of
13 bonds or other forms of indebtedness. However, this exemption from
14 regulation does not apply to utility service if the service is generated,
15 treated, or produced outside the boundaries of the existing or closed
16 military installation.

17 SECTION 311. IC 36-7-15.1-26.5, AS AMENDED BY
18 P.L.90-2002, SECTION 480, IS AMENDED TO READ AS
19 FOLLOWS [EFFECTIVE JANUARY 1, 2004]: Sec. 26.5. (a) As used
20 in this section, "adverse determination" means a determination by the
21 fiscal officer of the consolidated city that the granting of credits
22 described in subsection (g) or (h) would impair any contract with or
23 otherwise adversely affect the owners of outstanding bonds payable
24 from the allocation area special fund.

25 (b) As used in this section, "allocation area" has the meaning set
26 forth in section 26 of this chapter.

27 (c) As used in this section, "special fund" refers to the special fund
28 into which property taxes are paid under section 26 of this chapter.

29 (d) As used in this section, "taxing district" has the meaning set
30 forth in IC 6-1.1-1-20.

31 (e) Except as provided in subsections (g), (h), and (i), each taxpayer
32 in an allocation area is entitled to an additional credit for ~~property~~ taxes
33 **(as defined in IC 6-1.1-21-2)** that, under IC 6-1.1-22-9, are due and
34 payable in May and November of that year. One-half (1/2) of the credit
35 shall be applied to each installment of ~~property~~ taxes **(as defined in**
36 **IC 6-1.1-21-2)**. This credit equals the amount determined under the
37 following STEPS for each taxpayer in a taxing district that contains all
38 or part of the allocation area:

39 STEP ONE: Determine that part of the sum of the amounts under
40 IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3),
41 IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) that is attributable to
42 the taxing district.

1 STEP TWO: Divide:

2 (A) that part of ~~twenty percent (20%)~~ of each county's ~~total~~
 3 ~~county tax levy payable~~ **eligible property tax replacement**
 4 **amount (as defined in IC 6-1.1-21-2)** for that year as
 5 determined under IC 6-1.1-21-4 that is attributable to the
 6 taxing district; by

7 (B) the STEP ONE sum.

8 STEP THREE: Multiply:

9 (A) the STEP TWO quotient; by

10 (B) the total amount of the taxpayer's ~~property~~ taxes **(as**
 11 **defined in IC 6-1.1-21-2)** levied in the taxing district that
 12 would have been allocated to an allocation fund under section
 13 26 of this chapter had the additional credit described in this
 14 section not been given.

15 The additional credit reduces the amount of proceeds allocated to the
 16 redevelopment district and paid into the special fund.

17 (f) The credit for property tax replacement under IC 6-1.1-21-5 and
 18 the additional credits under subsections (e), (g), (h), and (i), unless the
 19 credits under subsections (g) and (h) are partial credits, shall be
 20 computed on an aggregate basis for all taxpayers in a taxing district
 21 that contains all or part of an allocation area. Except as provided in
 22 subsections (h) and (i), the credit for property tax replacement under
 23 IC 6-1.1-21-5 and the additional credits under subsections (e), (g), (h),
 24 and (i) shall be combined on the tax statements sent to each taxpayer.

25 (g) This subsection applies to an allocation area if allocated taxes
 26 from that area were pledged to bonds, leases, or other obligations of the
 27 commission before May 8, 1989. A credit calculated using the method
 28 provided in subsection (e) may be granted under this subsection. The
 29 credit provided under this subsection is first applicable for the
 30 allocation area for property taxes first due and payable in 1992. The
 31 following apply to the determination of the credit provided under this
 32 subsection:

33 (1) Before June 15 of each year, the fiscal officer of the
 34 consolidated city shall determine and certify the following:

35 (A) All amounts due in the following year to the owners of
 36 outstanding bonds payable from the allocation area special
 37 fund.

38 (B) All amounts that are:

39 (i) required under contracts with bond holders; and

40 (ii) payable from the allocation area special fund to fund
 41 accounts and reserves.

42 (C) An estimate of the amount of personal property taxes

- 1 available to be paid into the allocation area special fund under
 2 section 26.9(c) of this chapter.
- 3 (D) An estimate of the aggregate amount of credits to be
 4 granted if full credits are granted.
- 5 (2) Before June 15 of each year, the fiscal officer of the
 6 consolidated city shall determine if the granting of the full amount
 7 of credits in the following year would impair any contract with or
 8 otherwise adversely affect the owners of outstanding bonds
 9 payable from the allocation area special fund.
- 10 (3) If the fiscal officer of the consolidated city determines under
 11 subdivision (2) that there would not be an impairment or adverse
 12 effect:
- 13 (A) the fiscal officer of the consolidated city shall certify the
 14 determination; and
- 15 (B) the full credits shall be applied in the following year,
 16 subject to the determinations and certifications made under
 17 section 26.7(b) of this chapter.
- 18 (4) If the fiscal officer of the consolidated city makes an adverse
 19 determination under subdivision (2), the fiscal officer of the
 20 consolidated city shall determine whether there is an amount of
 21 partial credits that, if granted in the following year, would not
 22 result in the impairment or adverse effect. If the fiscal officer
 23 determines that there is an amount of partial credits that would
 24 not result in the impairment or adverse effect, the fiscal officer
 25 shall do the following:
- 26 (A) Determine the amount of the partial credits.
- 27 (B) Certify that determination.
- 28 (5) If the fiscal officer of the consolidated city certifies under
 29 subdivision (4) that partial credits may be paid, the partial credits
 30 shall be applied pro rata among all affected taxpayers in the
 31 following year.
- 32 (6) An affected taxpayer may appeal any of the following to the
 33 circuit or superior court of the county in which the allocation area
 34 is located:
- 35 (A) A determination by the fiscal officer of the consolidated
 36 city that:
- 37 (i) credits may not be paid in the following year; or
- 38 (ii) only partial credits may be paid in the following year.
- 39 (B) A failure by the fiscal officer of the consolidated city to
 40 make a determination by June 15 of whether full or partial
 41 credits are payable under this subsection.
- 42 (7) An appeal of a determination must be filed not later than thirty

C

(30) days after the publication of the determination.

(8) An appeal of a failure by the fiscal officer of the consolidated city to make a determination of whether the credits are payable under this subsection must be filed by July 15 of the year in which the determination should have been made.

(9) All appeals under subdivision (6) shall be decided by the court within sixty (60) days.

(h) This subsection applies to an allocation area if allocated taxes from that area were pledged to bonds, leases, or other obligations of the commission before May 8, 1989. A credit calculated using the method in subsection (e) and in subdivision (2) of this subsection may be granted under this subsection. The following apply to the credit granted under this subsection:

(1) The credit is applicable to property taxes first due and payable in 1991.

(2) For purposes of this subsection, the amount of a credit for 1990 taxes payable in 1991 with respect to an affected taxpayer is equal to:

(A) the amount of the quotient determined under STEP TWO of subsection (e); multiplied by

(B) the total amount of the property taxes payable by the taxpayer that were allocated in 1991 to the allocation area special fund under section 26 of this chapter.

(3) Before June 15, 1991, the fiscal officer of the consolidated city shall determine and certify an estimate of the aggregate amount of credits for 1990 taxes payable in 1991 if the full credits are granted.

(4) The fiscal officer of the consolidated city shall determine whether the granting of the full amounts of the credits for 1990 taxes payable in 1991 against 1991 taxes payable in 1992 and the granting of credits under subsection (g) would impair any contract with or otherwise adversely affect the owners of outstanding bonds payable from the allocation area special fund for an allocation area described in subsection (g).

(5) If the fiscal officer of the consolidated city determines that there would not be an impairment or adverse effect under subdivision (4):

(A) the fiscal officer shall certify that determination; and

(B) the full credits shall be applied against 1991 taxes payable in 1992 or the amount of the credits shall be paid to the taxpayers as provided in subdivision (12), subject to the determinations and certifications made under section 26.7(b)

- 1 of this chapter.
- 2 (6) If the fiscal officer of the consolidated city makes an adverse
- 3 determination under subdivision (4), the fiscal officer shall
- 4 determine whether there is an amount of partial credits for 1990
- 5 taxes payable in 1991 that, if granted against 1991 taxes payable
- 6 in 1992 in addition to granting of the credits under subsection (g),
- 7 would not result in the impairment or adverse effect.
- 8 (7) If the fiscal officer of the consolidated city determines under
- 9 subdivision (6) that there is an amount of partial credits that
- 10 would not result in the impairment or adverse effect, the fiscal
- 11 officer shall determine the amount of partial credits and certify
- 12 that determination.
- 13 (8) If the fiscal officer of the consolidated city certifies under
- 14 subdivision (7) that partial credits may be paid, the partial credits
- 15 shall be applied pro rata among all affected taxpayers against
- 16 1991 taxes payable in 1992.
- 17 (9) An affected taxpayer may appeal any of the following to the
- 18 circuit or superior court of the county in which the allocation area
- 19 is located:
- 20 (A) A determination by the fiscal officer of the consolidated
- 21 city that:
- 22 (i) credits may not be paid for 1990 taxes payable in 1991;
- 23 or
- 24 (ii) only partial credits may be paid for 1990 taxes payable
- 25 in 1991.
- 26 (B) A failure by the fiscal officer of the consolidated city to
- 27 make a determination by June 15, 1991, of whether credits are
- 28 payable under this subsection.
- 29 (10) An appeal of a determination must be filed not later than
- 30 thirty (30) days after the publication of the determination. Any
- 31 such appeal shall be decided by the court within sixty (60) days.
- 32 (11) An appeal of a failure by the fiscal officer of the consolidated
- 33 city to make a determination of whether credits are payable under
- 34 this subsection must be filed by July 15, 1991. Any such appeal
- 35 shall be decided by the court within sixty (60) days.
- 36 (12) If 1991 taxes payable in 1992 with respect to a parcel are
- 37 billed to the same taxpayer to which 1990 taxes payable in 1991
- 38 were billed, the county treasurer shall apply to the tax bill for

1 county auditor, the county may pay to the taxpayer the amount of
 2 the credit by May 10, 1992, and the amount shall be charged to
 3 the taxing units in which the allocation area is located in the
 4 proportion of the taxing units' respective tax rates for 1990 taxes
 5 payable in 1991.

6 (13) If 1991 taxes payable in 1992 with respect to a parcel are
 7 billed to a taxpayer other than the taxpayer to which 1990 taxes
 8 payable in 1991 were billed, the county treasurer shall do the
 9 following:

10 (A) Apply only the credits under subsections (g) and (i) to the
 11 tax bill for 1991 taxes payable in 1992.

12 (B) Give notice by June 30, 1991, by publication two (2) times
 13 in three (3) newspapers in the county with the largest
 14 circulation of the availability of a refund of the credit under
 15 this subsection.

16 A taxpayer entitled to a credit must file an application for refund
 17 of the credit with the county auditor not later than November 30,
 18 1991.

19 (14) A taxpayer who files an application by November 30, 1991,
 20 is entitled to payment from the county treasurer in an amount that
 21 is in the same proportion to the credit provided under this
 22 subsection with respect to a parcel as the amount of 1990 taxes
 23 payable in 1991 paid by the taxpayer with respect to the parcel
 24 bears to the 1990 taxes payable in 1991 with respect to the parcel.
 25 This amount shall be paid to the taxpayer by May 10, 1992, and
 26 shall be charged to the taxing units in which the allocation area is
 27 located in the proportion of the taxing units' respective tax rates
 28 for 1990 taxes payable in 1991.

29 (i) This subsection applies to an allocation area if allocated taxes
 30 from that area were pledged to bonds, leases, or other obligations of the
 31 commission before May 8, 1989. The following apply to the credit
 32 granted under this subsection:

33 (1) A prior year credit is applicable to property taxes first due and
 34 payable in each year from 1987 through 1990 (the "prior years").

35 (2) The credit for each prior year is equal to:

36 (A) the amount of the quotient determined under STEP TWO
 37 of subsection (e) for the prior year; multiplied by

38 (B) the total amount of the property taxes paid by the taxpayer
 39 that were allocated in the prior year to the allocation area
 40 special fund under section 26 of this chapter.

41 (3) Before January 31, 1992, the county auditor shall determine
 42 the amount of credits under subdivision (2) with respect to each

1 parcel in the allocation area for all prior years with respect to
2 which:

3 (A) taxes were billed to the same taxpayer for taxes payable in
4 each year from 1987 through 1991; or

5 (B) an application was filed by November 30, 1991, under
6 subdivision (8) for refund of the credits for prior years.

7 A report of the determination by parcel shall be sent by the county
8 auditor to the department of local government finance and the
9 budget agency within five (5) days of such determination.

10 (4) Before January 31, 1992, the county auditor shall determine
11 the quotient of the amounts determined under subdivision (3) with
12 respect to each parcel divided by six (6).

13 (5) Before January 31, 1992, the county auditor shall determine
14 the quotient of the aggregate amounts determined under
15 subdivision (3) with respect to all parcels divided by twelve (12).

16 (6) Except as provided in subdivisions (7) and (9), in each year in
17 which credits from prior years remain unpaid, credits for the prior
18 years in the amounts determined under subdivision (4) shall be
19 applied as provided in this subsection.

20 (7) If taxes payable in the current year with respect to a parcel are
21 billed to the same taxpayer to which taxes payable in all of the
22 prior years were billed and if the amount determined under
23 subdivision (3) with respect to the parcel is at least five hundred
24 dollars (\$500), the county treasurer shall apply the credits
25 provided for the current year under subsections (g) and (h) and
26 the credit in the amount determined under subdivision (4) to the
27 tax bill for taxes payable in the current year. However, if the
28 amount determined under subdivision (3) with respect to the
29 parcel is less than five hundred dollars (\$500) (referred to in this
30 subdivision as "small claims"), the county may, at the election of
31 the county auditor, either apply a credit in the amount determined
32 under subdivision (3) or subdivision (4) to the tax bill for taxes
33 payable in the current year or pay either amount to the taxpayer.
34 If title to a parcel transfers in a year in which a credit under this
35 subsection is applied to the tax bill, the transferor may file an
36 application with the county auditor within thirty (30) days of the
37 date of the transfer of title to the parcel for payments to the
38 transferor at the same times and in the same amounts that would
39 have been allowed as credits to the transferor under this
40 subsection if there had not been a transfer. If a determination is
41 made by the county auditor to refund or credit small claims in the
42 amounts determined under subdivision (3) in 1992, the county

C

p

auditor may make appropriate adjustments to the credits applied with respect to other parcels so that the total refunds and credits in any year will not exceed the payments made from the state property tax replacement fund to the prior year credit fund referred to in subdivision (11) in that year.

(8) If taxes payable in the current year with respect to a parcel are billed to a taxpayer that is not a taxpayer to which taxes payable in all of the prior years were billed, the county treasurer shall do the following:

(A) Apply only the credits under subsections (g) and (h) to the tax bill for taxes payable in the current year.

(B) Give notice by June 30, 1991, by publication two (2) times in three (3) newspapers in the county with the largest circulation of the availability of a refund of the credit.

A taxpayer entitled to the credit must file an application for refund of the credit with the county auditor not later than November 30, 1991. A refund shall be paid to an eligible applicant by May 10, 1992.

(9) A taxpayer who filed an application by November 30, 1991, is entitled to payment from the county treasurer under subdivision (8) in an amount that is in the same proportion to the credit determined under subdivision (3) with respect to a parcel as the amount of taxes payable in the prior years paid by the taxpayer with respect to the parcel bears to the taxes payable in the prior years with respect to the parcel.

(10) In each year on May 1 and November 1, the state shall pay to the county treasurer from the state property tax replacement fund the amount determined under subdivision (5).

(11) All payments received from the state under subdivision (10) shall be deposited into a special fund to be known as the prior year credit fund. The prior year credit fund shall be used to make:

(A) payments under subdivisions (7) and (9); and

(B) deposits into the special fund for the application of prior year credits.

(12) All amounts paid into the special fund for the allocation area under subdivision (11) are subject to any pledge of allocated property tax proceeds made by the redevelopment district under section 26(d) of this chapter, including but not limited to any pledge made to owners of outstanding bonds of the redevelopment district of allocated taxes from that area.

(13) By January 15, 1993, and by January 15 of each year thereafter, the county auditor shall send to the department of local

government finance and the budget agency a report of the receipts, earnings, and disbursements of the prior year credit fund for the prior calendar year. If in the final year that credits under subsection (i) are allowed any balance remains in the prior year credit fund after the payment of all credits payable under this subsection, such balance shall be repaid to the treasurer of state for deposit in the property tax replacement fund.

(14) In each year, the county shall limit the total of all refunds and credits provided for in this subsection to the total amount paid in that year from the property tax replacement fund into the prior year credit fund and any balance remaining from the preceding year in the prior year credit fund.

SECTION 312. IC 36-7-15.1-35 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004]: Sec. 35. (a) Notwithstanding section 26(a) of this chapter, with respect to the allocation and distribution of property taxes for the accomplishment of a program adopted under section 32 of this chapter, "base assessed value" means the net assessed value of all of the land as finally determined for the assessment date immediately preceding the effective date of the allocation provision, as adjusted under section 26(g) of this chapter. However, "base assessed value" does not include the value of real property improvements to the land.

(b) The special fund established under section 26(b) of this chapter for the allocation area for a program adopted under section 32 of this chapter may be used only for purposes related to the accomplishment of the program, including the following:

- (1) The construction, rehabilitation, or repair of residential units within the allocation area.
- (2) The construction, reconstruction, or repair of infrastructure (such as streets, sidewalks, and sewers) within or serving the allocation area.
- (3) The acquisition of real property and interests in real property within the allocation area.
- (4) The demolition of real property within the allocation area.
- (5) To provide financial assistance to enable individuals and families to purchase or lease residential units within the allocation area. However, financial assistance may be provided only to those individuals and families whose income is at or below the county's median income for individuals and families, respectively.
- (6) To provide financial assistance to neighborhood development corporations to permit them to provide financial assistance for the purposes described in subdivision (5).

(7) To provide each taxpayer in the allocation area a credit for property tax replacement as determined under subsections (c) and (d). However, this credit may be provided by the commission only if the city-county legislative body establishes the credit by ordinance adopted in the year before the year in which the credit is provided.

(c) The maximum credit that may be provided under subsection (b)(7) to a taxpayer in a taxing district that contains all or part of an allocation area established for a program adopted under section 32 of this chapter shall be determined as follows:

STEP ONE: Determine that part of the sum of the amounts described in IC 6-1.1-21-2(g)(1)(A) and IC 6-1.1-21-2(g)(2) through IC 6-1.1-21-2(g)(5) that is attributable to the taxing district.

STEP TWO: Divide:

(A) that part of ~~the amount~~ **each county's eligible property tax replacement amount (as defined in IC 6-1.1-21-2) for that year** as determined under IC 6-1.1-21-4(a)(1) that is attributable to the taxing district; by

(B) the amount determined under STEP ONE.

STEP THREE: Multiply:

(A) the STEP TWO quotient; by

(B) the taxpayer's ~~property~~ **property taxes (as defined in IC 6-1.1-21-2)** levied in the taxing district allocated to the allocation fund, including the amount that would have been allocated but for the credit.

(d) The commission may determine to grant to taxpayers in an allocation area from its allocation fund a credit under this section, as calculated under subsection (c), by applying one-half (1/2) of the credit to each installment of ~~property~~ **property taxes (as defined in IC 6-1.1-21-2)** that under IC 6-1.1-22-9 are due and payable on May 1 and November 1 of a year. The commission must provide for the credit annually by a resolution and must find in the resolution the following:

(1) That the money to be collected and deposited in the allocation fund, based upon historical collection rates, after granting the credit will equal the amounts payable for contractual obligations from the fund, plus ten percent (10%) of those amounts.

(2) If bonds payable from the fund are outstanding, that there is a debt service reserve for the bonds that at least equals the amount of the credit to be granted.

(3) If bonds of a lessor under section 17.1 of this chapter or under IC 36-1-10 are outstanding and if lease rentals are payable from

C
o
p
y

the fund, that there is a debt service reserve for those bonds that at least equals the amount of the credit to be granted.

If the tax increment is insufficient to grant the credit in full, the commission may grant the credit in part, prorated among all taxpayers.

(e) Notwithstanding section 26(b) of this chapter, the special fund established under section 26(b) of this chapter for the allocation area for a program adopted under section 32 of this chapter may only be used to do one (1) or more of the following:

(1) Accomplish one (1) or more of the actions set forth in section 26(b)(2)(A) through ~~section~~ 26(b)(2)(H) of this chapter.

(2) Reimburse the consolidated city for expenditures made by the city in order to accomplish the housing program in that allocation area.

The special fund may not be used for operating expenses of the commission.

(f) Notwithstanding section 26(b) of this chapter, the commission shall, relative to the special fund established under section 26(b) of this chapter for an allocation area for a program adopted under section 32 of this chapter, do the following before July 15 of each year:

(1) Determine the amount, if any, by which property taxes payable to the allocation fund in the following year will exceed the amount of property taxes necessary:

(A) to make, when due, principal and interest payments on bonds described in section 26(b)(2) of this chapter;

(B) to pay the amount necessary for other purposes described in section 26(b)(2) of this chapter; and

(C) to reimburse the consolidated city for anticipated expenditures described in subsection (e)(2).

(2) Notify the county auditor of the amount, if any, of excess property taxes that the commission has determined may be paid to the respective taxing units in the manner prescribed in section 26(b)(1) of this chapter.

SECTION 313. IC 36-7-15.1-56, AS ADDED BY P.L.102-1999, SECTION 23, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004]: Sec. 56. (a) As used in this section, "allocation area" has the meaning set forth in section 53 of this chapter.

(b) As used in this section, "taxing district" has the meaning set forth in IC 6-1.1-1-20.

(c) Subject to subsection (e), each taxpayer in an allocation area is entitled to an additional credit for ~~property~~ taxes **(as defined in IC 6-1.1-21-2)** that under IC 6-1.1-22-9 are due and payable in May and November of that year. One-half (1/2) of the credit shall be applied

C
O
P
Y

to each installment of ~~property~~ taxes **(as defined in IC 6-1.1-21-2)**.
This credit equals the amount determined under the following STEPS
for each taxpayer in a taxing district that contains all or part of the
allocation area:

STEP ONE: Determine that part of the sum of the amounts under
IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3),
IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) that is attributable to
the taxing district.

STEP TWO: Divide:

(A) that part of ~~twenty percent (20%)~~ of each county's ~~total~~
~~county tax levy payable~~ **eligible property tax replacement**
amount (as defined in IC 6-1.1-21-2) for that year as
determined under IC 6-1.1-21-4 that is attributable to the
taxing district; by

(B) the STEP ONE sum.

STEP THREE: Multiply:

(A) the STEP TWO quotient; times

(B) the total amount of the taxpayer's ~~property~~ taxes **(as**
defined in IC 6-1.1-21-2) levied in the taxing district that
would have been allocated to an allocation fund under section
53 of this chapter had the additional credit described in this
section not been given.

The additional credit reduces the amount of proceeds allocated to the
development district and paid into an allocation fund under section
53(b)(2) of this chapter.

(d) If the additional credit under subsection (c) is not reduced under
subsection (e) or (f), the credit for property tax replacement under
IC 6-1.1-21-5 and the additional credit under subsection (c) shall be
computed on an aggregate basis for all taxpayers in a taxing district
that contains all or part of an allocation area. The credit for property tax
replacement under IC 6-1.1-21-5 and the additional credit under
subsection (c) shall be combined on the tax statements sent to each
taxpayer.

(e) Upon the recommendation of the commission, the excluded city
legislative body may, by resolution, provide that the additional credit
described in subsection (c):

(1) does not apply in a specified allocation area; or

(2) is to be reduced by a uniform percentage for all taxpayers in
a specified allocation area.

(f) Whenever the excluded city legislative body determines that
granting the full additional credit under subsection (c) would adversely
affect the interests of the holders of bonds or other contractual

C
o
p
y

obligations that are payable from allocated tax proceeds in that allocation area in a way that would create a reasonable expectation that those bonds or other contractual obligations would not be paid when due, the excluded city legislative body must adopt a resolution under subsection (e) to deny the additional credit or reduce it to a level that creates a reasonable expectation that the bonds or other obligations will be paid when due. A resolution adopted under subsection (e) denies or reduces the additional credit for property taxes first due and payable in the allocation area in any year following the year in which the resolution is adopted.

(g) A resolution adopted under subsection (e) remains in effect until it is rescinded by the body that originally adopted it. However, a resolution may not be rescinded if the rescission would adversely affect the interests of the holders of bonds or other obligations that are payable from allocated tax proceeds in that allocation area in a way that would create a reasonable expectation that the principal of or interest on the bonds or other obligations would not be paid when due. If a resolution is rescinded and no other resolution is adopted, the additional credit described in subsection (c) applies to property taxes first due and payable in the allocation area in each year following the year in which the resolution is rescinded.

SECTION 314. IC 36-7-30-25, AS AMENDED BY P.L.90-2002, SECTION 486, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004]: Sec. 25. (a) The following definitions apply throughout this section:

(1) "Allocation area" means that part of a military base reuse area to which an allocation provision of a declaratory resolution adopted under section 10 of this chapter refers for purposes of distribution and allocation of property taxes.

(2) "Base assessed value" means:

(A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the adoption date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus

(B) to the extent that it is not included in clause (A) or (C), the net assessed value of any and all parcels or classes of parcels identified as part of the base assessed value in the declaratory resolution or an amendment thereto, as finally determined for any subsequent assessment date; plus

(C) to the extent that it is not included in clause (A) or (B), the net assessed value of property that is assessed as residential property under the rules of the department of local government

C
o
p
y

1 finance, as finally determined for any assessment date after the
2 effective date of the allocation provision.

3 Clause (C) applies only to allocation areas established in a
4 military reuse area after June 30, 1997, and to the portion of an
5 allocation area that was established before June 30, 1997, and that
6 is added to an existing allocation area after June 30, 1997.

7 (3) "Property taxes" means taxes imposed under IC 6-1.1 on real
8 property.

9 (b) A declaratory resolution adopted under section 10 of this chapter
10 before the date set forth in IC 36-7-14-39(b) pertaining to declaratory
11 resolutions adopted under IC 36-7-14-15 may include a provision with
12 respect to the allocation and distribution of property taxes for the
13 purposes and in the manner provided in this section. A declaratory
14 resolution previously adopted may include an allocation provision by
15 the amendment of that declaratory resolution in accordance with the
16 procedures set forth in section 13 of this chapter. The allocation
17 provision may apply to all or part of the military base reuse area. The
18 allocation provision must require that any property taxes subsequently
19 levied by or for the benefit of any public body entitled to a distribution
20 of property taxes on taxable property in the allocation area be allocated
21 and distributed as follows:

22 (1) Except as otherwise provided in this section, the proceeds of
23 the taxes attributable to the lesser of:

24 (A) the assessed value of the property for the assessment date
25 with respect to which the allocation and distribution is made;

26 or

27 (B) the base assessed value;

28 shall be allocated to and, when collected, paid into the funds of
29 the respective taxing units.

30 (2) Except as otherwise provided in this section, property tax
31 proceeds in excess of those described in subdivision (1) shall be
32 allocated to the military base reuse district and, when collected,
33 paid into an allocation fund for that allocation area that may be
34 used by the military base reuse district and only to do one (1) or
35 more of the following:

36 (A) Pay the principal of and interest and redemption premium
37 on any obligations incurred by the military base reuse district
38 or any other entity for the purpose of financing or refinancing
39 military base reuse activities in or directly serving or
40 benefiting that allocation area.

41 (B) Establish, augment, or restore the debt service reserve for
42 bonds payable solely or in part from allocated tax proceeds in

C
o
p
y

that allocation area or from other revenues of the reuse authority, including lease rental revenues.

(C) Make payments on leases payable solely or in part from allocated tax proceeds in that allocation area.

(D) Reimburse any other governmental body for expenditures made for local public improvements (or structures) in or directly serving or benefiting that allocation area.

(E) Pay all or a part of a property tax replacement credit to taxpayers in an allocation area as determined by the reuse authority. This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district (as defined in IC 6-1.1-1-20) that contains all or part of the allocation area:

STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) that is attributable to the taxing district.

STEP TWO: Divide:

(i) that part of the ~~twenty percent (20%)~~ of each county's ~~total county tax levy payable eligible property tax replacement amount (as defined in IC 6-1.1-21-2)~~ for that year as determined under IC 6-1.1-21-4 that is attributable to the taxing district; by

(ii) the STEP ONE sum.

STEP THREE: Multiply:

(i) the STEP TWO quotient; times

(ii) the total amount of the taxpayer's ~~property taxes (as defined in IC 6-1.1-21-2)~~ levied in the taxing district that have been allocated during that year to an allocation fund under this section.

If not all the taxpayers in an allocation area receive the credit in full, each taxpayer in the allocation area is entitled to receive the same proportion of the credit. A taxpayer may not receive a credit under this section and a credit under section 27 of this chapter in the same year.

(F) Pay expenses incurred by the reuse authority for local public improvements or structures that were in the allocation area or directly serving or benefiting the allocation area.

(G) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

(i) in the allocation area; and

C
o
p
y

(ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made not more than three (3) years after the date on which the investments that are the basis for the increment financing are made.

The allocation fund may not be used for operating expenses of the reuse authority.

(3) Except as provided in subsection (g), before July 15 of each year the reuse authority shall do the following:

(A) Determine the amount, if any, by which property taxes payable to the allocation fund in the following year will exceed the amount of property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (2) plus the amount necessary for other purposes described in subdivision (2).

(B) Notify the county auditor of the amount, if any, of the amount of excess property taxes that the reuse authority has determined may be paid to the respective taxing units in the manner prescribed in subdivision (1). The reuse authority may not authorize a payment to the respective taxing units under this subdivision if to do so would endanger the interest of the holders of bonds described in subdivision (2) or lessors under section 19 of this chapter. Property taxes received by a taxing unit under this subdivision are eligible for the property tax replacement credit provided under IC 6-1.1-21.

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by a taxing unit after the effective date of the allocation provision of the declaratory resolution is the lesser of:

- (1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or
- (2) the base assessed value.

(d) Property tax proceeds allocable to the military base reuse district under subsection (b)(2) may, subject to subsection (b)(3), be irrevocably pledged by the military base reuse district for payment as set forth in subsection (b)(2).

(e) Notwithstanding any other law, each assessor shall, upon

C
o
p
y

petition of the reuse authority, reassess the taxable property situated upon or in or added to the allocation area, effective on the next assessment date after the petition.

(f) Notwithstanding any other law, the assessed value of all taxable property in the allocation area, for purposes of tax limitation, property tax replacement, and the making of the budget, tax rate, and tax levy for each political subdivision in which the property is located is the lesser of:

(1) the assessed value of the property as valued without regard to this section; or

(2) the base assessed value.

(g) If any part of the allocation area is located in an enterprise zone created under IC 4-4-6.1, the unit that designated the allocation area shall create funds as specified in this subsection. A unit that has obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(2) shall establish an allocation fund for the purposes specified in subsection (b)(2) and a special zone fund. Such a unit shall, until the end of the enterprise zone phase out period, deposit each year in the special zone fund any amount in the allocation fund derived from property tax proceeds in excess of those described in subsection (b)(1) from property located in the enterprise zone that exceeds the amount sufficient for the purposes specified in subsection (b)(2) for the year. The amount sufficient for purposes specified in subsection (b)(2) for the year shall be determined based on the pro rata part of such current property tax proceeds from the part of the enterprise zone that is within the allocation area as compared to all such current property tax proceeds derived from the allocation area. A unit that does not have obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(2) shall establish a special zone fund and deposit all the property tax proceeds in excess of those described in subsection (b)(1) that are derived from property in the enterprise zone in the fund. The unit that creates the special zone fund shall use the fund (based on the recommendations of the urban enterprise association) for programs in job training, job enrichment, and basic skill development that are designed to benefit residents and employers in the enterprise zone or other purposes specified in subsection (b)(2), except that where reference is made in subsection (b)(2) to allocation area it shall refer for purposes of payments from the special zone fund only to that portion of the allocation area that is also located in the enterprise zone. The programs shall reserve at least one-half (1/2) of their enrollment in any session for residents of the enterprise zone.

(h) After each general reassessment under IC 6-1.1-4, the

C
o
p
y

department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the general reassessment on the property tax proceeds allocated to the military base reuse district under this section. However, the adjustment may not include the effect of property tax abatements under IC 6-1.1-12.1, and the adjustment may not produce less property tax proceeds allocable to the military base reuse district under subsection (b)(2) than would otherwise have been received if the general reassessment had not occurred. The department of local government finance may prescribe procedures for county and township officials to follow to assist the department in making the adjustments.

SECTION 315. IC 36-7-30-27 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2004]: Sec. 27. (a) As used in this section, "allocation area" has the meaning set forth in section 25 of this chapter.

(b) As used in this section, "taxing district" has the meaning set forth in IC 6-1.1-1-20.

(c) Subject to subsection (e), each taxpayer in an allocation area is entitled to an additional credit for ~~property~~ taxes **(as defined in IC 6-1.1-21-2)** that under IC 6-1.1-22-9 are due and payable in May and November of that year. One-half (1/2) of the credit shall be applied to each installment of ~~property~~ taxes **(as defined in IC 6-1.1-21-2)**. This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district that contains all or part of the allocation area:

STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) that is attributable to the taxing district.

STEP TWO: Divide:

(A) that part of ~~twenty percent (20%)~~ of each county's ~~total county tax levy payable~~ **eligible property tax replacement amount (as defined in IC 6-1.1-21-2)** for that year as determined under IC 6-1.1-21-4 that is attributable to the taxing district; by

(B) the STEP ONE sum.

STEP THREE: Multiply:

(A) the STEP TWO quotient; times

(B) the total amount of the taxpayer's ~~property~~ taxes **(as defined in IC 6-1.1-21-2)** levied in the taxing district that would have been allocated to an allocation fund under section 25 of this chapter had the additional credit described in this

C
o
p

1 section not been given.

2 The additional credit reduces the amount of proceeds allocated to the
3 military base reuse district and paid into an allocation fund under
4 section 25(b)(2) of this chapter.

5 (d) If the additional credit under subsection (c) is not reduced under
6 subsection (e) or (f), the credit for property tax replacement under
7 IC 6-1.1-21-5 and the additional credit under subsection (c) shall be
8 computed on an aggregate basis for all taxpayers in a taxing district
9 that contains all or part of an allocation area. The credit for property tax
10 replacement under IC 6-1.1-21-5 and the additional credit under
11 subsection (c) shall be combined on the tax statements sent to each
12 taxpayer.

13 (e) Upon the recommendation of the reuse authority, the municipal
14 legislative body (in the case of a reuse authority established by a
15 municipality) or the county executive (in the case of a reuse authority
16 established by a county) may by resolution provide that the additional
17 credit described in subsection (c):

- 18 (1) does not apply in a specified allocation area; or
- 19 (2) is to be reduced by a uniform percentage for all taxpayers in
20 a specified allocation area.

21 (f) If the municipal legislative body or county executive determines
22 that granting the full additional credit under subsection (c) would
23 adversely affect the interests of the holders of bonds or other
24 contractual obligations that are payable from allocated tax proceeds in
25 that allocation area in a way that would create a reasonable expectation
26 that those bonds or other contractual obligations would not be paid
27 when due, the municipal legislative body or county executive must
28 adopt a resolution under subsection (e) to deny the additional credit or
29 reduce the credit to a level that creates a reasonable expectation that
30 the bonds or other obligations will be paid when due. A resolution
31 adopted under subsection (e) denies or reduces the additional credit for
32 property taxes first due and payable in the allocation area in any year
33 following the year in which the resolution is adopted.

34 (g) A resolution adopted under subsection (e) remains in effect until
35 rescinded by the body that originally adopted the resolution. However,
36 a resolution may not be rescinded if the rescission would adversely
37 affect the interests of the holders of bonds or other obligations that are
38 payable from allocated tax proceeds in that allocation area in a way that
39 would create a reasonable expectation that the principal of or interest
40 on the bonds or other obligations would not be paid when due. If a
41 resolution is rescinded and no other resolution is adopted, the
42 additional credit described in subsection (c) applies to property taxes

first due and payable in the allocation area in each year following the year in which the resolution is rescinded.

Sec. 10. A unit may apply to the department of commerce for designation of all or part of the territory within the jurisdiction of the unit's redevelopment commission as a certified technology park and to enter into an agreement governing the terms and conditions of the designation. The application must be in a form specified by the department and must include information the department determines necessary to make the determinations required under section 11 of this chapter.

Sec. 11. (a) After receipt of an application under section 10 of this chapter, and subject to subsection (b), the department of commerce may designate a certified technology park if the department determines that the application demonstrates a firm commitment from at least one (1) business engaged in a high technology activity creating a significant number of jobs and satisfies one (1) or more of the following additional criteria:

1 application that would result in a substantial reduction or cessation
2 of operations in another location in Indiana in order to relocate
3 them within the certified technology park.

4 (c) There may be not more than three (3) certified technology
5 parks designated by the department.

6 Sec. 12. A redevelopment commission and the legislative body
7 of the unit that established the redevelopment commission may
8 enter into an agreement with the department of commerce
9 establishing the terms and conditions governing a certified
10 technology park designated under section 11 of this chapter. Upon
11 designation of the certified technology park under the terms of the
12 agreement, the subsequent failure of any party to comply with the
13 terms of the agreement does not result in the termination or
14 rescission of the designation of the area as a certified technology
15 park. The agreement must include the following provisions:

16 (1) A description of the area to be included within the certified
17 technology park.

18 (2) Covenants and restrictions, if any, upon all or a part of the
19 properties contained within the certified technology park and

26 support of the operations and activities within the certified
27 technology park.

28 (5) The terms of enforcement of the agreement, which may
29 include the definition of events of default, cure periods, legal
30 and equitable remedies and rights, and penalties and
31 damages, actual or liquidated, upon the occurrence of an
32 event of default.

33 (6) The public facilities to be developed for the certified
34 technology park and the costs of those public facilities, as
35 approved by the department of commerce.

36 Sec. 13. (a) If the department of commerce determines that a
37 sale price or rental value at below market rate will assist in
38 increasing employment or private investment in a certified
39 technology park, the redevelopment commission and the legislative
40 body of the unit may determine the sale price or rental value for
41 public facilities owned or developed by the redevelopment
42 commission and the unit in the certified technology park at below

C
o
p
y

1 market rate.

2 (b) If public facilities developed under an agreement entered
3 into under this chapter are conveyed or leased at less than fair
4 market value or at below market rates, the terms of the conveyance
5 or lease shall include legal and equitable remedies and rights to
6 assure that the public facilities are used for high technology
7 activities or as a business incubator. Legal and equitable remedies
8 and rights may include penalties and actual or liquidated damages.

9 Sec. 14. The department of commerce shall market the certified
10 technology park. The department and a redevelopment commission
11 may contract with each other or any third party for these
12 marketing services.

13 Sec. 15. (a) Subject to the approval of the legislative body of the
14 unit that established the redevelopment commission, the
15 redevelopment commission may adopt a resolution designating a
16 certified technology park as an allocation area for purposes of the
17 allocation and distribution of property taxes.

18 (b) After adoption of the resolution under subsection (a), the
19 redevelopment commission shall:

20 (1) publish notice of the adoption and substance of the
21 resolution in accordance with IC 5-3-1; and

22 (2) file the following information with each taxing unit that
23 has authority to levy property taxes in the geographic area
24 where the certified technology park is located:

25 (A) A copy of the notice required by subdivision (1).

26 (B) A statement disclosing the impact of the certified
27 technology park, including the following:

28 (i) The estimated economic benefits and costs incurred
29 by the certified technology park, as measured by
30 increased employment and anticipated growth of real
31 property assessed values.

32 (ii) The anticipated impact on tax revenues of each
33 taxing unit.

34 The notice must state the general boundaries of the certified
35 technology park and must state that written remonstrances may be
36 filed with the redevelopment commission until the time designated
37 for the hearing. The notice must also name the place, date, and
38 time when the redevelopment commission will receive and hear
39 remonstrances and objections from persons interested in or
40 affected by the proceedings pertaining to the proposed allocation
41 area and will determine the public utility and benefit of the
42 proposed allocation area. The commission shall file the information

1 required by subdivision (2) with the officers of the taxing unit who
 2 are authorized to fix budgets, tax rates, and tax levies under
 3 IC 6-1.1-17-5 at least ten (10) days before the date of the public
 4 hearing. All persons affected in any manner by the hearing,
 5 including all taxpayers within the taxing district of the
 6 redevelopment commission, shall be considered notified of the
 7 pendency of the hearing and of subsequent acts, hearings,
 8 adjournments, and orders of the redevelopment commission
 9 affecting the allocation area if the redevelopment commission gives
 10 the notice required by this section.

11 (c) At the hearing, which may be recessed and reconvened
 12 periodically, the redevelopment commission shall hear all persons
 13 interested in the proceedings and shall consider all written
 14 remonstrances and objections that have been filed. After
 15 considering the evidence presented, the redevelopment commission
 16 shall take final action determining the public utility and benefit of
 17 the proposed allocation area confirming, modifying and
 18 confirming, or rescinding the resolution. The final action taken by
 19 the redevelopment commission shall be recorded and is final and
 20 conclusive, except that an appeal may be taken in the manner
 21 prescribed by section 16 of this chapter.

22 Sec. 16. (a) A person who files a written remonstrance with the
 23 redevelopment commission under section 15 of this chapter and
 24 who is aggrieved by the final action taken may, within ten (10) days
 25 after that final action, file with the office of the clerk of the circuit
 26 or superior court of the county a copy of the redevelopment
 27 commission's resolution and the person's remonstrance against the
 28 resolution, together with the person's bond as provided by
 29 IC 34-13-5-7.

30 (b) An appeal under this section shall be promptly heard by the
 31 court without a jury. All remonstrances upon which an appeal has
 32 been taken shall be consolidated and heard and determined within
 33 thirty (30) days after the time of filing of the appeal. The court
 34 shall decide the appeal based on the record and evidence before the
 35 redevelopment commission, not by trial de novo, and may confirm
 36 the final action of the redevelopment commission or sustain the
 37 remonstrances. The judgment of the court is final and conclusive,
 38 unless an appeal is taken as in other civil actions.

39 Sec. 17. (a) An allocation provision adopted under section 15 of
 40 this chapter must:

- 41 (1) apply to the entire certified technology park; and
- 42 (2) require that any property tax on taxable property

subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes in the certified technology park be allocated and distributed as provided in subsections (b) and (c).

(b) Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:

(1) the assessed value of the taxable property for the assessment date with respect to which the allocation and distribution is made; or

(2) the base assessed value;

shall be allocated and, when collected, paid into the funds of the respective taxing units.

(c) Except as provided in subsection (d), all the property tax proceeds that exceed those described in subsection (b) shall be allocated to the redevelopment commission for the certified technology park and, when collected, paid into the certified technology park fund established under section 23 of this chapter.

(d) Before July 15 of each year, the redevelopment commission shall do the following:

(1) Determine the amount, if any, by which the property tax proceeds to be deposited in the certified technology park fund will exceed the amount necessary for the purposes described in section 23 of this chapter.

(2) Notify the county auditor of the amount, if any, of excess tax proceeds that the redevelopment commission has determined may be allocated to the respective taxing units in the manner prescribed in subsection (c). The redevelopment commission may not authorize an allocation of property tax proceeds under this subdivision if to do so would endanger the interests of the holders of bonds described in section 24 of this chapter.

(e) Notwithstanding any other law, each assessor shall, upon petition of the redevelopment commission, reassess the taxable property situated upon or in, or added to, the certified technology park effective on the next assessment date after the petition.

(f) Notwithstanding any other law, the assessed value of all taxable property in the certified technology park, for purposes of tax limitation, property tax replacement, and formulation of the budget, tax rate, and tax levy for each political subdivision in which the property is located is the lesser of:

(1) the assessed value of the taxable property as valued without regard to this section; or

(2) the base assessed value.

Sec. 18. (a) A redevelopment commission may, by resolution, provide that each taxpayer in a certified technology park that has been designated as an allocation area is entitled to an additional credit for taxes (as defined in IC 6-1.1-21-2) that, under IC 6-1.1-22-9, are due and payable in May and November of that year. One-half (1/2) of the credit shall be applied to each installment of property taxes. This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district that contains all or part of the certified technology park:

STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A) and IC 6-1.1-21-2(g)(2) through IC 6-1.1-21-2(g)(5) that is attributable to the taxing district.

STEP TWO: Divide:

(A) that part of the county's total eligible property tax replacement amount (as defined in IC 6-1.1-21-2) for that year as determined under IC 6-1.1-21-4 that is attributable to the taxing district; by

(B) the STEP ONE sum.

STEP THREE: Multiply:

(A) the STEP TWO quotient; by

(B) the total amount of the taxpayer's taxes (as defined in IC 6-1.1-21-2) levied in the taxing district that would have been allocated to the certified technology park fund under section 17 of this chapter had the additional credit described in this section not been given.

The additional credit reduces the amount of proceeds allocated and paid into the certified technology park fund under section 17 of this chapter.

(b) The additional credit under subsection (a) shall be:

(1) computed on an aggregate basis of all taxpayers in a taxing district that contains all or part of a certified technology park; and

(2) combined on the tax statement sent to each taxpayer.

(c) Concurrently with the mailing or other delivery of the tax statement or any corrected tax statement to each taxpayer, as required by IC 6-1.1-22-8(a), each county treasurer shall for each tax statement also deliver to each taxpayer in a certified technology park who is entitled to the additional credit under subsection (a) a notice of additional credit. The actual dollar amount of the credit, the taxpayer's name and address, and the tax statement to which

the credit applies must be stated on the notice.

(d) Notwithstanding any other law, a taxpayer in a certified technology park is not entitled to a credit for property tax replacement under IC 6-1.1-21-5.

Sec. 19. (a) The state board of accounts and department of local government finance shall make the rules and prescribe the forms and procedures that the state board of accounts and department of local government finance consider appropriate for the implementation of an allocation area under this chapter.

(b) After each general reassessment under IC 6-1.1-4, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the general reassessment on the property tax proceeds allocated to the certified technology park fund under section 17 of this chapter.

Sec. 20. (a) After entering into an agreement under section 12 of this chapter, the redevelopment commission shall send to the department of state revenue:

(1) a certified copy of the designation of the certified technology park under section 11 of this chapter;

(2) a certified copy of the agreement entered into under section 12 of this chapter; and

(3) a complete list of the employers in the certified technology park and the street names and the range of street numbers of each street in the certified technology park.

The redevelopment commission shall update the list provided under subdivision (3) before July 1 of each year.

(b) Not later than sixty (60) days after receiving a copy of the designation of the certified technology park, the department of state revenue shall determine the gross retail base period amount and the income tax base period amount.

Sec. 21. Before the first business day in October of each year, the department of state revenue shall calculate the income tax incremental amount and the gross retail incremental amount for the preceding state fiscal year for each certified technology park designated under this chapter.

Sec. 22. (a) The treasurer of state shall establish an incremental tax financing fund for each certified technology park designated under this chapter. The fund shall be administered by the treasurer of state. Money in the fund does not revert to the state general fund at the end of a state fiscal year.

(b) Subject to subsection (c), the following amounts shall be deposited during each state fiscal year in the incremental tax

C
o
p
y

1 financing fund established for a certified technology park under
2 subsection (a):

3 (1) The aggregate amount of state gross retail and use taxes
4 that are remitted under IC 6-2.5 by businesses operating in
5 the certified technology park, until the amount of state gross
6 retail and use taxes deposited equals the gross retail
7 incremental amount for the certified technology park.

8 (2) The aggregate amount of the following taxes paid by
9 employees employed in the certified technology park with
10 respect to wages earned for work in the certified technology
11 park, until the amount deposited equals the income tax
12 incremental amount:

13 (A) The adjusted gross income tax.

14 (B) The county adjusted gross income tax.

15 (C) The county option income tax.

16 (D) The county economic development income tax.

17 (c) Not more than an aggregate total of five million dollars
18 (\$5,000,000) may be deposited in a particular incremental tax
19 financing fund for a certified technology park over the life of the
20 certified technology park.

21 (d) On or before the twentieth day of each month, all amounts
22 held in the incremental tax financing fund established for a
23 certified technology park shall be distributed to the redevelopment
24 commission for deposit in the certified technology park fund
25 established under section 23 of this chapter.

26 Sec. 23. (a) Each redevelopment commission that establishes a
27 certified technology park under this chapter shall establish a
28 certified technology park fund to receive:

29 (1) property tax proceeds allocated under section 17 of this
30 chapter; and

31 (2) money distributed to the redevelopment commission under
32 section 22 of this chapter.

33 (b) Money deposited in the certified technology park fund may
34 be used by the redevelopment commission only for one (1) or more
35 of the following purposes.

36 (1) Acquisition, improvement, preparation, demolition,
37 disposal, construction, reconstruction, remediation,
38 rehabilitation, restoration, preservation, maintenance, repair,
39 furnishing, and equipping of public facilities.

40 (2) Operation of public facilities described in section 9(2) of
41 this chapter.

42 (3) Payment of the principal of and interest on any obligations

C
o
p

that are payable solely or in part from money deposited in the fund and that are incurred by the redevelopment commission for the purpose of financing or refinancing the development of public facilities in the certified technology park.

(4) Establishment, augmentation, or restoration of the debt service reserve for obligations described in subdivision (3).

(5) Payment of the principal of and interest on bonds issued by the unit to pay for public facilities in or serving the certified technology park.

(6) Payment of premiums on the redemption before maturity of bonds described in subdivision (3).

(7) Payment of amounts due under leases payable from money deposited in the fund.

(8) Reimbursement of the unit for expenditures made by it for public facilities in or serving the certified technology park.

(9) Payment of expenses incurred by the redevelopment commission for public facilities that are in the certified technology park or serving the certified technology park.

(c) The certified technology park fund may not be used for operating expenses of the redevelopment commission.

Sec. 24. (a) A redevelopment commission may issue bonds for the purpose of providing public facilities under this chapter.

(b) The bonds are payable solely from:

(1) property tax proceeds allocated to the certified technology park fund under section 17 of this chapter;

(2) money distributed to the redevelopment commission under section 22 of this chapter;

(3) other funds available to the redevelopment commission; or

(4) a combination of the methods stated in subdivisions (1) through (3).

(c) The bonds shall be authorized by a resolution of the redevelopment commission.

(d) The terms and form of the bonds shall be set out either in the resolution or in a form of trust indenture approved by the resolution.

(e) The bonds must mature within fifty (50) years.

(f) The redevelopment commission shall sell the bonds at public or private sale upon such terms as determined by the redevelopment commission.

Sec. 8. A taxpayer that:

The agreement must include the following provisions:

(1) A description of the area to be included within the certified technology park.

(2) Covenants and restrictions, if any, upon all or a part of the properties contained within the certified technology park and terms of enforcement of any covenants or restrictions.

(b) If public facilities developed under an agreement entered into under this chapter are conveyed or leased at less than fair market value or at below market rates, the terms of the conveyance or lease shall include legal and equitable remedies and rights to assure that the public facilities are used for high technology activities or as a business incubator. Legal and equitable remedies and rights may include penalties and actual or liquidated damages.

Sec. 14. The department of commerce shall market the certified technology park. The department and a redevelopment commission may contract with each other or any third party for these marketing services.

Sec. 15. (a) Subject to the approval of the legislative body of the unit that established the redevelopment commission, the redevelopment commission may adopt a resolution designating a certified technology park as an allocation area for purposes of the allocation and distribution of property taxes.

(b) After adoption of the resolution under subsection (a), the redevelopment commission shall:

- (1) publish notice of the adoption and substance of the resolution in accordance with IC 5-3-1; and
- (2) file the following information with each taxing unit that has authority to levy property taxes in the geographic area where the certified technology park is located:

remonstrances and objections from persons interested in or affected by the proceedings pertaining to the proposed allocation area and will determine the public utility and benefit of the proposed allocation area. The commission shall file the information required by subdivision (2) with the officers of the taxing unit who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 at least ten (10) days before the date of the public hearing. All persons affected in any manner by the hearing, including all taxpayers within the taxing district of the redevelopment commission, shall be considered notified of the pendency of the hearing and of subsequent acts, hearings, adjournments, and orders of the redevelopment commission affecting the allocation area if the redevelopment commission gives the notice required by this section.

(c) At the hearing, which may be recessed and reconvened periodically, the redevelopment commission shall hear all persons interested in the proceedings and shall consider all written remonstrances and objections that have been filed. After considering the evidence presented, the redevelopment commission shall take final action determining the public utility and benefit of the proposed allocation area confirming, modifying and confirming, or rescinding the resolution. The final action taken by the redevelopment commission shall be recorded and is final and conclusive, except that an appeal may be taken in the manner prescribed by section 16 of this chapter.

All remonstrances upon which an appeal has been taken shall be consolidated and heard and determined within thirty (30) days after the time of filing of the appeal. The court shall decide the appeal based on the record and evidence before the redevelopment commission, not by trial de novo, and may confirm the final action of the redevelopment commission or sustain the remonstrances. The judgment of the court is final and conclusive, unless an appeal is taken as in other civil actions.

Sec. 17. (a) An allocation provision adopted under section 15 of this chapter must:

- (1) apply to the entire certified technology park; and**
- (2) require that any property tax on taxable property subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes in the certified technology park be allocated and distributed as provided in subsections (b) and (c).**

(b) Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:

- (1) the assessed value of the taxable property for the assessment date with respect to which the allocation and distribution is made; or**
- (2) the base assessed value;**

shall be allocated and, when collected, paid into the funds of the respective taxing units.

(c) Except as provided in subsection (d), all the property tax proceeds that exceed those described in subsection (b) shall be allocated to the redevelopment commission for the certified technology park and, when collected, paid into the certified technology park fund established under section 23 of this chapter.

(d) Before July 15 of each year, the redevelopment commission shall do the following:

- (1) Determine the amount, if any, by which the property tax proceeds to be deposited in the certified technology park fund will exceed the amount necessary for the purposes described in section 23 of this chapter.**
- (2) Notify the county auditor of the amount, if any, of excess tax proceeds that the redevelopment commission has determined may be allocated to the respective taxing units in the manner prescribed in subsection (c). The redevelopment commission may not authorize an allocation of property tax proceeds under this subdivision if to do so would endanger the interests of the holders of bonds described in section 24 of this chapter.**

(e) Notwithstanding any other law, each assessor shall, upon petition of the redevelopment commission, reassess the taxable property situated upon or in, or added to, the certified technology park effective on the next assessment date after the petition.

(f) Notwithstanding any other law, the assessed value of all taxable property in the certified technology park, for purposes of tax limitation, property tax replacement, and formulation of the

C

budget, tax rate, and tax levy for each political subdivision in which the property is located is the lesser of:

- (1) the assessed value of the taxable property as valued without regard to this section; or
- (2) the base assessed value.

Sec. 18. (a) A redevelopment commission may, by resolution, provide that each taxpayer in a certified technology park that has been designated as an allocation area is entitled to an additional credit for taxes (as defined in IC 6-1.1-21-2) that, under IC 6-1.1-22-9, are due and payable in May and November of that year. One-half (1/2) of the credit shall be applied to each installment of property taxes. This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district that contains all or part of the certified technology park:

STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A) and IC 6-1.1-21-2(g)(2) through IC 6-1.1-21-2(g)(5) that is attributable to the taxing district.

STEP TWO: Divide:

- (A) that part of the county's total eligible property tax replacement amount (as defined in IC 6-1.1-21-2) for that year as determined under IC 6-1.1-21-4 that is attributable to the taxing district; by
- (B) the STEP ONE sum.

STEP THREE: Multiply:

- (A) the STEP TWO quotient; by
- (B) the total amount of the taxpayer's taxes (as defined in IC 6-1.1-21-2) levied in the taxing district that would have been allocated to the certified technology park fund under section 17 of this chapter had the additional credit described in this section not been given.

The additional credit reduces the amount of proceeds allocated and paid into the certified technology park fund under section 17 of this chapter.

(b) The additional credit under subsection (a) shall be:

- (1) computed on an aggregate basis of all taxpayers in a taxing district that contains all or part of a certified technology park; and
- (2) combined on the tax statement sent to each taxpayer.

(c) Concurrently with the mailing or other delivery of the tax statement or any corrected tax statement to each taxpayer, as required by IC 6-1.1-22-8(a), each county treasurer shall for each

tax statement also deliver to each taxpayer in a certified technology park who is entitled to the additional credit under subsection (a) a notice of additional credit. The actual dollar amount of the credit, the taxpayer's name and address, and the tax statement to which the credit applies must be stated on the notice.

(d) Notwithstanding any other law, a taxpayer in a certified technology park is not entitled to a credit for property tax replacement under IC 6-1.1-21-5.

Sec. 19. (a) The state board of accounts and department of local government finance shall make the rules and prescribe the forms and procedures that the state board of accounts and department of local government finance consider appropriate for the implementation of an allocation area under this chapter.

(b) After each general reassessment under IC 6-1.1-4, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the general reassessment on the property tax proceeds allocated to the certified technology park fund under section 17 of this chapter.

Sec. 20. (a) After entering into an agreement under section 12 of this chapter, the redevelopment commission shall send to the department of state revenue:

- (1) a certified copy of the designation of the certified technology park under section 11 of this chapter;
- (2) a certified copy of the agreement entered into under section 12 of this chapter; and
- (3) a complete list of the employers in the certified technology park and the street names and the range of street numbers of each street in the certified technology park.

The redevelopment commission shall update the list provided under subdivision (3) before July 1 of each year.

(b) Not later than sixty (60) days after receiving a copy of the designation of the certified technology park, the department of state revenue shall determine the gross retail base period amount and the income tax base period amount.

Sec. 21. Before the first business day in October of each year, the department of state revenue shall calculate the income tax incremental amount and the gross retail incremental amount for the preceding state fiscal year for each certified technology park designated under this chapter.

Sec. 22. (a) The treasurer of state shall establish an incremental tax financing fund for each certified technology park designated under this chapter. The fund shall be administered by the treasurer

(b) Subject to subsection (c), the following amounts shall be deposited during each state fiscal year in the incremental tax financing fund established for a certified technology park under subsection (a):

(1) The aggregate amount of state gross retail and use taxes that are remitted under IC 6-2.5 by businesses operating in the certified technology park, until the amount of state gross retail and use taxes deposited equals the gross retail incremental amount for the certified technology park.

(2) The aggregate amount of the following taxes paid by employees employed in the certified technology park with respect to wages earned for work in the certified technology park, until the amount deposited equals the income tax incremental amount:

(A) The adjusted gross income tax.

(B) The county adjusted gross income tax.

(C) The county option income tax.

(D) The county economic development income tax.

(c) Not more than an aggregate total of five million dollars (\$5,000,000) may be deposited in a particular incremental tax financing fund for a certified technology park over the life of the certified technology park.

(d) On or before the twentieth day of each month, all amounts held in the incremental tax financing fund established for a certified technology park shall be distributed to the redevelopment commission for deposit in the certified technology park fund established under section 23 of this chapter.

Sec. 23. (a) Each redevelopment commission that establishes a certified technology park under this chapter shall establish a certified technology park fund to receive:

(1) property tax proceeds allocated under section 17 of this chapter; and

(2) money distributed to the redevelopment commission under section 22 of this chapter.

(b) Money deposited in the certified technology park fund may be used by the redevelopment commission only for one (1) or more of the following purposes.

(1) Acquisition, improvement, preparation, demolition, disposal, construction, reconstruction, remediation, rehabilitation, restoration, preservation, maintenance, repair,

(2) Operation of public facilities described in section 9(2) of this chapter.

(8) Reimbursement of the unit for expenditures made by it for public facilities in or serving the certified technology park.

(9) Payment of expenses incurred by the redevelopment commission for public facilities that are in the certified technology park or serving the certified technology park.

(c) The certified technology park fund may not be used for operating expenses of the redevelopment commission.

- (1) the judicial department of the state; or
- (2) the legislative department of the state.

(b) Notwithstanding IC 4-12-1-12, IC 4-13-2-18, or any other law or rule, the appropriation made in P.L.291-2001, SECTION 15, FOR THE BUDGET AGENCY, PERSONAL SERVICES/FRINGE BENEFITS CONTINGENCY FUND, Total Operating Expense, for the 2001-2003 biennium, is automatically allotted in amounts sufficient to provide a two percent (2%) pay increase for all employees of state agencies on July 1, 2002.

(c) IC 6-3-2-14 applies to prize money received after June 30, 2002, regardless of when the taxpayer's taxable year begins.

(d) Notwithstanding IC 6-3-7-3, as amended by this act, money attributable to adjusted gross income tax raised as a result of the amendment of IC 6-3-2-14 by this act shall be segregated in a nonreverting fund and used only to pay the two percent (2%) pay increase for all employees of state agencies granted by subsection (b) and payable in the state fiscal year beginning July 1, 2002, to supplement the allotments made under subsection (b). The amounts segregated under this subsection are appropriated as they are deposited and must be automatically allotted for the purposes of this subsection.

(f) Subsections (b) and (d) do not apply to a person for whom a salary is specifically set in state law.

SECTION 388. [EFFECTIVE UPON PASSAGE] (a) This SECTION applies to any provision of this act that provides that an appropriation, including any part of an appropriation, is automatically allotted.

- (1) the budget director;
- (2) the budget agency; or
- (3) any other entity or public official in the executive department of state government;

- (1) on the date or occurrence of the event specified in the SECTION describing the appropriation; or
- (2) in the absence of a specific date or event for allotment, on the effective date of the SECTION describing the appropriation.

An appropriation automatically allotted for one (1) quarter of a

(f) Notwithstanding any law giving discretion to any official to determine when to expend or distribute money appropriated by the general assembly, the state shall expend or distribute the amount of the automatically allotted appropriation as provided in the SECTION describing the appropriation or, in the absence of provisions in the SECTION concerning distribution, upon allotment. However:

- (1) ADA flat grant distributions to school corporations shall be made in equal amounts at the times and in the manner that tuition support distributions are made;

special tax on all property in the taxing district or taxing districts in which the allocation area is located. The special tax shall be certified before September 2 of each year to the fiscal officer of the taxing unit that designated the allocation area. The special tax shall be estimated and entered upon the tax duplicates by the county auditor and shall be collected and enforced by the county treasurer in the same manner as state and county taxes are estimated, entered, collected, and enforced.

(b) As the special tax is collected by the county treasurer, it shall be transferred to the governing body that imposed the special tax and shall be accumulated and kept in the special fund for the allocation area and applied only for the purposes of this chapter.

(c) The governing body shall determine the special tax levy for a year in the amount of the lesser of:

- (1) the total payments due on the obligations of the governing body in the year minus the amounts the governing body estimates will be legally available to the governing body in the year to make the payments; and
- (2) except as provided in subsection (d), the amount that will result from the imposition of a rate for the special tax levy that the county auditor estimates will cause the total tax rate in the taxing district in which the allocation area is located to be one hundred ten percent (110%) of the rate that would apply if the rate for the special tax levy were not imposed for the year.

(d) If the allocation area is located in more than one (1) taxing district, the special tax levy amount determined under subsection (c)(2) shall be based on the taxing district that will, without consideration of the rate for the special tax levy, have the highest tax rate in the year in which the special tax levy is payable.

due on the obligations in the immediately succeeding year, including guarantees by a unit to apply revenues received under IC 6-3.5 or other sources toward the payment of the obligations;

may appeal to the department for emergency relief under this chapter to provide sufficient additional funds to pay amounts due on the obligations in the immediately succeeding year.

(b) In the petition under this section, the governing body must state sufficient facts to demonstrate the following:

- (1) The petitioner is a governing body.
- (2) The petitioner established an allocation area before January 1, 2002.
- (3) The holders of obligations payable from tax increment revenues from the allocation area received a pledge before January 1, 2003, of tax increment revenues to pay any part of the obligations due after December 31, 2002.
- (4) A change in the determination of the assessed value of tangible personal property resulting from a change in the rules governing the assessment of tangible personal property in effect on January 1, 2001 (50 IAC 5.1; 50 IAC 4.2) causes the governing body to be unable to pay amounts due on the obligations of the governing body in the immediately succeeding year.
- (5) The governing body has investigated its ability to employ all remedies available under the agreements establishing the obligations of the governing body to provide sufficient funds to pay amounts due on the obligations in the immediately succeeding year, including guarantees by a unit to apply revenues received under IC 6-3.5 or other sources toward the payment of the obligations.
- (6) The governing body has investigated the availability of all funds legally available to the governing body for the payment of amounts due on the obligations of the governing body in the immediately succeeding year, including funds derived from the denial of all or a part of an additional credit to taxpayers in the allocation area.
- (7) The governing body has reasonably determined that refinancing one (1) or more of the obligations of the governing body is not an economically feasible means of providing sufficient funds to pay amounts due on the obligations in the immediately succeeding year.
- (8) The governing body has made reasonable efforts to limit

C
o
p
y

its use of the special fund for the allocation area to appropriations for payments of amounts due on obligations of the governing body.

(9) The balance in the special fund for the allocation area in the immediately succeeding year will be insufficient to pay amounts due on the obligations of the governing body in that year.

(10) A property taxpayer located in any part in the allocation area was not the original purchaser and does not own any of the obligations of the governing body or rights to payment of any of the obligations.

(11) The governing body is unable to provide sufficient funds to pay amounts due on the obligations of the governing body in the immediately succeeding year.

(12) A copy of the petition has been served on the executive of each taxing unit in which any part of the allocation area is located.

(13) The governing body at the time of issuance of the obligations:

(A) reasonably estimated that the revenue legally available to pay the obligations would be adequate to pay the obligations over the term of the obligations; and

(B) pledged as additional security for the payment of the obligations a reasonable amount of coverage of revenue legally available in excess of the amount necessary to pay the obligations.

(14) The number of subsequent years the governing body estimates it will appeal under this section.

Sec. 11. The department shall conduct a hearing on the petition in the county where the allocation area is located. At the hearing, the petitioner and any other person may submit any information relevant to the determination of the issues raised in the petition.

Sec. 12. (a) If, after the hearing and upon consideration of all of the factors referred to in section 10(b) of this chapter, the department determines that the requirements of this chapter have been met, the department may order any of the emergency relief described in section 13 of this chapter for a period not to exceed the immediately succeeding five (5) years. An award of relief shall not preclude a governing body from petitioning the department for additional relief under this chapter after the expiration of the initial period for which relief was granted.

(b) A recipient of relief under this chapter shall provide

C

certification to the department on an annual basis that certifies the continued existence of each of the factors listed in section 10(b) of this chapter.

(c) The amount of emergency relief ordered under this section may not exceed:

(1) the amount the governing body is obligated to pay on obligations during the years for which relief is requested; minus

(2) the sum of:

(A) the amount, if any, of the special tax levy under section 9 of this chapter payable in the years for which relief is requested; and

(B) the amount of the remedies available to the governing body under the agreements establishing obligations of the governing body.

(a) "Unitary business" means business activities or operations that are of mutual benefit, dependent upon, or contributory to one another, individually or as a group, in transacting the business of a financial institution. The term may be applied within a single legal entity or between multiple entities and without regard to whether each entity is a corporation, a partnership, a limited liability company, or a trust, provided that each member is either a holding company, a regulated financial corporation, a subsidiary of either, a corporation that conducts the business of a financial institution under IC 6-5.5-1-17(d)(2), or any other entity, regardless of its form, that conducts activities that would constitute the business of a financial institution under IC 6-5.5-1-17(d)(2) if the activities were conducted by a corporation. The term "unitary group" includes those entities that are engaged in a unitary business transacted wholly or partially within Indiana, ~~However, the term does not include~~ **including** an entity that does not transact business in Indiana.

(b) Unity is presumed whenever there is unity of ownership, operation, and use evidenced by centralized management or executive force, centralized purchasing, advertising, accounting, or other controlled interaction among entities that are members of the unitary group, as described in subsection (a). However, the absence of these centralized activities does not necessarily evidence a nonunitary business.

(c) Unity of ownership, when a corporation is involved, does not exist unless that corporation is a member of a group of two (2) or more business entities and more than fifty percent (50%) of the voting stock of each member of the group is directly or indirectly owned by:

(b) As used in this section, "qualified increased tax costs" means the greater of:

(1) the difference between the:

(A) total taxes due and payable by a public utility under IC 6-2.1 for a particular taxable year for providing retail public utility service; minus

(B) total taxes due and payable by a public utility under IC 6-2.1 for the taxable year immediately preceding the taxable year described in clause (A) for providing retail public utility service; or

(2) zero (0).

(c) As used in this section, "retail public utility service" means public utility service furnished to a customer for ultimate consumption, but does not include wholesale public utility service furnished by a public utility to a purchaser for resale.

(d) As used in this section, "retail rate adjustment mechanism"

means a:

- (1) tracking provision;

approved by the commission to periodically adjust a public utility's rates and charges for retail public utility service to allow for the recovery of certain costs.

(e) Upon the petition of a public utility, the commission shall allow the public utility to recover through a retail rate adjustment mechanism qualified increased tax costs if the public utility provides substantial documentation of the qualified increased tax costs in a form prescribed by the commission.

(f) Recovery of qualified increased tax costs under this section does not preclude inclusion of the qualified increased tax costs in a public utility's basic rates and charges in subsequent rate proceedings. Any qualified increased tax costs subsequently recovered in the public utility's basic rates and charges may not also be recovered through the retail rate adjustment mechanism under this section.

(g) A retail rate adjustment mechanism proposed by a public utility under this section may be based on actual or forecasted taxes due and payable under IC 6-2.1 for a particular taxable year. If forecasted taxes are used, the retail rate adjustment mechanism must contain a reconciliation mechanism to correct any variance between the public utility's forecasted qualified increased tax costs and the public utility's actual increased tax costs in providing retail public utility service. A public utility may not petition the commission for a change in the retail rate adjustment mechanism more than once during any twelve (12) month period.

(h) A retail rate adjustment resulting from a retail rate adjustment mechanism approved by the commission under this section:

- (1) is in addition to any other rate adjustment a public utility may be entitled to under this title; and
- (2) is not considered a general increase in the basic rates and charges of the public utility.

(i) When applicable, the commission shall make any adjustments to a public utility's expense tests and return tests during the twelve (12) month test period considered by the commission in an application under section 42(d) or 42(g) of this chapter or under IC 8-1-13-30(d), whichever applies, necessary to permit the public utility to retain the revenues resulting from a
